Guiding Principles

- Drive Down Costs
- Grow and Diversify the Business
- Eliminate Throughput Constraints

**Guided by Two Tectonic Shifts:
*Strategy Pivot and Budget Constraints***

Real Emerging Threats.....

Critical to the Security of the Nation

Six Strategic Goals

- Expand the Use of the Range and Reduce Costs
- Become More Interdependent
- Expand our Electromagnetic Testing Capabilities
- Prepare to Support the Future Joint Fight
- Continue to Improve our Community
- Develop a Sustainability Mindset

Must achieve a *customer-focused culture & empowered workforce*

State Legislative Initiatives

- **Child Custody Issues Facing Military Families**
- **Remove Licensure Impediments for Military Spouses**
- **Remove Licensure Impediments for Service Members Leaving the Military**
- **Communication with Installations**
- **Funding to Purchase Property or Development Rights to Protect Compatible Land Uses**
- **Real Estate or Neighboring Property Disclosure**

**Providing the State and Military a
Competitive Advantage**
