**BACKGROUND / KEY ISSUES / CONTRIBUTING FACTORS:**

Wallace-Westwind, Inc., (Wayne Wallace, owner) currently holds a land lease at the Las Cruces International Airport for a 10,000-square foot parcel of land known as Parcel 16. The lease for Parcel 16 is one of the older leases at the airport, originating on August 15, 1988, between the City of Las Cruces and Garland-Loman, Inc., for a term of 30 years with two ten-year extension options. The lease was assigned to Wallace-Westwind, Inc., on October 21, 1991, pursuant to Resolution 92-076. The parcel contains a hangar which Mr. Wallace subleases to Adventure Aviation, Inc., and is presently used for storage of kit aircraft parts.

The existing lease will expire on August 15, 2018. Two ten-year extension options are available but these will require City Council approval. Hence, the tenant has requested that the existing lease be terminated and a new, 30-year lease with two five-year extensions be granted. The 30-5-5 lease term is standard for new leases at the Airport.

(Continue on additional sheets as required)

The lease rate on the current land lease is 4.5 cents per square foot per year (\$444.75 per year), which reflects the lower lease rates in effect at the time the lease was originated. By terminating the existing lease and entering into a new one, Mr. Wallace will be required to pay the current airport land lease rate of 20 cents per square foot per year, or \$2,000.00 per year. The additional revenue will be recognized in the fiscal year 2011 budget submittal. The tenant is aware that his lease rate will increase, but states that he needs the flexibility provided by a new lease with more years remaining on the lease term.

Attached are the proposed new lease, the existing lease, and the letter from Mr. Wallace requesting a new lease. The Airport Advisory Board considered this request at their February 11, 2010 meeting and recommends approval.

**d. City's Right to Establish Easements.** The City may at any time and from time to time relocate, in whole or in part, any easement serving the Airport, provided that such relocation does not diminish or permanently interrupt the rights or operations of the Lessee nor increase the costs to be incurred by Lessee. The City may temporarily interrupt operations with respect to such Easements during the period of relocation, and the City agrees to restore the Airport to a condition substantially similar to the condition existing prior to any alterations thereto by the City.

**e. City's Right to Protect Aerial Approaches.** The City reserves the right to take such action as may be reasonably necessary to establish and protect aerial approaches to the Airport against obstruction, including the right to prevent persons from erecting or permitting to be erected any improvements on the Airport which would constitute a hazard to aircraft.

**17. Right to Perform Own Aircraft Servicing and Maintenance.** It is clearly understood by the Lessee that no rights or privileges have been granted which would prevent any legal person from performing any services that it may choose to perform on its own aircraft at locations reserved for such purposes. Lessee shall commence construction of these improvements within ninety (90) days of the approval of the plans and specifications by the City and shall proceed with due diligence to develop these improvements according to the phase construction timetable attached hereto as Exhibit "C". Lessee agrees to use its best efforts to comply with said timetable, but shall not be considered to be breach of this Lease or subject to any penalty therefor in the event that events and circumstances beyond Lessee's control including, but not limited to, delays due to strikes, work stoppages, material shortages or inclement weather, should delay construction progress.

So long as this indemnification requirement is in effect, the Lessee shall procure and maintain a policy of liability insurance as set forth in Exhibit "D" attached hereto. It is agreed and understood that this provision in no way modifies the New Mexico Tort Claims Act.

If such relation of facilities is impractical, City shall reimburse Lessee for any loss of revenue caused by such interruption/relocation.

K. Performance of Services. It is clearly understood by the Lessee that no rights or privileges have been granted which would operate to prevent any person, firm or corporation operating aircraft on the Airport from performing any services on its own aircraft at locations other than the leased premises with its own regular employees (including, but not limited to the maintenance and repair) that it may choose to perform, provided, however, that performance of such services shall be subject to the Rules and Regulations established by the City and shall be consistent with the terms of any lease or sublease of hangar space.

L. City's Rights. The City reserves the right (but shall not be obligated to the Lessee) to maintain and keep in repair the landing area of the Airport against obstruction, together with the right to prevent the Lessee from erecting or permitting to be erected any building or other structure on the Airport, which, in the opinion of the City, would limit the usefulness of the Airport or constitute a hazard to aircraft.

M. Subordination. This Lease shall be subordinate to the provisions of any existing or future agreement between the City and the United States relative to the operation or maintenance of the Airport, the execution of which has been or may be required as a condition precedent to the expenditure of federal funds for the development of the Airport. This subordination includes, but is not limited to, the right of the City during time of

war or national emergency, to lease for military or naval use, and if any such lease is made, the provisions of this Lease and all obligations of Lessee hereunder shall be suspended. Upon the expiration or other termination of this Agreement, the Lessee's rights to the premises, facilities, other rights, licensed services and privileges granted in this Agreement shall cease, and the Lessee shall, upon expiration or termination, immediately and peaceably surrender the premises to the City.

