### BACKGROUND / KEY ISSUES / CONTRIBUTING FACTORS:

In 2002, the City of Las Cruces Fire & Emergency Services Department and the Community Development Department initiated the "East Mesa Re-addressing Project" in order to increase better response times to emergencies within the East Mesa area. On June 1, 2009, Resolution 09-289 was approved to exempt the East Mesa readdressing project from the guidelines set forth in Resolution 80-337 (Naming of Streets and Issuing of Addresses) and Resolution 338 (The Street Name Change Policy) (see Attachment "A"). The rigid guidelines set forth with Resolution 80-337 and 80-338 have created hardships for staff when attempting to resolve address or street name conflicts in the East Mesa area. These conflicts may have adverse impacts on the health, safety, and general welfare of the public by creating confusion for emergency personnel responding to calls for immediate assistance. Resolution 09-289 streamlined the process. The exemption for the "East Mesa Re-Addressing Project" allows the following flexibility: (1) addressing of properties located along access easements or other non-dedicated or partially dedicated rights-of-way; (2) naming of access easements or other non-dedicated or partially dedicated rights-of-way; and (3) renaming of problematic dedicated, non-dedicated, or partially dedicated rights-of-way through a streamlined process for the purpose of ensuring that the public's health, safety, and general welfare is not compromised. The process also allows for requests for street name changes in the East Mesa area to go directly to City Council for decision which eliminates the case being heard by the Planning and Zoning Commission.

City staff is currently facilitating the fourth phase of the readdressing project which is the Hacienda Acres neighborhood area. The Hacienda Acres neighborhood is generally located south of Highway 70 and north of Aldrich Road between Porter Road and Dunn Drive.

The readdressing project for the Hacienda Acres area has been broken into two sections. Section One is located between Reynolds and Cortez Drive, from Porter Road to Dunn Drive; Section Two is located between Cortez Drive and Aldrich Road, from Porter Road to Dunn Drive. City staff has identified eleven streets in these two sections that are either duplicates or similar to other street names located within the City or Dona Ana County. They are as follows: Cortez Drive, Davis Road, Douglas Avenue, Lee Avenue, Montezuma Avenue, Morningside Road, Pecan Court, Pecan Lane, Reyna Court, Shannon Road, and Stagecoach Lane.

City staff conducted three public input meetings at the East Mesa Recreation Center to discuss the continuation of the "East Mesa Re-addressing Project" with residents in the Hacienda Acres area. The public meetings were held on May 6, 2009, June 3, 2009 and July 22, 2009. Residents were informed of the numerical changing of their address to conform to the addressing grid for the East Mesa area. City staff also discussed the renaming of streets in this area that conflicted with street names in other areas of the City and Dona Ana County. Street name suggestions from the residents were gathered at the meetings (see Attachment "B"). Staff checked the suggested new names for appropriateness and duplication and created a final list to be used for a survey.

On August 26, 2009 City staff conducted a survey for the renaming of the eleven streets, (see Attachment "C"). The survey was mailed to 466 residents in the Hacienda Acres area. The residents were asked to give their first, second and third choice for the renaming of each of the eleven streets identified in the Hacienda Acres area from the names they provided from previous public input meetings. City staff received responses from 81 residents. From the response received, no consensus was reached from the survey. The following chart illustrates the survey results.

On January 5, 2010, City staff met with the newly elected Councillor for District 5, Councillor Gil Sorg, to inform him of the East Mesa Re-addressing project. Due to the complexity of the survey results, it was decided by staff and the Councillor to focus the street name changes only in Section One which is the area bordered between Reynolds and Cortez Drive and Porter Road and Dunn Drive. The duplicate or similarly-named streets identified in this area are Douglas Avenue, Lee Avenue, Morningside Road and Stagecoach Lane.

It was suggested by staff and the Councillor that an additional public input meeting was needed to discuss the survey results with the residents of this area. A public input meeting was held on Wednesday, February 24, 2010 at the East Mesa Recreation Center. At this meeting, the public requested a new survey be conducted that allowed only the people that lived and/or owned property to vote on the name change for the street their property fronted. The residents also requested a "No Change" option added to survey which would allow residents to vote for no change of their street name.

On March 5, 2010, City staff conducted a revised survey for the renaming of the four streets – Douglas Avenue, Lee Avenue, Morningside Road and Stagecoach Lane (see Attachment "D"). The survey was mailed to the 88 property owners that were identified on the four streets listed above. The residents were asked if they wanted a street name change and to select a replacement street name from the list provided or provide an alternate choice. City staff received 52 responses. From the responses received, it was noted that the residents on

Morningside Road (south of Cortez Drive) preferred a street name change to Possee Creek. The residents on the other three streets preferred that there be no street name change.

### SURVEY #2 - March 5, 2010

Current Street Name	Proposed Name 1 <sup>st</sup> Choice	Proposed Name 2 <sup>nd</sup> Choice	Proposed Name 3 <sup>rd</sup> Choice
Douglas Avenue	No Change	Rossman	N/A
Lee Avenue	No Change	Churchill and Rising Sun (tied)	Verde

Stagecoach Lane	No Change	Wild Bill	Montana Bella, Rising Sun, Ruellia (tied)

\*Responses received are a typographical error; it should state "Possee Creek".

### RECOMMENDATION:

In the past year, considerable effort was taken by various City departments in working with the residents within the Hacienda Acres neighborhood. The residents understand that there will be a numerical change to their street address to provide numerical consistency within the larger East Mesa area. The residents also understand that there are numerous street names within the Hacienda Acres neighborhood as well as the larger East Mesa area that are either duplicate street names or similarly-named streets located within the City of Las Cruces and Dona Ana County.

The Fire Department as well as the Mesilla Valley Regional Dispatch Authority (MVRDA) encourage that positive efforts be taken to clarify both the numerical inconsistency and street name duplication within the East Mesa area. This will assist emergency service providers in locating residents as well as assist in improving emergency response times.

From the four public input meetings that were held with Hacienda Acres residents, it appeared that the residents understood the concern raised by staff from the City of Las Cruces Fire & Emergency Services Department as well as MVRDA. Based off the second survey, the residents on Morningside Road (south of Cortez Drive) would prefer their street name be changed to Possee Creek. The residents along Douglas Avenue, Lee Avenue, and Stagecoach Lane would prefer that their street name not be changed. However, the survey results do indicate that if the street names do need to be changed, the residents have provided a second or third option.

The attached Resolution does not indicate how the four streets are to be renamed. The Resolution will have to be modified at the City Council Land Use meeting to reflect the action, if any, taken by the City Council regarding the changing in street names for Douglas Avenue, Lee Avenue, Morningside Road, and Stagecoach Lane.

