Councillor Sorg presented a Proclamation to John Christopher and declared April 30, 2011 as Comcast Cares Day.

Councillor Sorg presented a Proclamation and declared April 18 thru April 22, 2011 as Individual Personal Planning Week.

II. CONFLICT OF INTEREST INQUIRY BY MAYOR AS REQUIRED BY LCMC SECTION 2-27(E)(2).

At the opening of each council meeting, the chairperson shall ask if any member of the city council, city manager, or any member of the city staff has any known conflict of interest with any item on the agenda.

Mayor Miyagishima asked if anyone had any conflicts with anything on the agenda?

None given.

III. PUBLIC PARTICIPATION

Rudy Aragon, Member of the Public read Psalms 1:19 from the Bible.

Bob Butler, Member of the Public said we need to get Las Cruces to the top three cities, not just part of the top ten and I expect to see improvements in our school system.

Sanford Schemnitz, Member of the Public said I arrived in Las Cruces in 1975 and I've been the Chairman for the Southwest Consolidated Sportsman since shortly after I arrived here. We are concerned about the proposed proposal regarding steel traps and we hope you consider all the pros and cons of this issue.

Mayor Miyagishima said even if we were to pass this resolution, it has no effect on the law because we have no authority to ban it.

Rudy Aragon, Member of the Public said I don't think it is right that several members of Council were looking at their screens and couldn't even give the previous gentleman their attention for seven minutes.

Russ Warner, Member of the Public said it was great to see Mr. Denmark on the list for Deputy City Manager and it is good that you promote people within because they already know the City.

Kathy Billing, Member of the Public said I gave some documents to the Clerk for you to read regarding the feral cat situation. The way we have been dealing with our feral cats is barbaric; they trap them, send them to the shelter and they are killed immediately or as soon as the technician has time. This way has not worked because we still have problems with feral cats. The only way we are going to get this problem under control is to implement a T&R program. My program started in 2002 at the University with about 250 to 300 cats and now they are down to about 75 cats.

Sherry Guerra, Member of the Public said I am the President of SNAP and we have reduced the euthanasia rate by 10% at that shelter. The problem is that we are just a few ladies running this program and we don't have any money. It cost us about $165,000 to $175,000 per year to run this program and we need to get some money from the City to help us keep this program going.

Mayor Miyagishima said we are having a Work Session on May 9th and we will be discussing this issue at that meeting. We would like for you to attend that meeting and bring us more information.

Sherry Guerra said I would be happy to attend it.

Mike Preva, Member of the Public said I received an email dated April 4, 2011 from someone named Larry and it is asking that I attend the Council Meeting on April 4, 2011 because Mr. Harbison intends to speak about Agenda 21. It surprises me that this person is comfortable transmitting this trash to people.

Tara Peterson, Member of the Public said I am the Research and Publication Chairman for the Las Cruces Tea Party and I am responding to your email requesting a meeting with us, I would like to meet with you on May 12th.

Mayor Miyagishima said I will have to check my calendar but can you email me your response?

Tara Peterson said the reason I'm doing it here is because it took you three weeks to respond to the original email.

IV. ACCEPTANCE OF AGENDA: THOSE ITEMS ON THE AGENDA INDICATED BY AN ASTERISK (*) ARE ON THE CONSENT AGENDA AND WILL BE VOTED ON BY ONE MOTION.

Mayor Miyagishima said Item 5 needs to be removed from the Consent Agenda for discussion and we need to move Item 13 after Item 15.

Councillor Connor Moved to approve the Agenda as Amended and Councillor Thomas Seconded the motion.

Mayor Miyagishima called for the roll on the Motion to accept the Agenda as Amended and it was Unanimously APPROVED. 7-0

This Resolution Also Authorizes Mesilla Valley Habitat for Humanity to Pursue State Tax Credits for Development of the Property and Obtain an Appraisal on the Subject Parcel.

Councillor Silva Moved to Adopt Resolution No. 11-210 and Councillor Connor Seconded the motion.

Councillor Silva said there is a typo that needs to be fixed; this project is listed as being in District 1 but it is in District 5 so I think that needs to be corrected.

Mayor Miyagishima called for the roll on the Motion to Adopt Resolution No. 11-210 and it was Unanimously APPROVED. 7-0

---

(11) **BEFORE CONSIDERATION OF THE FOLLOWING RESOLUTION NO. 11-212; A PUBLIC HEARING MUST BE HELD:**

Mayor Miyagishima said the Public Hearing for Resolution No. 11-212 is now open; is there anyone who wishes to speak against this item?

None given.

