10-Year Remembrance of September 11, 2001

Police Chief Richard Williams and Fire Chief Travis Brown will provide City Council with a status update on the ceremony being planned for the 10-year anniversary of the tragic events that occurred on September 11, 2001. This will be a short presentation of about 10 minutes followed by an opportunity for questions or comments from Council members. This year's event will again include participation by the NMSU Pride Band, public safety representatives, Boy Scouts, Girl Scouts and a children's choir. The faith community will be in attendance at the ceremony as well to broaden overall attendance and support. September 11 will fall on a Sunday this year, therefore, a 4:00 p.m. gathering is planned at City Hall, which is anticipated to last for one hour.