**OPTIONS / ALTERNATIVES:**

1. **Modify** the proposed Resolution and vote **YES** to approve the modified Resolution. This action will allow City Council to determine and approve a new street name for Douglas Avenue, Lee Avenue, Morningside Road and Stagecoach Lane.
2. Vote **NO** to deny the proposed Resolution. This action does not uphold the recommendation made by the City Staff and results in Douglas Avenue, Lee Avenue, Morningside Road, and Stagecoach Lane retaining its current street name.
3. Table/Postpone the Resolution and direct staff accordingly.

The City Council is informed that:

**WHEREAS**, the City Council previously adopted Resolution 80-337 (Guidelines for the Naming of Streets and the Issuing of Addresses) and Resolution 80-338 (Street Name Change Policy) establishing policy on addressing and street naming within the City of Las Cruces; and

**WHEREAS**, these existing policies prevent staff from issuing addresses along or street names for road easements, non-dedicated, and partially dedicated rights-of-way; and

**WHEREAS**, these policies do not allow staff the opportunity to promptly correct addressing or street naming inconsistencies necessary to help guarantee the health, safety, and general welfare of City residents; and

**WHEREAS**, staff has initiated the East Mesa Re-Addressing Project and identified several conflicts involving both addressing and street naming; and

**WHEREAS**, in order to successfully complete the project in a timely manner, exemption to established policy and new criteria outlining emergency street naming and addressing procedures are necessary.

**NOW, THEREFORE**, Be it resolved by the governing body of the City of Las Cruces:

**(I)**

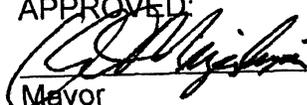

**THAT** City Council hereby approves an exemption to existing addressing and street naming policy and the creation of emergency street naming and addressing procedures as identified in Exhibit "A," attached hereto and made part of this Resolution.

**Exhibit "A"****EAST MESA RE-ADDRESSING PROJECT  
EMERGENCY ADDRESSING AND STREET NAMING GUIDELINES****Introduction**

Fire and Emergency Services personnel, with assistance from the Community Development Department, have initiated the East Mesa Re-Addressing Project (see attached map) as a means of rectifying addressing conflicts in the project area. This became necessary so that emergency personnel (fire, police, and medical) could be better equipped to respond to calls for assistance and locate applicable properties.

In the planning and organization stage of the project, staff identified several procedural barriers that would prevent the completion of the project in a timely and thorough manner. These barriers were found in the established policies (Resolution 80-337 and Resolution 80-338) that prevented the City from conducting the following tasks:

1. Issuing addresses along non-dedicated roadways or easements;
2. Naming non-dedicated roadways or easements; and
3. Streamlining the renaming process for dedicated or non-dedicated streets.

In as much as project success relied on the relaxation of existing policy, an exemption to active policy and a streamlined street naming approach was sought from the City Council for this project only.

**Applicability**

Through City Council adoption of this policy, an exemption to established addressing and street naming procedures is hereby authorized allowing staff to:

1. Issue addresses along non-dedicated roadways or easements;
2. Name non-dedicated roadways or easements; and
3. Streamline the street naming process for dedicated or non-dedicated streets.

These allowances are hereby authorized pursuant to the East Mesa Re-Addressing Project only and will cease upon the completion of the project. Furthermore, these actions may be implemented either the Fire Department, Police Department, Mesilla Valley Regional Dispatch Authority (MVRDA), or the Community Development Department determine that such actions are necessary to maintain or improve public health, safety, and general welfare concerns. Provisions contained herein **do not** apply to new subdivision proposals submitted

for approval through the City subdivision process. New subdivision proposals shall follow all pre-existing procedures for the addressing of parcels and naming of streets.

### **Addressing/Street Naming Provisions**

**Assignment or reassignment of addresses.** All addresses assigned or reassigned shall follow the approved address grid for the City. Established guidelines regarding the use of odd and even numbering shall be maintained as appropriate. When applicable, addresses may be assigned/reassigned along roadways that are not dedicated or only partially dedicated. For purposes of this project, numeric address stickers (provided by the City) will be posted on each side of a mailbox already located on the subject property adjacent to the roadway. When no mailbox exists, the stickers may be placed on adequate backing material and posted on the property adjacent to the roadway. Numeric stickers supplied by the City will not be used for placement on buildings. The property owner shall be responsible for any placement of new numbers or modification to numbering already attached to any structure located on the property.

**Assignment or re-assignment of street names for non-dedicated or partially dedicated streets.** When it has been determined that properties are located along non-dedicated or partially dedicated roadways, the City may initiate the street naming process. If a name exists, but is in conflict with accepted street naming conventions (duplicate name, similar spelling or phonetic pronunciation to any street located in the City or County, etc.), the process to rename the roadway should be initiated. This is to ensure that all subject property is assigned a proper address, free of any street name conflict, and that its geographic location can easily be determined. If a name is ultimately approved, and if placement of a street sign is feasible, said sign should be of a different color than those used elsewhere in the City for dedicated and City maintained rights-of-way. A uniform color/design should be used for all such non-dedicated or partially dedicated roads. Duplication of color/design with those used in the County or Town of Mesilla should be avoided. The intent is to allow for the easy identification of those City roadways that are not dedicated to, accepted by, or maintained by the City.