Mayor Miyagishima closed the Public Hearing for Resolution No. 11-212.

Resolution No. 11-212: A Resolution Approving the Issuance of a Restaurant Liquor License for On Premise Consumption Only to Los Mariachi's Restaurant, to be Located at 750-B North Motel Boulevard, Las Cruces, New Mexico.

Councillor Small Moved to Adopt Resolution No. 11-213 and Councillor Thomas Seconded the motion.

Auguie Henry, Grants Administrator said this resolution is to meet a request from the New Mexico Environmental Department. They have a resolution on record that shows Terrence Moore as the authorized signer for the City so they have begun to disapprove our reimbursements. This resolution will state that Robert Garza or his successor will be the authorized signer for the City.

Mayor Miyagishima called for the roll on the Motion to Adopt Resolution No. 11-213 and it was APPROVED. 6-0 Councillor Sorg was Absent.

---

(14) Resolution No. 11-215: A Resolution Approving the Parks and Recreation Fees and Charges/Facility Use Policy and Repealing Resolution 10-273 and Resolution 10-251.

Councillor Connor Moved to Adopt Resolution No. 11-215 and Councillor Small Seconded the motion.

Mark Johnston, Parks and Recreation Administrator gave an overhead presentation and said we have received public comments all year long regarding this issue and this resolution is our proposal for the changes to our Fees and Charges/Facility Use Policy. The proposed new sections will define age requirements for all facilities, address mobile concessions and vending, special use permits, inflatable/portable play equipment, vehicles and driving in City parks, Wellness Program for City employees and advertising and revenue generation. Some of the new program highlights are the creation of a medical/restorative aquatic program for those with medical condition, the fees for becoming a life guard will be reimbursed after being hired, there will be a flat monthly fee for vendors, there will be a youth roller derby, the lap swim rate will be reduced to $2.00 for one hour and there will be summer camps, sessions and sports 101. The proposed fee changes will be for City ran youth sports leagues: $35, child watch fee for aquatics: $1, the Aquatic Center will reduce fees to match outdoor pools, reduced cost of punch cards and the creation of a per day fee for late registration for After School Programs.

Councillor Small said I would encourage you to continue to go out there and look for advertising and different kinds of deals to help bring funding into our parks.

What is going to be covered by the youth sports leagues?

Mark Johnston said Bantam Weight Sports, Las Cruces Youth Baseball Association, Las Cruces Youth Softball Association, the associations are independent associations that run the local leagues. We run the Tikes and Spikes, basketball (our Basketball 101 program), our Youth Golf Program and we have introduced some new camps this year, like our Summer Recreation Program.

Councillor Connor said I think we should look into some kind of branding program that would brand City ran programs into one area so people could identify them through the branding.

Will we break even with the $35 cost for the youth sports league?

Mark Johnston said our goal is to achieve at least 85% of our labor cost and with this adjustment we are hoping to break even on our labor and operating cost for the program.

You are correct regarding the branding and we have been looking into it throughout the Parks and Recreation.

Councillor Pedroza said I think you handled the situation with Frenger Pool very well and you have been very flexible in handling the fee changes. I was happy to see recycling bins in our parks and I am very pleased that the tennis lights have been fixed at Young Park.

Councillor Sorg said I visited some of our parks over the weekend and they were all clean but I spoke with a lady who was picking up the park on Elks and she informed me that there weren't any trash cans positioned near the parking lot.

Mark Johnston said we have found that when we put trash cans in that type of area, people will utilize them for their household trash but we have found the bigger cans with a smaller hole have worked well so I will talk to staff and see what can be done.

Councillor Silva said you commented to the Board that we have a $300,000 shortfall for the year, we still have that shortfall; correct?

Mark Johnston said we do have about $329,000 cut for next year but we are trying to make it up with the reduction of services and with a revenue source.

Councillor Silva said it was estimated a year ago when we opened the pool that we would be at $1.5 million for operations with $500,000 in revenue so that left us with a $700,000 shortfall. How are we making up that $700,000 difference?

Mark Johnston said we have done some different types of experimentation with the Aquatics Center. We opened from 5:00 a.m. to 10:00 p.m and tracked where the biggest pushes were from our customers; for the month of March we had $40,599 in revenue and if we can continue that trend we will achieve our $500,000 for the year.

Councillor Silva said when we started the therapy pool it was at $175 and then you dropped it down to $150; why?

Mark Johnston said supply and demand.

Councillor Silva said that means that people weren't using it at $175 so you dropped it to $100 in hopes that people will start using it.

Mark Johnston said correct.

Councillor Silva said our Summer Rec Program went from $60 to $273 for the After School Program.