P. Assignment. All covenants, stipulations and provisions in this Lease shall extend to and bind the legal representatives, successors and assigns of the parties.

Q. Exclusive Right. It is understood and agreed that nothing herein shall be constructed to grant or authorize the granting of an exclusive right within the meaning of Section 308(a) of the Federal Aviation Act of 1958, as amended.

R. Affirmative Action Program. The Lessee assures that it will undertake an affirmative action program as required by 14 C.F.R. Part 152, Subpart E. The City may, at any time, temporarily or permanently close or consent to or request the closing of any roadway or other right-of-way for such access, ingress, and any other area at the Airport or in its environs presently or hereafter used as such, so long as a means of access, ingress or egress reasonably equivalent to that formerly provided is substituted therefor and is concurrently made available therefor.

7. Recommendations. Lessee agrees to submit to the City upon request by the City, and the City agrees to receive from Lessee upon request by Lessee any report or reports or information regarding Lessee's operations at the Airport for the purpose of keeping the City informed of any operational problems and of any suggested improvements at the Airport.

8. Structure Repair and Maintenance. Lessee agrees at its expense, without cost or expense to the City, during the term hereof, to keep the leased premises and improvements thereto and thereon in good and useable repair and maintenance and in a safe, sanitary, orderly and sightly condition. Such premises shall at all times be maintained in accordance with any applicable Building Code of the City of Las Cruces, as adopted, amended or modified from time to time as required by law. Lessee's failure to keep and maintain the premises and improvements thereto in good and

A. Removal of Waste. Lessee shall not knowingly permit rubbish, debris, waste materials or anything obnoxious or detrimental safety or health or likely to create objectionable odors, a fire hazard, or conducive to deterioration, to remain on any part of the primary leased premises or to be disposed of improperly. The Lessee shall not knowingly permit any waste liquids, or other material to become a part of the influent to its sewage plant or system which would cause malfunction of the plant equipment or system or impede the normal chemical and biological workings of the plant or septic tank process system. Any violation of this provision shall constitute a breach of this Agreement for which, in addition to the termination and cancellation thereof, Lessee shall be liable to the City for any and all damages said City may sustain.

C. Quiet Possession. The City covenants that Lessee, upon payment of the rent reserved herein and the performance of each of the covenants, agreements and conditions on the part of Lessee to be observed and performed, shall and may, peaceably and quietly have, hold and enjoy the leased premises for the term hereof, free from molestation, eviction or disturbance by the City or any person claiming by, through, or under it, subject to the terms and conditions of this Lease and the following:

(i) The City hereby reserves, for the use and benefit of the public, a right of flight for the passage of aircraft in the navigable airspace above the surface of the leased premises, as determined by the regulations and technical standards promulgated by the Federal Aviation Administration, together with the right to cause in said airspace such noise as may be inherent in the operation of aircraft now or hereafter used for navigation or flight in air, using said airspace for landing at, taking off from, or operating on the Airport.

(ii) The City reserves the right to take such action as may be reasonably necessary to protect aerial approaches to the Airport against obstruction, including the right to prevent Lessee from erecting or permitting to be erected any improvements on the Airport which would constitute a hazard to aircraft.

(iii) The City reserves, subject to the BLM Patent, from this Lease, all water, gas, oil, hydrocarbon and mineral rights in and under the surface of the leased premises; provided, however, that the City shall not conduct any operations on the surface of the leased premises for the exploration, development or recovery of the rights and substances reserved which would unreasonably interfere with Lessee's use and occupancy of the leased premises.

D. Continuation of Operations. Subject to applicable federal, state, county and municipal statutes, resolutions, ordinances, rules and regulations, the City shall not impose any rule, regulation or standard at the Airport which would not generally apply to all operators and other authorized users or which would unreasonably impede, impair or restrain general aviation usage or operations at such Airport, nor shall any such rules, regulations or standard derogate, contradict or conflict with any provision contained herein without the City first having obtained the express written consent of the Lessee.

21. Cancellation and Termination by Lessee. This Lease may be cancelled and terminated by Lessee upon sixty (60) days written notice to the City, in such cancellation and terminations by reason of the City's permanent abandonment of the Airport or the breach of the City or any of the provision of this Lease and the failure of the City to (i) commence compliance with such provisions within sixty (60) days after receipt of written notice of such breach from Lessee; or (ii) to pursue diligently after such commencement the faithful performance, keeping or observation of such provisions; then Lessee shall have the right to recover from the City all actual damages sustained by Lessee as a result of such abandonment or breach.