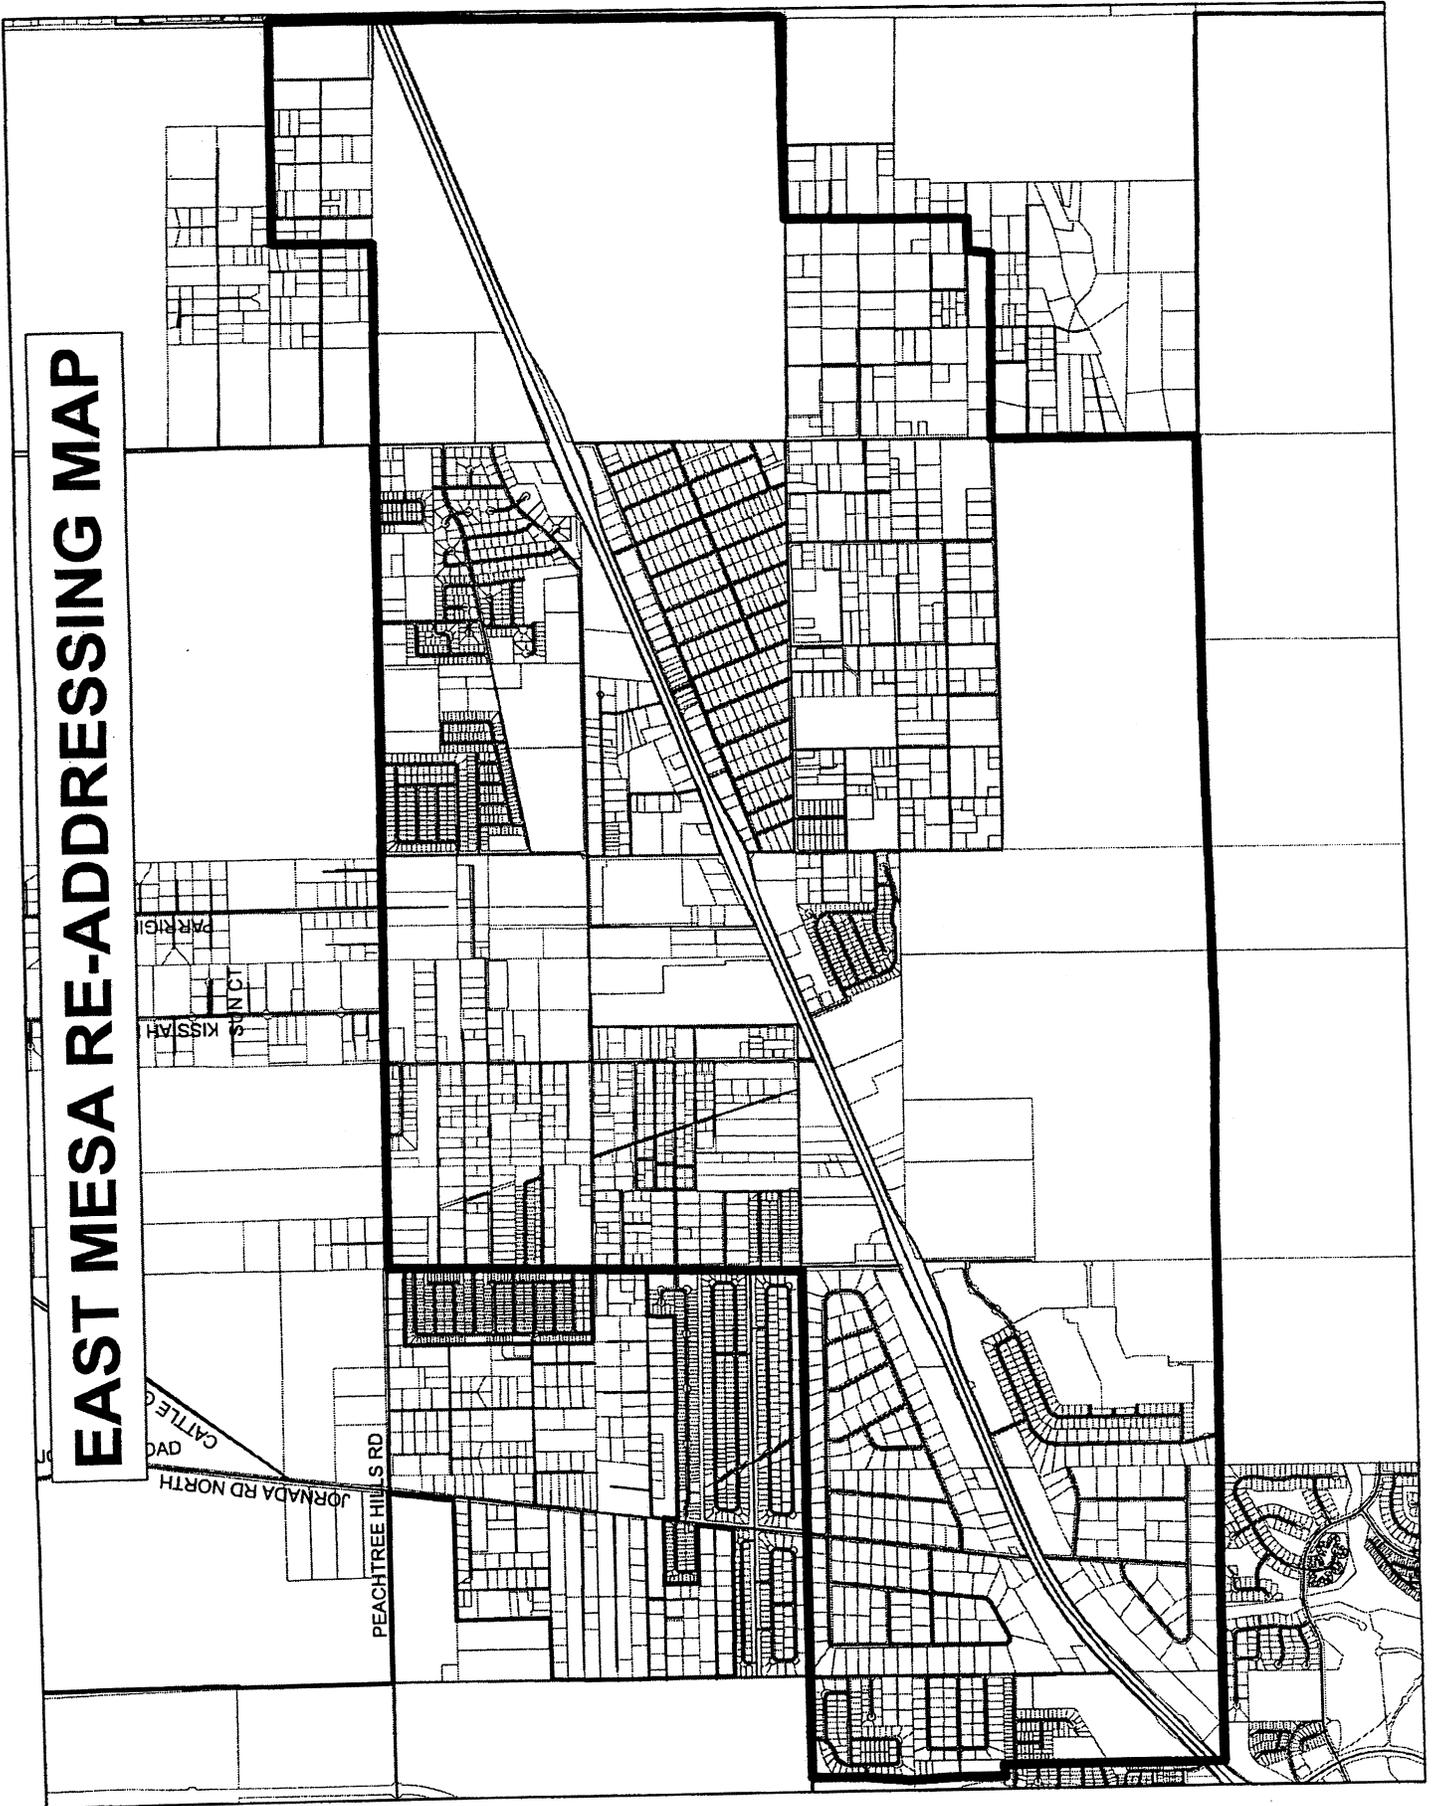

**Assignment or re-assignment of street names for dedicated rights-of-way.** When it has been determined that an existing street name is in conflict with street naming conventions (duplicate name, similar spelling or phonetic pronunciation to any street located in the City or County, etc.), the City may initiate the street naming process. This is to ensure that streets within the project area have unique names that will be consistent with naming conventions and that ultimately help emergency personnel locate property quickly and avoid confusion when called for assistance.