Mark Johnston said that is because we are now looking at that program realistically. The program runs for a total of half the school year so we took the number of days times $3 per day and the total amount comes out the same so people pay that amount and know that they are signed up for the entire year.

Linda Mervine, Member of the Public said I'm the pastor of First Christian Church on El Paseo and we are across the street from the park by Frenger Pool. The problem we are having is that people are using our parking lot to park during games at the park and that creates a problem when we have events at our church. I don't mind them using our parking lot but I would like for them to let us know when they are going to have these games so we can plan our events. I also want to say that I am a swimmer and I love the new Aquatic Center because it is affordable at $2.00 per hour.

Mark Johnston said I can provide you with the information on when the season starts, just contact our office.

Mayor Miyagishima called for the roll on the Motion to Adopt Resolution No. 11-215 and it was Unanimously APPROVED. 7-0

(15) Resolution No. 11-216: A Resolution Authorizing the City of Las Cruces to Enter Into a Cooperative Project Agreement With the New Mexico Department of Transportation for the Funding of a Multi-Use Pedestrian Trail Along the Las Cruces Outfall Channel From North Triviz Drive to the La Llorona Trail in the Amount of $758,418.00. A 25% City Match of $252,806.00 is Required for a Total Project Amount of $1,011,224.00.

Councillor Small Moved to Adopt Resolution No. 11-216 and Councillor Thomas Seconded the motion.

Mike Johnson, Public Works Director gave an overhead presentation and said this is a resolution authorizing the City to enter into a Cooperative Project Agreement with NMDOT for the funding of a multi-use pedestrian trail along north Triviz Drive to La Llorona Trail in the amount of $758,418. A 25% match is required which makes the total project amount $1,011,224. This project was submitted and then ranked in the top five by the MPO Policy Committee last fiscal year. The trail will be a 4.25 mile east-west bicycle and pedestrian facility that would bridge the north end of the Triviz Multi-Use Pathway with the north end of the La Llorona Multi-Purpose Pathway at the Rio Grande. A special use permit will be needed with EBID since portions of the Outfall Channel

are under their jurisdiction. This proposed trail is included in the Vision 2040 and construction must commence by August 15, 2011.

Councillor Thomas said I am grateful to NMDOT for awarding us this project and this will be a wonderful addition to the City.

Councillor Small said I think this is a good project and it will connect both sides of the City.

Councillor Sorg asked will there be other amenities to the trail?

Mike Johnson said there will be benches and things like that where we have room along the trail.

Mayor Miyagishima called for the roll on the Motion to Adopt Resolution No. 11-216 and it was Unanimously APPROVED. 7-0

(13) Resolution No. 11-214: A Resolution Approving a Major Amendment to the Kennon Annexation Master Plan Which Includes a Waiver Request to the City of Las Cruces Design Standards for No Road Improvements to Crawford Boulevard. Submitted by the City of Las Cruces, Property Owner. (S-11-002)

Councillor Connor Moved to Adopt Resolution No. 11-214 and Councillor Thomas Seconded the motion.

Councillor Connor Moved to Suspend the Rules to discuss Item 13 and Item 16 concurrently and Councillor Sorg Seconded the motion.

Mayor Miyagishima called for the roll on the Motion to Suspend the Rules to discuss Item 13 and Item 16 concurrently and it was Unanimously APPROVED. 7-0

Jennifer Robertson, Planner gave an overhead presentation and said the subject property is located at the southern terminus of Crawford Boulevard and contains approximately 320 acres. The proposed use for the Master Plan amendment is for a solar energy project and there is a waiver request of

100% of the off-site road improvements to Crawford Boulevard. The case specifics for Z2823 are a zone change request for the proposed zoning M-3C heavy industrial conditional and a variance request for 100% of the requirements of utility installations parking standards requiring a minimum of an 11-foot driving aisle for the proposed use. On February 22, 2011 the Planning and Zoning Commission reviewed and recommended approval for the Master Plan amendment with the condition that the proposed utility installation, the solar energy project, no onsite driving aisle will be required for the proposed use and any development is required to follow the Airport Overlay District Requirement of our Zoning Code.

Councillor Sorg said the High Mesa is proposed to have limited access that would connect I-10 down south to Santa Theresa; correct?

Jennifer Robertson said Crawford goes into High Mesa which then goes to I-10 just south of town.

