ORDINANCE NO. _____

AN ORDINANCE ENACTING A NEW ARTICLE IN CHAPTER 14 – HUMAN RIGHTS, OF THE LAS CRUCES MUNICIPAL CODE, SETTING MINIMUM WAGES FOR CERTAIN EMPLOYEES WORKING WITHIN THE CITY LIMITS OF LAS CRUCES; PROVIDING FOR INDEXING THE MINIMUM WAGE TO INFLATION; ESTABLISHING PROCEDURES FOR ENFORCEMENT.

The City Council is informed that:

WHEREAS, the federal and State minimum wage has been unchanged since 2009, at $7.25 and $7.50, respectively; and

WHEREAS, efforts to increase the minimum wage at the federal and State level are unlikely to be successful in the foreseeable future; and

WHEREAS, the current base tip wage for many restaurant workers of $2.13 has been unchanged for over 20 years; and

WHEREAS, according to the US Census Bureau, approximately twenty-two percent of the Las Cruces population lived below the poverty level between 2008 and 2012; and

WHEREAS, the current minimum wage levels result in many low wage workers living below the poverty level and require public assistance and other services to compensate for the lack of a living wage; and

WHEREAS, the current minimum wage levels disadvantage many small businesses in Las Cruces because larger business establishments employ the great majority of minimum wage workers; and

WHEREAS, increasing the minimum wage in Las Cruces will inject millions of dollars into the local economy thereby allowing it to expand and resulting in more

employment opportunities; and

WHEREAS, including employees of the City of Las Cruces in this minimum wage increase is both fair and will encourage other governmental entities to do likewise.

NOW, THEREFORE, be it ordained by the governing body of the City of Las Cruces:

(I)

THAT Exhibit "A" which is attached hereto is hereby adopted and shall be referred to as "The Las Cruces Minimum Wage Ordinance."

(II)

THAT City staff is hereby authorized to do all deeds as necessary in the accomplishment of the herein above.

Nothing in this ordinance shall be construed to prohibit tip pooling among tipped employees.

Tip pooling means a written procedure which each tipped employee has read and signed, which sets out the method for sharing tips among tipped employees. The procedure must prohibit tips to be shared with the employer or any employee who is not a tipped employee.

Section 14-62. - MINIMUM WAGE PAYMENT REQUIREMENTS.

(a) All employers shall pay all employees no less than the minimum wage, and shall pay tipped employees no less than the tipped minimum wage, for each hour worked within the municipal limits of the City, as provided in this section.

(b) Beginning on January 1, 2015, the minimum wage shall be an hourly rate of $8.40 an hour; beginning on January 1, 2016 the minimum wage shall be an hourly rate of $9.20 an hour; and beginning on January 1, 2017 the minimum wage shall be an hourly rate of $10.10 an hour.

(c) Beginning January 1, 2018 and on January 1 of each year thereafter, the minimum wage provided for under this ordinance shall be adjusted by the increase, if any, in the cost of living. The increase in the cost of living shall be calculated based on the percentage increase, if any, as of August of the immediately preceding year over the level as measured by August of the previous year of the Consumer Price Index (All Urban Wage Earners and Clerical Workers, U.S. City Average for All Items) for the West Region or its successor index as published by the U.S. Department of Labor or its successor agency, with the amount of the minimum wage increase, if any, rounded up to the nearest five cents. The City or its designee shall publish the adjusted minimum wage rate for the forthcoming year on its internet home page by October 15 of each year, and it

The tipped minimum wage, when combined with tips actually retained and reported as income for Federal Insurance Contributions Act (FICA) purposes by the employee, shall equal not less than the minimum wage as provided in subsection (b).

(e) An employee shall not be required to work more than forty hours in any week of seven days unless the employee is paid the higher of one and one half times the employee's regular hourly rate of pay or one and one half times the minimum wage as provided in subsection (b), for all hours worked in excess of forty hours. Tipped employees shall be paid the higher of their average hourly wage, including tips, for the previous forty hours worked, or one and one half times the minimum wage as provided in subsection (b).

(b) Records. Employers shall maintain payroll records showing the hours worked daily by and the hourly wages paid to all employees, including tips. Employers shall retain such records for a period of not less than three years, and shall allow the City or its designee access to such records, with appropriate notice and at a mutually agreeable time, to monitor compliance with the requirements of this ordinance. Where an employer does not maintain or retain adequate records documented wages paid or does not allow the City or its designee reasonable access to such records, it shall be presumed that the employer paid no more than the applicable federal, state, or City minimum wage, absent clear and convincing evidence otherwise.

Section 14-64. IMPLEMENTATION AND ENFORCEMENT

(a) It shall be a public nuisance for employers to violate this ordinance by: 1) paying their employees below the Minimum Wage as specified in Section 14-62.

(b) To abate the public nuisance specified in paragraph (a), any employee receiving less than the minimum wage is entitled under this Ordinance to bring a civil action in the Third Judicial District Court, County of Dona Ana, State of New Mexico pursuant to §30-30-8, NMSA 1978. Upon prevailing, any employee shall recover reasonable attorney's fees, and costs.

Nonexclusive Remedies and Penalties. The remedies provided in this section are not exclusive, and nothing in this ordinance shall preclude any person from

seeking any other remedies, penalties, or relief provided by law.

Section 14-65. - EFFECT.

This ordinance provides for payment of a minimum wage rate and shall not be construed to preempt or otherwise limit or affect the applicability of any other law, regulation, requirement, policy or standard that provides for payment of higher or supplemental wages, benefits or protections. Nothing contained in this ordinance prohibits an employer from paying more than the minimum wage rate established under this ordinance.

Section 14-66. - SEVERABILITY.

The requirements and provisions of this ordinance and their parts, subparts and clauses are severable. In the event that any section, paragraph, sentence, clause, word or phrase of this ordinance, or any requirement imposed pursuant to it, or the application thereof to any person or circumstance, is for any reason held to be invalid or unenforceable by any court of competent jurisdiction, such decision shall not affect the validity of the remaining provisions of this ordinance, or their application to other persons or circumstances.