**Street naming/renaming process.** All street naming/renaming requests pursuant to this policy shall be forwarded directly to the City Council. When it is determined that properties either front or gain access from a dedicated or non-dedicated street/roadway, affected property owners (as shown by the records of the County Assessor) shall be notified by certified mail of the City's intent to name or rename the street or roadway. Residents, if different than the property owner shall be sent similar notification via regular mail. Said notification shall clearly convey all relative information regarding the pending action. The notification should invite affected parties to attend and provide input at the City Council meeting held to either approve or deny the proposed naming or renaming action. Mailed notification shall be mailed at least ten (10) days prior to the City Council meeting. Notice indicating time and place of the meeting shall be published at least fifteen (15) calendar days prior to the meeting in a newspaper of general circulation in the City.

It will be the responsibility of the department initiating a naming/renaming request to process and complete all necessary actions pursuant to this policy and any companion policy. This should include notification to affected property owners and residents if different than the owner of any name change approved by the City Council. In any case, the Community Development Department shall be notified of any resulting change. The Community Development Department shall then update applicable records and distribute letters to affected public and private utilities, emergency organizations, the local post office, and the Dona Ana County Assessor's Office informing them of any change.

**Suggested street names.** For street names, the City when feasible, attempt to use street names consistent with the World War II theme. This is intended to provide some consistency with street names that have been in use for several years (i.e. Midway) and those adopted (i.e. Bataan Memorial East and Bataan Memorial West). In every instance, all applicable street naming conventions shall be considered before processing a street name forward to the City Council.

RESOLUTION APPROVING GUIDELINES FOR THE NAMING OF STREETS AND THE ISSUING OF ADDRESSES

The City Commission is informed that:

The need has arisen to improve the organizing of street names and addresses for better location identification and improved public safety.

The Planning and Zoning Commission, at its regular meeting of January 24, 1978, recommended approval of these guidelines for street naming and addressing.

NOW THEREFORE, the City Commission of the City of Las Cruces New Mexico determines, resolves, and orders as follows:

(1)

THAT in accordance with the recommendations of the Planning and Zoning Commission that the guidelines for the naming of streets and the issuing of addresses are hereby adopted.

(2)

THAT City Staff and officials are authorized and directed to execute appropriate documentation, and to do all acts and deeds necessary in the accomplishments of the hereinabove.

DONE AND APPROVED this 19th day of May, 1980.

# DIRECTIONAL DESIGNATION

The Las Cruces addressing pattern develops from a central intersection at Main Street and Griggs Avenue. This intersection marks the change for East/West and North/South designation. The numbers radiate from this central point. Even numbers, starting with 100, increase from this point and will always be on the right side of the street. Odd numbers, starting with 101, increase from this point and will always be on the left. See figure 1.

NUMBERING SEQUENCE

At present, the Planning Department uses the following criteria to determine the numbering sequence for assigning and reassigning addresses throughout the City.

Each hundred block is approximately six hundred feet in length, allowing for irregularities in street layout, terrain, etc.... The Las Cruces Post Office has suggested that subdivisions stagger addresses so that each hundred block does not begin with the same number for instance; 00, 02, 04. As shown in figure 2.

## STREET NAMES - GENERAL INFORMATION

## I. STREET NAME LOCATION CALLS

Street name location calls are referred to the street name/number coordinator. A description of the location of these streets is found in the Master Street Name File.

## II. MASTER STREET NAME FILE

- A. Cards are not to be removed from this file. Any proposed changes or corrections to the cards should be reported to the street name/number coordinator.
- B. Street names shall be entered in the file as soon as possible after the subdivision map has been filed with the County Clerk. This list shall include, whenever possible, the names of all streets in the City of Las Cruces, including private drives and roads within the five mile extra-territorial planning area.
- C. A tentative file, listing names in active unfiled subdivisions shall be maintained. These names shall be removed from the file after three years if they have not been used in a filed subdivision being considered by the City Planning Commission. **F**

## III. NEW NAMES PROPOSED

Proposed street names for new subdivisions are usually submitted in writing from the consulting engineers. If these names are submitted by telephone, it is required that the engineer give the spelling proposed. After the proposed names are checked (see V) the approved names are relayed to the engineer; usually by telephone or letter. The approved names are then entered in the Tentative Street Name File.

## IV. GENERAL GUIDELINES

- A. A street shall be defined as a dedicated, public right-of-way for vehicular and pedestrian traffic.
- B. Unless very unusual circumstances warrant, no alley shall be assigned a street name.
- C. If a street is divided by a man-made obstacle, such as a school, church, interstate highway, shopping center, park, etc., and in all probability, it will never be extended through the barrier, the continuation of the street across the barrier should be considered a separate street and have a different name.
- D. If an existing street is or will be continued through a city park, the name of the street shall be continued also.
- E. If a street is off-set by more than 125 feet, it will be considered a separate street and shall require a different name.

- F. If a street divided for more than one block by a natural barrier, arroyo, or topographical characteristic, it will be considered a separate street and require a different name.
- G. If a street is divided for more than one block by vacant land with potential to be developed, the street name should be continued to allow for uniform connection.
- H. If a street is divided by a railroad but there is a crossing within five blocks in both directions, the street name should be continued.
- J. If a street changes direction at an angle of more than 45 degrees, it will be considered a separate street and shall be given a different name.
- J. Frontage Roads.
  1. Definition: A local street which is parallel to and adjacent to another street, normally a highway or freeway.
  2. Each frontage road shall have the same name continuously throughout its length.

#### V. CHECKING PROCEDURES FOR PROPOSED NEW NAMES

##### A. General Procedure

Proposed new names shall be checked against the Master Street Name List and Tentative Street Name File. The proposed new name must not conflict in any way with any name in the previously mentioned lists.

##### B. Conflicts

1. Direct Duplication: A proposed new name must not directly duplicate any known name in the City of Las Cruces, or extra-territorial area, OR COUNTY.
2. Phonetic Duplication: Proposed names must be checked for any possible phonetic duplications.  
EXAMPLES: Bird and Byrde or Wendale and Wendell.
3. Closeness in Spelling: Proposed names must not conflict with existing names by nature of closeness in spelling.  
EXAMPLE: Locus and Locust.
4. Length of Word: The proposed street name shall not exceed 13 letters (or spaces) unabbreviated.
5. Type of Word: The proposed name, whether Spanish or English, shall be checked with any available source to determine if the name according to local usage, is a proper, respectable word. Obscene, comical, or questionable names will not be used.  
EXAMPLES: Trottoe, Lollipop, Grumpy, Manteca. (lard). Hog, etc.