Mayor Miyagishima called for the roll on the Motion to Adopt Resolution No. 11-214 and it was Unanimously APPROVED. 7-0

---

(16) Council Bill No. 11-032: Ordinance No. 2612: An Ordinance Approving a Zone Change from HC (Holding-Conditional) to M-3C (Heavy Industrial-Conditional) and to Deviate 100% From the Parking Requirement for an 11-Foot On-Site Driving Aisle. Submitted by the City of Las Cruces, Property Owner. (Z2823)

Councillor Connor Moved to Adopt Council Bill No. 11-032; Ordinance No. 2612 and Councillor Small Seconded the motion.

Mayor Miyagishima called for the roll on the Motion to Adopt Council Bill No. 11-032; Ordinance No. 2612 and it was Unanimously APPROVED. 7-0

X. GENERAL DISCUSSION

1. MAYOR

Mayor Miyagishima said I'm having another Mayor's Night In this coming Thursday, April 21st at approximately 5:30 p.m.

I want to thank the over 911 participates of the Great American Clean-up.

---

2. CITY COUNCIL

Councillor Thomas said last week I went to Washington D.C. to testify at the Senate Committee Hearing regarding Transportation Legislation.

The South Central Council of Governments met last week here in Las Cruces for the first time and we received a lot of compliments on our new City Hall.

Some of us went to the Municipal League meeting and they did a very nice overview of the legislation and past sessions.

The South Central Regional Transit District has started to meet more regularly and we have selected a director to hire to work on the transit for this south central area.

Mayor Miyagishima said a resident dropped off a letter that he received which states that one of the V.I.Ps that received this invitation asked "what is the tab for the City's unprecedented banquet" and was told that "there is no tab, the City is paying for it." When was such an invitation only event held in a public building but not open to the public, approved? Who approved taxpayer's money to be spent on a banquet for fat-cat V.I.Ps when the City is cutting services to the most needy? Basically, this was a celebration dinner that many of us attended and it was regarding the recognition of Munson Senior Center's first accreditation in the State. I want to say that the City did not pay for that dinner, it was privately funded by two different companies which were Las Cruces Senior Services, Inc. and I can't remember the name of the other company.

Councillor Sorg said I have received many inquiries from residents in District 5 about safety issues. I have discussed this with Commissioner Krahling and we are going to have some meetings regarding these issues. I spoke with the City Police Department to get some statics and although

crimes have gone down citywide they haven't gone down much on the East Mesa. We will begin having joint community meetings on April 25th and the Las Cruces Police Department and the Sheriff's Department will be there to give presentations on safety.

Councillor Small said congratulations to Craig Fenske on the Great American Clean-up event.

The Burn Lake Arbor Day Festival will be on April 30th and there will be 600 trees given away.

I want to say "thanks" to City Manager Garza, Assistant City Manager Denmark, Mayor and others for the great meeting we had regarding the Picacho Pride Project.

The Pat Garrett Subdivision came together just as the market was crashing and has always had issues. There was dirt moved into this area recently and the recent high winds have blown a lot of dirt in this area so there is going to be a long clean up.

Robert Garza, City Manager said the person responsible for moving in the dirt did it without a permit and without our knowledge. We are working with them to make sure they are aware of the impact to the neighbors and we will be holding them responsible for it.

Councillor Small said I want to say "thank you" to Tomasita with our Juvenile Citation Project for facilitating a great meeting.

Regarding the resolution for trapping, it was passed today with the Consent Agenda but I want to mention that it is a resolution, not an ordinance and it didn't address wildlife professionals within the State.

Councillor Pedroza said I want to congratulate Oasis and all the people who participated in the Earth Day event on Saturday.

The School Garden Project, with the support of Robert Garza and our community, is going forward very well and we are very close to getting seeds in the ground.

I want to mention that the palm trees in Young Park did survive the freeze.

Councillor Connor passed.

Councillor Silva said there is a dance event for National Dance Day on April 29, 2011 from 6:00 to 9:00 p.m. at the Court Youth Center.

I would like to thank Governor Martinez for attending the award ceremony at the Munson Center on Friday, the Earth Day event and the Big Brothers Big Sisters event.

3. **CITY MANAGER**
   A. Other items - Information Only.

Robert Garza, City Manager said our new website is now up and running and we are continuing to add information to it.

I want to point out that starting at the next Council Meeting on May 2nd, you will have a little different looking CAES packets.

Tomorrow evening at 5:30 p.m., here in Chambers, we will have a Public Hearing regarding our Impact Fee discussions.

Councillor Silva said I want to mention that there are meetings going on regarding the proposed new Animal Ordinance; there will be one on April 19th from 5:30 to 7:30 p.m. at the County Building and another one on April 21st from 10:00 a.m. to 12:00 p.m. here in this building.

Meeting Adjourned at 3:30 p.m.
