BACKGROUND / KEY ISSUES / CONTRIBUTING FACTORS:

The Cranston-Gonzalez National Affordable Housing Act (NAHA) of 1990 created the HOME Investment Partnerships Act (HOME). The City of Las Cruces, as a recipient of HOME funding, desires to provide funds in accordance with the goals of the City's 2011-2015 Consolidated Plan which outlines affordable housing and community development needs. The 2011 Action Plan outlines how the HOME and CDBG entitlement funds for Program Year 2011 (PY2011) will be spent in accordance with the strategic goals as outlined in the Consolidated Plan.

The 2011 Action Plan, approved by Resolution #11-217, allocated a total of \$75,000.00 (\$37,500.00 in CHDO and \$37,500.00 in Non-CHDO) HOME funding to Tierra Del Sol Housing Organization, a Community Development Housing Organization (CHDO), to provide direct down payment assistance to homebuyers working through Tierra Del Sol Housing Corporation's homeownership process. The funding to be provided to the homeowners in the Paseo Del Oro Subdivision will be divided among 10 households, each receiving \$7,500.00 in direct down payment assistance.

The down payment subsidies will be provided to income eligible households earning 80% or less than Area Medium Income (AMI) limits as established by the Department of Housing and Urban Development. The assistance will be beneficial in helping the households qualify for mortgages with private lenders in meeting their down payment requirements. Direct down payment assistance to homeowners is an eligible expense under the HOME program and upon closing

the City will file a Deed Restrictions and Covenants Agreement to ensure the homes remain as affordable housing for a 5-year period.

In order to comply with the regulatory requirements of the HOME program, the City must execute the HOME Agreement with Tierra Del Sol Housing Corporation as shown in Exhibit "A".

This Agreement secures all future advances of funds to Owner by Lender in connection with this Agreement, and the lien of each such advance will relate back to the date of recordation of this Agreement.

Restrictive Covenants

This Agreement restricts the use of the Property, and is in consideration of a subsidy from Lender to Owner, through the Agent, Tierra Del Sol Housing Corporation in the amount of Seven Thousand Five Hundred Dollars and No Cents (\$7,500.00) ("Grant and/or Loan") for development and construction costs. The Grant and/or Loan will be made to the Owner through the Lender's HOME Investment Partnerships Program pursuant to Title 24 of the Code of Federal Regulations Part 92, as amended from time to time, and can be made to Owner only if Owner agrees to the restrictions and requirements set forth herein.

In consideration of the Grant and of the mutual covenants and understandings set forth herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Lender and Owner agree as follows:

- A. Affordability. Owner shall maintain the Property as Owner-occupied, single family residential property for residential purposes only, until the expiration of the Affordability Period of 5 years. The Affordability Period will begin on the date of the execution of this Deed Restrictions and Covenants Agreement.
- B. Owner Occupied. If, at any time during the term of the Affordability Period, the Property ceases to be the principal residence of Owner, whether through sale of the Property or otherwise, the Owner agrees to make the Property available for subsequent purchase only to a buyer whose household qualifies as a low-income family, as defined by the United States Department of Housing and Urban Development, and will use the Property as its principal residence. The Owner further represents and warrants that his/her family, if any, and the Owner met income eligibility requirements at the time the Grant was committed to the Property, through the Agent, Tierra Del Sol Housing Corporation.
- C. Resale Provisions. During the affordability period, the Lender provided the Owner consent to sell the property to a another qualified low income buyer as outlined in Section D, Transfer of

Property, of this Agreement, the Lender and Owner agree to the resale provisions as follows:

1. Ensuring Affordability to Subsequent Buyers: If during the affordability period the property is sold to a subsequent buyer, the price at resale must ensure the original HOME-assisted Owner a fair return on investment, including the homeowner's original investment and any capital improvement, and ensure that the housing will remain affordable to a reasonable range of low-income homebuyers. The period of affordability is based on the total amount of HOME funds invested in the housing. The purchase price at subsequent sale during the affordability period is required to be at a price that is affordable to a family earning not more than 80% of area median income (AMI) that will pay not more than 30% of their income for principal and interest. The percentage of AMI is based on income levels adjusted for family size established by the Department of Housing and Urban Development (HUD), for the Las Cruces Metropolitan Statistical Area at the time of the proposed sale.
2. Resale Provisions related to Net Proceeds- Provided that #1 immediately above is complied with, Net Proceeds due to the seller and HOME Funds proration credited to the new buyer are applicable in the following scenarios:
 - i. Net Proceeds of new Sales Price in excess of 10% of the Original Sales Prices: If during the affordability period the property is sold to a subsequent buyer at a sales price that is an increase of more than 10% of the original HOME-assisted Owner's sales price, the Owner/Seller shall provide a credit to the new buyer for the full amount of the HOME funds grant provided and must also provide a credit to the new buyer on the net proceeds in excess of 10% based on a prorated amount of the net proceeds due less the homeowner's investment and any capital improvements. Net proceeds defined is the amount of money received by the seller from the sales transaction after deducting the costs involved in making the transaction.
 - ii. Net Proceeds of new Sales Price between 1% and 10% above the Original Sales Price: If during the affordability period the property is sold to a subsequent buyer at a sales price that is an increase of 10% or less than the original HOME-assisted Owners sales price, the Owner/Seller shall provide a credit to the new Homeowner for the full amount of the HOME funds grant provided and Owner/Seller may retain all other net proceeds from the sale.
 - iii. New Sales Price that is equal to Original Sales Price: If during the affordability period the property is sold to a subsequent buyer at a sales price that is equal to the

Owner's original sales price, the Owner/Seller shall provide a credit to the new buyer in an amount equal to the prorated amount of HOME funds provided over the affordability period and must also provide a credit to the new buyer based on a prorated amount of the net proceeds due.

- iv. New Sales Price that is less than the Original Sales Price: If during the affordability period the property is sold to a subsequent buyer at a sales price that is less than the Owner's original sales price, the Owner/Seller shall provide a credit to the new buyer in an amount equal to the prorated amount of HOME funds provided over the affordability period that is based upon the percentage of decrease between the original sales price and the sales price to the subsequent owner. The original owner is entitled to any remaining net proceeds.
- v. Net Proceeds – Pro-rata Calculations Defined: Net Proceeds and HOME Funds credits will be prorated to the subsequent buyer based on the term of the affordability period and the year during the affordability period that the property is being sold. For example, if the affordability period is five years, the proration is based on 20% per year. Likewise, if the affordability period is 10 years, the proration is based on 10% per year, and if the affordability period is 15 years, the proration is 6.67% per year. The time period for prorated amounts is calculated on the earliest whole year period from the sales date. For example, if the home is sold at 4 years and 6 months, year 4 will be considered the sale year. The chart below is provided to outline the seller/buyer proration percentages for net proceeds and HOME funds due to seller and the subsequent buyer during the term of the affordability period:

Subsequent Sale Year	Affordability Period (years)		
	5	10	15