6. **Pronunciation:** The name should be reasonably uncomplicated and easy to pronounce.  
**CONSIDER:** If the name should be pronounced by someone unfamiliar with the word, would the most logical mispronunciation conflict strongly with any existing name?
7. **Correct Spelling:** If the name is submitted with incorrect spelling, the proper spelling should be secured from any available source and substituted. Otherwise, confusion results in misspelling.  
**EXAMPLE:** Colett and Collette.
8. **Confusion Factors:** If the proposed name does not directly duplicate any existing name, but the first or last syllable has been used many times, the name could lead to confusion.  
**EXAMPLES:** Roseway, Rose, Rosebud, Red Rose, Rosen Dewmont, Parkmont, Skymont, Crestmont, etc.
9. **Spanish-English**
  - a. Due to the bilingual character of this area, no street name should be allowed which, when translated, duplicates an existing Spanish or English name.
  - b. When Camino or Calle are used, the word Road or Street should not be used.

## RESOLUTION NO. 80-338

A RESOLUTION APPROVING THE  
STREET NAME CHANGE POLICY

The City Commission is informed that:

In the past, the City Commission and City Staff have had to deal with confusing cases of street name changes.

The City Staff does not have an established policy concerning street name changes with which to follow.

The City Commission recognizes the need to establish a policy addressing the problem of street name changes.

The Planning and Zoning Commission at its regular meeting of April 22, 1980, recommended approval of this street name change policy.

NOW THEREFORE, the City Commission of the City of Las Cruces, New Mexico, determines, resolves and orders as follows:

(1)

THAT in accordance with the recommendations of the Planning and Zoning Commission that the guidelines for the naming of streets and the issuing of addresses are hereby adopted.

(2)

THAT City Staff and officials are authorized and directed to execute appropriate documentation, and to do all acts and deeds necessary in the accomplishment of the hereinabove.

DONE AND APPROVED this 19th day of May, 1980.

**CHANGES OF STREET NAMES****PETITION**

The person initiating a street name change shall present to the City Planning Department a petition with signatures of 75% of the persons who own property which fronts on or is adjacent to the subject street. The petition shall be based on one signature requirement per parcel of property. The petition must be dated and have a current mailing address of all petitioners.

**FEE**

A fee of \$250.00 will be charged at the time of submission of petition for a street name change. If it is determined, upon verification of ownership, that the petition does not have a sufficient number of signatures to meet the requirements, then the City Planning Department will notify the representative of the petitioners by registered mail. The representative will be given ten (10) days from receipt of the registered letter to acquire the sufficient number of signatures. If the required percentage of signatures is not presented, then the petition will be voided.

**PUBLIC NOTICE**

A public hearing shall be required by both the Planning and Zoning Commission and City Commission. The petitioners shall be responsible for notification in a newspaper of general circulation in the City of Las Cruces, and shall provide proof of publication to the Planning Department. Included in the publication shall be a list of the petitioners, the existing and proposed street name and general description. Notice must be published fifteen (15) days prior to consideration by both the Planning and Zoning Commission and the City Commission.

City Planning staff will send letters of notification to all property owners fronting on or adjacent to the subject street name change. Landowners shall be responsible for notification of tenants of the pending action, and shall provide the City Planning Department with a list of current tenants and addresses.

Upon final approval of the street name change by the City Commission, the City Planning staff shall send notice of the change to:

1. All property owners and tenants fronting on or adjacent to the subject name street.
2. Pertinent governmental agencies, and
3. Local utility companies.

#### RECONSIDERATION AND SUBSEQUENT CHANGES

Subsequent proposals to change the name of streets will not be permitted for one (1) year from the date of acceptance or denial by the City Commission.

#### PROTEST

Qualified protests shall include any property fronting on or adjacent to the subject street, as reflected on the most current tax rolls of the Dona Ana County Assessor. The protest will be based on one (1) vote per parcel of property.

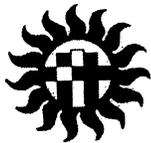

#### CITY INITIATED STREET NAME CHANGE

If just cause can be shown to the Director of the Planning Department that a street name change would benefit the City from a public safety aspect, then he may waive the petition process and initiate the street name change.

The Planning Department shall have the responsibility of notifying by registered mail all property owners who front on or are adjacent

to the subject street and shall be responsible for public notification in a newspaper of general circulation in the City of Las Cruces prior to the required public hearings, (see public notice on page 1.)

## Council Action and Executive Summary

Item # \*8 Ordinance/Resolution# 09-289 Council District: 5

For Meeting of June 1, 2009  
(Adoption Date)

**TITLE:** A RESOLUTION AUTHORIZING EXEMPTION TO THE GUIDELINES FOR THE NAMING OF STREETS AND THE ISSUING OF ADDRESSES (RESOLUTION 80-337), THE STREET NAME CHANGE POLICY (RESOLUTION 80-338) AND ESTABLISHING EMERGENCY ADDRESSING AND STREET NAMING POLICY FOR THE EAST MESA RE-ADDRESSING PROJECT.

**PURPOSE(S) OF ACTION:** Seek an exemption to Resolution 80-337 and Resolution 80-338 for the purposes of re-addressing and re-naming dedicated, non-dedicated, or partially dedicated rights-of-way for the East Mesa Re-Addressing Project.

Legal	<i>[Signature]</i>	541-2128	City Manager	<i>[Signature]</i>	541-2076

**BACKGROUND / KEY ISSUES / CONTRIBUTING FACTORS:**

In 1980, the City approved Resolution 80-337 (Guidelines for the Naming of Streets and the Issuing of Addresses) and Resolution 80-338 (Street Name Change Policy) establishing policy for both street naming and addressing within the City of Las Cruces. These policies have rigid guidelines with virtually little flexibility in responding to procedural requirements thus, creating hardships for staff when attempting to resolve address or street name conflicts. These conflicts can have adverse impacts on the health, safety, and general welfare of the public by creating confusion for emergency personnel responding to calls for immediate assistance.

Present policy dictates that staff conducts an extensive public notification/participation process particularly for the naming or renaming of streets. Additionally, policy restricts staff from issuing property addresses along or street names for non-dedicated rights-of-way. Due to these restrictions, corrective action becomes time consuming and expensive when considering advertising costs and staff resources necessary to process street names through both the Planning and Zoning Commission and City Council.

