Council Action and Executive Summary

Item # *7 Ordinance/Resolution# 09-288 Council District: N/A

For Meeting of June 1, 2009
 (Adoption Date)

TITLE: A RESOLUTION AUTHORIZING THE CITY OF LAS CRUCES TO CONTINUE TO ACT AS THE FISCAL AGENT FOR THE MESILLA VALLEY SAFETY COUNCIL AND TO SUBMIT AN APPLICATION FOR A GRANT IN AN AMOUNT NOT TO EXCEED \$60,627.67 TO THE NEW MEXICO DEPARTMENT OF TRANSPORTATION.

PURPOSE(S) OF ACTION: To allow the City of Las Cruces to apply for, accept, and act as the fiscal agent on behalf of various governmental entities of Dona Ana County, a grant from the Traffic Safety Bureau in the amount of \$60,627.67.

Name of Drafter: Richard Ferrary		Department: Police Department		Phone: 528-4200	
Department	Signature	Phone	Department	Signature	Phone
Originating Department		528-4200	Budget		2300
			Assistant City Manager		2271
Legal		2128	City Manager		2076

BACKGROUND / KEY ISSUES / CONTRIBUTING FACTORS: Community DWI funds are generated by a \$75 fee assessed to each DWI-related conviction. The funds are credited to the governmental entity most closely affiliated with the sentencing court. If one or more of those governmental entities follow the rules set out by the Traffic Safety Bureau, that funding is returned to those entities, but may only be used to combat DWI-related issues in that geographic area. Money not applied for is permanently lost.

The Mesilla Valley Safety Council (MVSC) was established in the 1980s (and prior to the availability of these funds) to try to address various traffic safety issues in Dona Ana County. Each year it evaluates a variety of proposals and recommends activities it believes will impact the rate of DWI and reduce binge and underage drinking. The MVSC is the local task force that oversees the program aspects of CDWI funding. The Task Force is composed of persons representing the entities and agencies listed in the Information and Authorization Form included as part of draft "Exhibit A," Grant Application. The City of Las Cruces, as the fiscal agent, administers the grant as per a proposed Memorandum of Agreement with Dona Ana County, the Town of Mesilla, the Village of Hatch and the City of Sunland Park, also included in Exhibit A.

(Continue on additional sheets as required)

This grant requires no matching funds on the part of the City. The MVSC uses a part time Project Manager, a position required by the Traffic Safety Bureau, in order to properly administer the grant. Grant funds may not be used to pay for the services this person provides.

The MVSC sought and received numerous proposals for the fiscal year beginning July 1, 2009. Any entity or organization which works to reduce DWI or binge and underage drinking was invited to apply for funding. Each proposal was reviewed by the MVSC, acting as a review committee. The goal of the review was to initiate activities or programs in as many areas of the county as possible and to increase its focus on combating binge and underage drinking.

The MVSC, at its regularly scheduled meeting on April 21, 2009, discussed each proposal for grant funds and makes the following recommendations:

- 1. \$28,629.45 to the Las Cruces Police Department: \$12,919.05 for saturation patrols and \$15,710.40 for underage enforcement activities, including cops in shops, party patrols, stings and shoulder taps.**
- 2. \$2,000 to the District Attorney's Office for assistance in producing an informational calendar to be made available to all area 8th graders in Doña Ana County. The messages included in the calendar concern drug use, violence, gangs and alcohol use.**
- 3. \$12,885 to J & R Enterprises for continued involvement in and development of the Underage Drinking Prevention Coalition and other County-wide activities to combat binge and underage drinking.**
- 4. \$5,000 to the Village of Hatch for overtime to conduct saturation patrols throughout the year.**
- 5. \$10,620 to Doña Ana Action for Youth to conduct several high school based binge and underage drinking programs at high schools in Anthony, Santa Teresa, area Las Cruces high schools and additional schools as funding permits.**
- 6. \$1,493.22 to the Project Manager for travel, per diem, advertising, office supplies, and other miscellaneous expenses to carry out the above program.**

SUPPORT INFORMATION:

- 1. Resolution**
- 2. Exhibit "A" Draft Project Agreement (including attachments)**

(Continue on additional sheets as required)

OPTIONS / ALTERNATIVES:

1. **Approve as presented: Will allow the application process to continue with the proposed expenditures recommended by the Mesilla Valley Safety Council.**
2. **Do not approve the Resolution: City and all other County governmental entities will not be eligible for the grant funds and they will be retained by the Traffic Safety Bureau.**
3. **Modify the Resolution: Council may modify as it sees fit. However, this may require the other governmental entities to re-assess their participation and/or may delay the application's submission past the established deadline. Both of these alternatives present unknown risks.**

This Agreement is effective on the 1st day of July, 2009 but is not a valid and binding Agreement until executed by all parties thereto. The parties agree as follows:

To file a joint application to the New Mexico Department of Transportation, Traffic Safety Bureau for funding of a comprehensive Community DWI Prevention Program that reflects an integrated approach to our mutual problem of driving while intoxicated, binge and underage drinking.

The Cities of Las Cruces and Sunland Park, Town of Mesilla, Doña Ana County, and the Village of Hatch agree to combine their funds and resources in achieving a common goal of removing DWI from the streets and highways of Dona Ana County, and reducing underage drinking, thus reducing highway traffic crashes that are alcohol related.

The City of Las Cruces agrees to be the fiscal agent to apply for the grant funds, and the other parties to this Agreement consent to this arrangement. The total amount of funding available is \$ 80,894.97, including funds allocated to and administered by the New Mexico State Police.
