

Council Action and Executive Summary

Item # 3 Ordinance/Resolution# 10-11-503

For Meeting of _____
(Ordinance First Reading Date)

For Meeting of May 2, 2011
(Adoption Date)

TITLE: A RESOLUTION AWARDING AN INDEFINITE QUANTITY, INDEFINITE COST PRICE AGREEMENT FOR ROAD CONSTRUCTION MATERIALS TO CEMEX, INC.; DE READY MIX, INC.; CERTIFIED CONCRETE PRODUCTS, INC.; ALL OF LAS CRUCES, NM, FOR ONE (1) YEAR WITH THE OPTION TO RENEW FOR THREE (3) ADDITIONAL ONE (1) YEAR PERIODS SUBJECT TO APPROVED BUDGET APPROPRIATIONS AND ANNUAL RENEWAL.

PURPOSE(S) OF ACTION:

Award Road Construction Materials Pricing Agreement

COUNCIL DISTRICT: 1-6		
<u>Drafter/Staff Contact:</u> Roy Arnoldt P.E. 	<u>Department/Section:</u> PW/ Engineering Services 	<u>Phone:</u> 528-3168
<u>City Manager Signature:</u> Robert Garza P.E. 		

BACKGROUND / KEY ISSUES / CONTRIBUTING FACTORS:

The City of Las Cruces (City) contracts for the supply of road construction materials for various projects on an as-needed basis throughout the year. The Engineering Services Section, on behalf of the Street Systems Section of the Public Works Department, requested bids for road construction materials in March 2011. The bid includes concrete, rock, hot mix asphalt, cold mix asphalt, gravel, and sand. Items in this pricing agreement are used for construction, maintenance, and repair of City roads and flood control structures on an as-needed basis.

Presently, Public Works lacks the ability to produce any of the aggregate, asphalt, or concrete materials required for projects as the City does not have the specialty equipment, quarry sites, manpower, or the required storage.

This pricing agreement is for a one (1) year contract with option to renew. The contract may be renewed for three (3) additional one (1) year periods upon mutual, written agreement to be initiated by the City. This contract will be awarded to multiple suppliers as the City has need to obtain timely delivery of specific road construction materials and the concern is that a single-source award would not be sufficient to meet the City's demand. In the event of a multi-source award, subsequent orders will be based upon low cost and timely delivery determinants that are in the best interest of the City.

The Public Works Department-Engineering Services Section has reviewed the bid for compliance with the specifications and recommends award to Cemex, Inc.; Certified Concrete Products, Inc.; DE Ready Mix, Inc.; all of Las Cruces, NM, at unit prices for road construction materials as listed in the attached Exhibit "B" per attached specifications.

BUDGET NARRATIVE

Although this contract is used primarily by Public Works for street maintenance and the repair of sidewalks and drainage facilities, the agreement can be used City wide. Utilities, Parks, and Facilities have all utilized this contract using a variety of accounts as projects are identified and materials are required. All expenditures are part of budgets approved for each individual section and are typically part of on-going maintenance and repair activities and are not listed as separate projects.

OPTIONS / ALTERNATIVES:

1. Vote "Yes"; this action will award the bid to Cemex, Inc.; DE Ready Mix, Inc.; Certified Concrete Products, Inc.; all of Las Cruces, NM, at unit prices for road construction materials as listed in the attached vendor bid tabulation, Exhibit "B", for a one (1) year period, in an amount not to exceed City Council approved budgets. This will give potential users the flexibility to purchase road construction materials on an as-needed basis using unit prices that are set for the specified one (1) year period.
2. Vote "No"; this action will reject the proposed bid award and instruct staff to either rebid, rescope or abandon the pricing agreement all together. Without this pricing agreement, potential users will have to explore alternative means of procuring these materials.
3. Vote to "Amend"; this action would require time to modify the resolution with possible interruption to the supply of construction materials and the delay of various projects.
4. Vote to "Table"; this action would interrupt the supply of construction materials to the City and may cause work stoppages for maintenance and repair of facilities.

RESOLUTION NO 10-11-503

A RESOLUTION AWARDING AN INDEFINITE QUANTITY, INDEFINITE COST PRICE AGREEMENT FOR ROAD CONSTRUCTION MATERIALS TO CEMEX, INC.; DE READY MIX, INC.; CERTIFIED CONCRETE PRODUCTS, INC.; ALL OF LAS CRUCES, NM, FOR ONE (1) YEAR WITH THE OPTION TO RENEW FOR THREE (3) ADDITIONAL ONE (1) YEAR PERIODS SUBJECT TO APPROVED BUDGET APPROPRIATIONS AND ANNUAL RENEWAL.

The City Council is informed that:

WHEREAS, the City of Las Cruces (City) has the need to purchase road construction materials to support the operation of City departments conducting on-going maintenance activities; and

WHEREAS, presently, Public Works lacks the ability to produce any of the aggregate, asphalt, or concrete materials required for projects, as the City does not have the specialty equipment, quarry sites, manpower, or the required storage; and

WHEREAS, City staff recommends that the bid for Road Construction Materials Pricing Agreement be awarded to Cemex, Inc.; Certified Concrete, Inc.; DE Ready Mix, Inc.; all of Las Cruces, NM, at the unit prices (not including NMGRT) listed in the vendor bid tabulation attached as Exhibit "B", and in an amount not to exceed City Council approved budgets.

NOW, THEREFORE, Be it resolved by the governing body of the City of Las Cruces:

(I)

THAT the bid for Road Construction Materials Pricing Agreement is hereby awarded to Cemex, Inc.; Certified Concrete Products, Inc.; DE Ready Mix, Inc.; all of Las Cruces, NM, for a period of one (1) year at the unit prices (not including NMGRT) as listed in the vendor bid tabulation, attached as Exhibit "B", and in an amount not to exceed City

Council approved budgets.

(II)

THAT City staff is hereby authorized to do all deeds necessary in the accomplishment of the herein above.