Currently, Fire and Emergency Services staff is engaged in the East Mesa Re-Addressing Project which seeks to (1) establish addresses for all properties within the East Mesa project

(Continue on additional sheets as required)

area (primary focus on developed properties); (2) establish street names for non-dedicated or partially dedicated rights-of-way when said rights-of-way serve as access for individual or groups of properties; and (3) rename existing streets that violate policy due to name duplication or spelling/phonetic similarities with others streets in the City or County.

In order to facilitate this project, staff is seeking an exemption to active policy allowing the ongoing project to proceed in a timely manner. The exemption would apply to the East Mesa Re-Addressing Project only. As proposed, the exemption allows for the following flexibility: (1) addressing of properties located along access easements or other non-dedicated or partially dedicated rights-of-way; (2) naming of access easements or other non-dedicated or partially dedicated rights-of-way; and (3) renaming of problematic dedicated, non-dedicated, or partially dedicated rights-of-way through a streamlined process for the purpose of ensuring that the public's health, safety, and general welfare is not compromised.

This proposed policy is intended as a temporary measure only for use with the East Mesa Re-Addressing Project. Staff has reviewed existing addressing and street naming policies and has determined that a comprehensive amendment is in order. This effort however, will require additional time and will be processed at a later date. Unfortunately, the timing of this action will not help alleviate procedural concerns associated with the East Mesa Project. As such, staff feels consideration of the proposed exemption policy is warranted at this time.

**SUPPORT INFORMATION:**

Fund Name / Account Number	Amount of Expenditure	Budget Amount
N/A	N/A	N/A

1. Resolution
2. Exhibit "A" – Proposed East Mesa Re-Addressing Project Emergency Addressing and Street Naming Guidelines
3. Attachment "A" – Resolution 80-337 (Guidelines for the Naming of Streets and the Issuing of Addresses)
4. Attachment "B" – Resolution 80-338 (Street Name Change Policy)
5. Attachment "C" – Area Map for East Mesa Re-Addressing Project

**OPTIONS / ALTERNATIVES:**

1. Vote **YES** and approve the Resolution. This action authorizes staff to waive Resolution 80-337 and Resolution 80-338 when conducting the East Mesa Re-Addressing Project. It also establishes a streamlined approach to the naming and renaming of streets when such actions are determined to improve the public's health, safety, and general welfare.
2. Vote **NO** and deny the Resolution. This action does not grant authorization to staff to waive existing address and street naming policy for the East Mesa Re-Addressing Project. Attempts to correct street name conflicts would have to follow lengthy procedural requirements and properties along non-dedicated or partially dedicated rights-of-way would remain incorrectly addressed and problematic for emergency personnel.

(Continue on additional sheets as required)

3. **Modify** the Resolution and vote **YES** to approve the modified Resolution. This action allows modification to the proposed Resolution in any manner the City Council dictates. For example, the Resolution may be amended to allow staff the authority to address property along non-dedicated or partially dedicated rights-of-way, but not amend the street naming process.
4. Table/Postpone the Resolution and direct staff accordingly.

To: Helen Revels,

I am writing to you,  
 about the changing of street  
 names.

My husband, was paid by  
 Jeff Hooker in 1969 and 1970's  
 to rough out all of these roads at  
 the time, He came off of Hiway 70  
 a two lane, where we got our mail.

We moved here in September of

**Subject:** Street names for East Mesa

Dear Ms. Revels,

I have spoken to a couple of my neighbors about the proposed name changes for certain streets in Hacienda Acres, and was at the last meeting for this purpose, and I don't see much interest in offering suggestions for new names. Therefore, I would like to suggest a replacement for my street, Morningside Rd. If there are no better names, and I'm the only person participating, I'd like to suggest "Karlitos Way", or street, or drive or road. As an alternative to this, maybe Klein Rd.. After former Mayer Klein. I'm sure his son Melvin "Sonny" Klein would be very proud.

Thank you for your attention. Sincerely, Karl Schluter

We received a card about Street renaming. We live on Grooms Road (with a mailing address also of 2521 N Main Unit 1-115).

We would really like the name of our street - Grooms Road to stay the same.

Thank you,

My name is Patricio Delgado. Please do not change my street name or my address. This is the only Hacienda Ave. in the whole city. This has been 5254 Hacienda Ave. since 1964. I understand that street names that are similar to street names in town, need to be changed. We have never had any problems with the fire department, police department, or ambulances finding our home. They have always shown up to our residence in a timely manner. Please leave Hacienda Ave. unchanged.

Thank You, Patricio Delgado

I do not want my address changed. To my knowledge no conflict of Hacienda Ave should exist. If a more recent street has been named then name change the newer street.

Hello Helen,

I live on Carter Dr. in the Hacienda Acres area. I sincerely hope that Carter's name does not change. We have a small construction company and it would be a major hardship to change our address, which is printed on business cards and painted on the side of our work trailer, and, of course many other places.  
Why is the city doing this?

Subject: East Mesa Street Name Changes

In response for submitting ideas about the streets in the East Mesa:

I live on Inspiration Lane. Part of the reason that I chose this house over others I looked at when I bought 25 years ago was the street name. So my first choice is of course to leave the street name alone. I can't imagine how resolving a house numbering issue is resolved by changing the name of the street itself.

Second, I'm a computer scientist by trade. I find it pretty incredible that the city has chosen such a 1950's inspired solution to a house numbering problem.

We live in the 21st century, with google maps, GPS, and computer databases for all manner of information about citizens, their addresses, and various accounts. It seems to me that it is totally uninformed to consider jostling the addresses of some hundreds of families, each with their address registered in as many as a dozen businesses and utilities. That can easily involve into the thousands of contacts that have to be made to fix everyone's proposed addresses.

But it only needs to inconvenience a handful of computer database personal to be sure the "current" information and computerized map locations are accurate. In this day and age, a computer should be able to pinpoint a location within milliseconds even if the address and street names were completely random.

After living here 25 years, I've noticed that the electric company seems quite able to find my location, as does the water meter reader, the postman, the fire department, the UPS delivery, and even the pizza delivery man.

So who is the bureaucrat that is bothered by the current arrangement to the point of disturbing hundreds of homes, and likely causing months of issues caused by the disturbance?

We are considering renaming the portion of Morningside Road south of Reynolds and south of Cortez Drive. The Morningside Road that is on the other side of Bataan Memorial would remain the same. I am not sure about the number of signatures for a petition. I do not that we will include any public comment that we receive in our packet to City Council and you can also voice your opinion at the City Council meeting. This case is tentatively scheduled for Monday, October 26 at 5 p.m. at City Hall, located at 200 E. Church St. A notice will be mailed prior to the meeting and it will be advertised in the local newspaper. If you have any other questions, please feel free to contact me.