22. Arbitration. The parties must submit all controversies under this Lease to arbitration in Las Cruces, New Mexico, according to the rules and practices of the American Arbitration Association then in force. This

submission and agreement to arbitrate shall be specifically enforceable. Arbitration may proceed in the absence of any party if notice of the proceedings have been given to such party. The parties agree to abide by all awards rendered in such proceedings. Such award shall be final and binding on all parties to the extent and in the manner provided by the New Mexico Rules of Civil Procedure. All awards may be filed with the clerk of one or more courts, state or federal, having jurisdiction over the party against whom such an award is rendered or his property as a basis of judgment and of the issuance of execution for its collection. No party shall be considered in default hereunder during the pendency of arbitration proceedings relating to such default.

23. Attorney's Fees and Costs. If, notwithstanding any provisions herein appearing to the contrary, suit is brought by either the City or Lessee to enforce any provision of this Lease, or to recover damages for the breach of any provision in this Lease, the prevailing party shall be entitled to recover from the non-prevailing party in such lawsuit all costs of preparation for and conduct of such lawsuit, including reasonable attorney's fees.

24. Miscellaneous

A. Governing Law. This Lease shall be deemed to have been made in and shall be construed in accordance with the laws of the State of New Mexico.

B. Paragraph Headings. The paragraph headings contained herein are for convenience in reference only, and are not intended to define or limit the scope of any provision of this Lease.

C. No Personal Liability. No Councillor, officer, or employee of the City nor any officer, agent or employee of the Las Cruces International Airport, or officers and agents of Lessee shall be held personally liable under this Lease or because of its enforcement or attempted enforcement.

D. Entire Agreement. This Lease covers and includes the agreement between the parties and there are no promises, representations, warranties, conditions, terms or obligations other than those contained herein. Lessee has read and understands the whole of this Agreement and now states that no representations, promises or agreements not expressed herein have been made to induce the Lessee to enter into it. This Lease may not be altered, changed, or amended or in any way modified without the express written consent of both parties.

E. Severability. Any covenants, condition or provision herein contained that is held to be invalid by any court or competent jurisdiction shall be considered deleted from this Lease, but such deletion shall in no way affect any other covenant, condition or provision herein contained, so long as such deletion does not materially prejudice the City or Lessee in their respective rights contained in the valid covenants, conditions or provisions of this Lease.

F. Eminent Domain.

(1) In the event that all or substantially all of the leased premises or any material portion of the Airport premises or facilities outside the leased premises which Lessee is entitled to use pursuant to this Agreement shall be appropriated or taken under the power of eminent domain, or by purchase in lieu thereof, at any time during the lease term so as to substantially interfere with Lessee's operations as an operator, this Agreement may be terminated by Lessee as of the date that title to the property taken vests in such condemning authority. In the event of a condemnation of, or including the leased premises, Lessee shall be entitled to the monetary award attributable to the condemnation or purchase of the Lease. In the event the parties cannot determine whether or not substantial interference has occurred, the parties shall submit the matter to arbitration.

(ii) In all instances of an appropriation or taking of a portion of the leased premises under the power of eminent domain, or purchase in lieu of this Agreement, Lessee shall restore as promptly as practicable and to the extent permitted by application of the proceeds paid by the condemning authority pursuant to any exercise of such power of eminent domain, the remaining portion of the leased premises to a condition which will permit Lessee to substantially carry on its operations as an operator. Any condemnation proceeds not required for the purposes of restoration shall belong to Lessee. In the event Lessee elects not to terminate this Agreement, effective as of the date of such taking, the rental payable hereunder shall be wholly abated during any time Lessee is unable to substantially carry on its operations, and upon restoration and resumption of Lessee's operations as an operator, the rental payable hereunder shall be reduced in the same proportion which that portion of the leased premises so taken bears to the entire area of the leased premises prior to such taking.

(iii) In the event of any taking of the leased premises by a condemning authority, the City agrees to make available to Lessee for similar activities other property in an amount substantially similar to the amount taken (to the extent available) at the Airport. Such property, if desired by Lessee, will be leased to Lessee pursuant to terms and conditions similar to those contained herein.

G. Utilities: Burden of Installation. Lessee shall obtain and install underground at its own expense any necessary electrical or any other utility service, subject to the Development Guidelines, rules and regulations or building codes of the State of New Mexico and the City of Las Cruces.