**RE: East Mesa Street Name Changes**

Dear Resident:

Enclosed please find the survey for the proposal to change various street names in the East Mesa area, most notably, the Hacienda Acres neighborhood. There are ten street names in the Hacienda Acres neighborhood that are duplicate street names within the City of Las Cruces. The City of Las Cruces has hosted three public input meetings to discuss the proposed readdressing of the neighborhood and the re-naming of the ten duplicate streets.

The survey identifies a list of proposed street names that were provided by the residents of the Hacienda Acres neighborhood. Please review the list of street names and complete the enclosed survey. Please provide a *first, second and third choice* for each street name. If you would like to suggest street names that are not on the list, please feel free to do so.

**Please complete the attached eleven (11) question survey and return it to the Community Development Department by 5 p.m. on Monday, September 14, 2009.**

You may fax the survey to my office at (575) 528-3155. You can also complete the survey online at [www.las-cruces.org/cd/](http://www.las-cruces.org/cd/) or you can email your response to me at [helenr@las-cruces.org](mailto:helenr@las-cruces.org), and last but not least, you can return the survey by mail using the enclosed pre-paid postage envelope to: Community Development Department, Attn: Helen Revels, P. O. Box 20000, Las Cruces, NM 88004.

The proposed street name changes must go before the Las Cruces City Council for final authorization. The proposed street name changes will go to the October Land Use Meeting on Monday, October 26, 2009. This meeting will be held at 5 p.m. in Council Chambers located in City Hall at 200 E. Church Street. If you have any questions, please feel free to contact me at (575) 528-3043. *Si necesita ayuda con este forma, por favor llame a la oficina a (575) 528-3043. Gracias.*

City staff thanks you for your participation.

SUBJECT: E. MESA St names (ATTEN: HELEN REVELS)

1. I spoke with you several weeks ago suggesting that my daughter's name be added to the list of names in consideration for street names in the Hacienda neighborhood. I offered to send in info in writing but you indicated it was not necessary. Needless to say I was surprised to ~~not~~ finding her name ~~included~~ included.

2. She was a young school age girl who lived, worked and raised in the Hacienda Area. Went to Las Cruces public schools, graduated from N.M. State U. She was so impressed with Las Cruces and the E. MESA that she wanted her cremated ashes spread over the area when she died. She died of cancer 3 March 2009 and her wishes were carried out in May of this year.

3. I realize that you cannot make everyone happy with a project like this but thank you for trying.

4. The attached information is an attempt to recognize some of her contributions to her community here

P.S. I CHOOSE NOT TO PARTICIPATE

**Subject:** Victoria Chidester - Memorial Bench

Friends,

It has been almost 4 months since the passing of Victoria. The gifts she shared with all of us and her memory still shines bright in our hearts and minds. We are proposing a more permanent gift to her family, friends and the community where she lived in and loved -- a memorial bench. I have attached a copy of the memorial bench program policy and a picture of the proposed bench which will be installed at one of the parks in Wheat Ridge, the cost of the bench is \$1660.00.

I have set up an account at the Wachovia Saving's branch at 32<sup>nd</sup> & Youngsfield, if you are interested in making a donation you may go to any Wachovia branch to make the donation. The account had to be opened in my name, a general accounting of all deposits will go to Ray, and will be available for anyone to review with his permission. At the point the goal is reached, any additional monies collected will be returned to the donor. Please deposit your donation in account # 1010230928080 by putting my name on the deposit slip and your name at the bottom.

There are probably some people we have missed in this email, please pass the information on.

I have also attached a copy of the "Celebration" poster in the pool area at the Wheat Ridge Rec. center.

Respectfully

To whom it may concern

There are some of us that live on disability out here on the East Mesa. Unless you are willing to pay what it costs to change Drivers license's, checking accounts, medical accounts and so on and so on, "Then leave us alone." I can't afford the extra expense's that you put on us during a Recession.

you don't supply our water, our electricity our sewage or even our heating fuel.

"So leave us alone"

I have lived here since 1980. I took care of Mr & Mrs Reynolds who started this subdivision. I think some tribute should be made to their memory. They lived on Stagecoach Ln. and were proud of the street name. I think it should be named after them. I like the name Gerald

I would prefer to keep Cortez Dr. I see no reason to change it after 23 yrs. I think it's more important to have new speed signs or speedbumps and sidewalks after all these years. NONE of those names are in mtout with the southwest except for Bill the Kid. T. Light

Message: Here is my "East Mesa Readdressing Survey". I was out of town when the initial survey was mailed-out, and I greatly regret it, as the list provided by my fellow-residents is, at best, very dissappointing! I have written-in a few alternative names for Cortez & Davis.

Thanks!

RE: Proposed East side (Hacienda Acres) street name changes

In reference to the East Mesa Street Name Changes, I am suggesting some names which are not on the proposed street name change list. These names require a bit of background information.

Las Cruces is rich in local cultural history. We remember our pioneers with street names such as Lohman Avenue, Van Patten St., Hadley St. McFie, etc. Some of our pioneers seem to have gotten lost in the shuffle. Upon my research, I did not find a Rynerson street. William Rynerson was one of our wealthiest early residents, investor, and Agricultural College Board of Regents member. His daughter, Cossette Rynerson, was the first instructor of music at the Agricultural College as well as an accomplished musician and artist. Ms. Rynerson later married my Great Great Grandfather, Joseph (J.A.) "Judge" Lowe, who was the first instructor of classic and modern languages under President Hiram Hadley. J.A. was also an attorney in Las Cruces, El Paso, and Socorro, as well as Assistant District Attorney in Socorro. J.A. "Judge" Lowe's son, a graduate of the A&M College in the civil engineering department formed the New Mexico National Guard in Las Cruces serving as an officer.

J.A.Lowe's grandson, Joseph Walden Lowe, along with his wife Dorothy, donated \$344,000 to the NMSU Engineering Department, which matched the then existing scholarship funds. Joseph Walden (J.W.) Lowe graduated from then New Mexico College of Agriculture and Mechanic Arts with a degree in engineering in 1932. President of the senior class, ROTC cadet captain and member of the Mu Phi Pi engineering honorary society, he also played basketball for four years (earning two letters). He earned a Bronze Star with six clusters while working with the Army Corps of Engineers in Italy during

World War II. His civilian engineering career included working on the St. Lawrence Seaway project and the El Paso International Airport. He also designed the smog control devices for the Asarco smokestacks in El Paso.

The Lemon family is also one of the pioneer families. They still have relatives living in Las Cruces today. The Lemons have helped out many a time with photos and memories of their early Las Cruces recollections and histories with several historians and writers collecting information about the area.

Margaret Favrot... I believe she is in her 80's... possibly 90's now... is another early pioneer. She currently lives in a house built by J. Lowe. She used to play with J.W.Lowe and his sister Maude when she was younger, as well as members of the Garrett family. She too is full of stories about the old days and is a resource of information just waiting to be tapped.

In conclusion, I think it fitting for these families to be acknowledged by the city of Las Cruces for their community efforts and family longevity in the area. Five generations of Lowe's have lived at one time or another in their lives in the Las Cruces area, serving the city of Las Cruces and El Paso. The Rynersons, Lowes, Lemons, Garretts and Favrot were pioneers of Las Cruces and there isn't much in Las Cruces to remember these pioneers by. Therefore,

I have suggested the name change of "Rynerson Drive or William Rynerson Drive." to replace "Cortez Drive" and "Lowe Avenue or Judge Lowe Ave." to replace "Lee Avenue". "Lemon Lane" to replace "Pecan Lane" and "Favrot Court" to replace "Reyna Court".

Thankyou for you time and consideration,

Julie Lowe-Sanchez

David and Mary Alba  
5351 Morningside Road  
Las Cruces, NM 88011

Dear Ms. Revels,

Enclosed you will find several Address Surveys that have been filled out from the residents who live on our street. This request is for the block of Morningside Road from Cortez Drive south to Aldrich Road to be named POOSE CREEK DRIVE.

We have all agreed since the POOSE CREEK (not POSSE) arroyo runs directly through our property it would be a name not so common and would also give a type of reference location. Also, because we would all have to change our personal information; we might as well name it something we ALL want and like.

As far as the other streets being renamed; leave that up to those residences. Our many concern and interest is getting our street name changed to what we desire.

Thank you for you time and interest concerning this matter.

Sincerely,

A handwritten signature in black ink that reads "Alba, Mary Alba". The signature is written in a cursive style with a large, stylized initial "D" on the left.

**RE: East Mesa Street Name Changes**

Dear Resident:

The City of Las Cruces has hosted four public input meetings to discuss the proposed readdressing of the neighborhood and the re-naming of the duplicate streets. Enclosed is a survey for the proposal to change four street names in the East Mesa area, most notably, the Hacienda Acres neighborhood - north of Cortez Drive.

The four street names that are being considered for change are Douglas Avenue, Lee Avenue, Morningside Road and Stagecoach Lane. The enclosed survey is tailored to the property owners on each of the above named streets. Your input will only be required for the street in which you own property.

The survey identifies a list of proposed street names that were provided by the residents of the Hacienda Acres neighborhood. If you would like to suggest a street name that is not on the list, please feel free to do so.

**Please complete the attached two (2) question survey and return it to the Community Development Department by 5:00 p.m. on Friday, March 26, 2010.**

You may fax the survey to my office at (575) 528-3155 or you can email your response to me at [helenr@las-cruces.org](mailto:helenr@las-cruces.org), and last but not least, you can return the survey by mail using the enclosed pre-paid postage envelope to: Community Development Department, Attn: Helen Revels, P. O. Box 20000, Las Cruces, NM 88004.

The proposed street name changes must go before the Las Cruces City Council for final authorization. The proposed street name changes will go to the July Land Use Meeting on Monday, July 26, 2010. This meeting will be held at 5:00 p.m. in City Hall Council Chambers located at 700 N. Main Street. If you have any questions, please feel free to contact me. *Si necesita ayuda con este forma, por favor llame a la oficina a (575) 528-3043. Gracias.*

City staff thanks you for your participation.

Respectfully,

To whom it MAY concern:

This has been my address for as long as I can remember. I am not interested in having ~~my~~ any city people changing it. I am a 100% Disabled Veteran and I live on a very limited income. I can not afford to change all my accounts, medical records, credit cards, Driver's license, wills, vehicle registration or any of a multitude of other things that this would force me to do, and all to satisfy the whim of some city worker. So unless you are willing to pay for all these changes, "Leave me alone!" Not to mention that this is Douglas Ave., not Douglas St. as it is in town.

Dear Ms Revels:

I had the occasion again to call 911 for the Fire Dept concerning a fire on Lee Avenue. As always the response was immediate. Approximately 5 minutes, since the No # 5 station is but 8 blocks away. Within minutes we had two fire trucks, one ambulance, and two police cars arrive.

Seems to us , the Fire Dept and Emergency Response knows exactly what they are doing in Hacienda Acres, and certainly wouldn't go to Lee Drive or Lee Court ( close to Young Park). As a matter of fact, the firefighters routinely jog the area, and are truly a comfort to many of us.

Maybe resources would be better spent on some maintenance of these "streets", rather than new street signs and inconvenience to the residents

Sincerely.

John & Elizabeth Smith

Dear Ms. Revels,

Enclosed you will find seven (7) East Mesa Readdressing Survey – Morningside Road Surveys. Everyone who signed them resides on Morningside Road and almost everyone receives their mail on Morningside Road except for Aaron Baca. I spoke to Gloria Guerra (5251 Morningside Road) and she did receive her survey but had not done anything with it yet. She did give me a verbal agreement on naming our section of Morningside Road – Poose Creek Drive.

How long to you think it will take before a decision on changing the street name will be decided? I will have to order checks fairly soon; and would like to know the status; so I don't have to spend extra money on changing addresses on checks.

My husband drew up a map of our "neighborhood" so you could see who all lives on Morningside Road. Technically there are 8 residences on our street (Tecillo, Carpenter, Johansen, Johansen rental, Alba, Jones, Guerra, and Griffin). All these homes face Morningside Road to the east.

Thank you for your time.

Sincerely,

  
Mary Alba

Dear Ms. Revels,

Last September you had sent out letters inquiring about street name changes on the East Mesa. We contacted several residences living on our street between Cortez and Aldrich regarding the name change. We mailed you the results from those residences on Morningside Road requesting the name be changed to **Poose Creek Drive**. I believe there are a total of 6 residences that actually face Morningside Road. Antonio Tecillo (5355), Theresa Carpenter (5357), Paula Johansen (5357), David Alba (5351), Wanda Jones (5347), and Paul Guerra (5251). Thomas Griffin's home faces Morningside Road although his address is listed as 6555 Jefferson. We also contacted Jose Deluna who resides at the corner of Morningside Road and Aldrich Road, although his address is 6343 Aldrich Road.

This past week we received another survey regarding Morningside Road. We do not like any of the suggested names and we have already submitted some of the neighbor's preference for the name to be Poose Creek Drive.

**Regarding your East Mesa Readdressing Survey – Morningside Road; we are requesting Morningside Road from Cortez Drive south to Aldrich Road be renamed Poose Creek Drive.**

Thank you for your time and consideration regarding this matter.

Sincerely,

David and Mary Alba

I'm sorry I didn't e-mail it before but I have been so busy.

My response to your e-mail was: Hacienda Acres has been here longer than High Range. They have the money to have everything changed to the new address. If given a choice of a street name I would like Montana Bella because of the beautiful mountains we can see from our front door.

Thank you for your time.
