QUASI JUDICIAL LEGISLATIVE ADMINISTRATIVE

TITLE: AN ORDINANCE APPROVING A ZONE CHANGE FROM R-4 (MULTI-DWELLING HIGH DENSITY & LIMITED RETAIL AND OFFICE) TO C-2 (COMMERCIAL MEDIUM INTENSITY) ON 0.20 ± ACRES OF LAND LOCATED ON THE SOUTHWEST CORNER OF OASIS AVENUE AND SOLANO DRIVE; 1769 N. SOLANO DRIVE. SUBMITTED BY WILLIAM J. CRAWLEY, PROPERTY OWNER (Z2852).

PURPOSE(S) OF ACTION:

Zone change.

COUNCIL DISTRICT: 1		
<u>Drafter/Staff Contact:</u> Adam Ochoa	<u>Department/Section:</u> Community Development	<u>Phone:</u> 528-3204
<u>City Manager Signature:</u>		

BACKGROUND / KEY ISSUES / CONTRIBUTING FACTORS:

The proposed zone change is for an undeveloped property located at 1769 N. Solano Drive, 0.125 ± miles southeast of Apodaca Park. The proposed zone change to C-2 (Commercial Medium intensity) will facilitate the development of the subject property with limited commercial medium intensity uses permitted in the North Mesquite Neighborhood Overlay (NMO). The subject property has remained vacant and undeveloped within the established NMO area for many years and the applicant believes that the proposed zone change may encourage its development. The subject property is also located within the Infill Development Overlay (IDO) and is eligible for the Infill Development Process (IDP) which allows uses not normally permitted within a particular zoning district. The subject property is encompassed by residentially zoned properties, some of which are vacant, or commercially developed properties, including a commercial auto repair business directly north of the subject property which utilized the IDP. Any development of the property will be required to follow all development standards of the 2001 Zoning Code and the NMO.

On May 22, 2012, the Planning and Zoning Commission (P&Z) recommended approval of the proposed zone change request by a vote of 5-0-0, (two Commissioners absent). The P&Z

Chair inquired at the meeting on whether the applicant contacted the adjacent residential properties about the proposed zone change to which the applicant replied that contact was made and that they had no issues with the proposed zone change. A member of the public also stated at the meeting that she was the beneficiary of the subject property. No other public input was received by staff for the proposed zone change.

The zone change facilitates the use of the subject property for limited commercial uses permitted within the North Mesquite Neighborhood Overlay.
2. Vote "No"; this will reverse the recommendation made by the Planning and Zoning Commission. The current zoning designation of R-4 (Multi-Dwelling High Density & Limited Retail and Office) will remain on the subject property. Denial of the zone change will require new information or facts not identified or presented during staff review or the Planning and Zoning Commission meeting.
3. Vote to "Amend"; this could allow Council to modify the Ordinance by adding conditions as determined appropriate.
4. Vote to "Table"; this could allow Council to table/postpone the Ordinance and direct staff accordingly.

SUMMARY AND CONCLUSIONS

The proposed zone change is supported by the Development Services Staff and all reviewing departments in the City of Las Cruces. The proposed zone change is also supported by the 1999 Comprehensive Plan.

The subject property currently encompasses 0.20 ± acres, is zoned R-4 (Multi-Dwelling High Density & Limited Retail and Office) and is located within the North Mesquite Neighborhood Overlay (NMO). The proposed zone change to C-2 (Commercial Medium Intensity) facilitates the use of the subject property for limited commercial medium intensity uses permitted in the NMO. The permitted C-2 uses in the NMO are much more limited to the C-2 uses regularly permitted by the 2001 Zoning Code, therefore, limiting the potential intensity on the subject property and surrounding area. The subject property has remained vacant and undeveloped within the established NMO area for many years and the proposed zone

change may encourage its development. The property will be required to follow all development standards of the 2001 Zoning Code and the North Mesquite Neighborhood Overlay.

STAFF RECOMMENDATION

Staff has reviewed this proposed zone change and based on the following findings for approval recommends approval without conditions.

FINDINGS FOR APPROVAL

1. The property currently encompasses 0.20 ± acres, is zoned R-4 (Multi-Dwelling High Density & Limited Retail and Office) and is located within the North Mesquite Neighborhood Overlay (NMO).
2. The subject property is located along Solano Drive, a Minor Arterial roadway, where commercial medium intensity uses are encouraged. (1999 Comprehensive Plan Goal 1, Objective 5, Policy 1.5.2)
3. The proposed zone change may encourage the development of a vacant and underutilized property within the established North Mesquite Neighborhood Overlay (NMO) area. (2001 Zoning Code Article 1, Section 38-2 K)

If the Planning & Zoning Commission deems the zone change unsubstantiated, staff recommends the following alternate finding for denial:

The proposed zoning designation is not compatible with the surrounding primarily residentially zoned area. The applicant has the option of developing the subject property with a use permitted in the R-4 (Multi-Dwelling High Density & Limited Retail and Office) zoning district in the North Mesquite Neighborhood Overlay (NMO). (2001 Zoning Code Article 5, Section 38-49.1)

The following polices from the 1999 Comprehensive Plan are relevant to the current proposal:

Land Use Element (Land Uses)

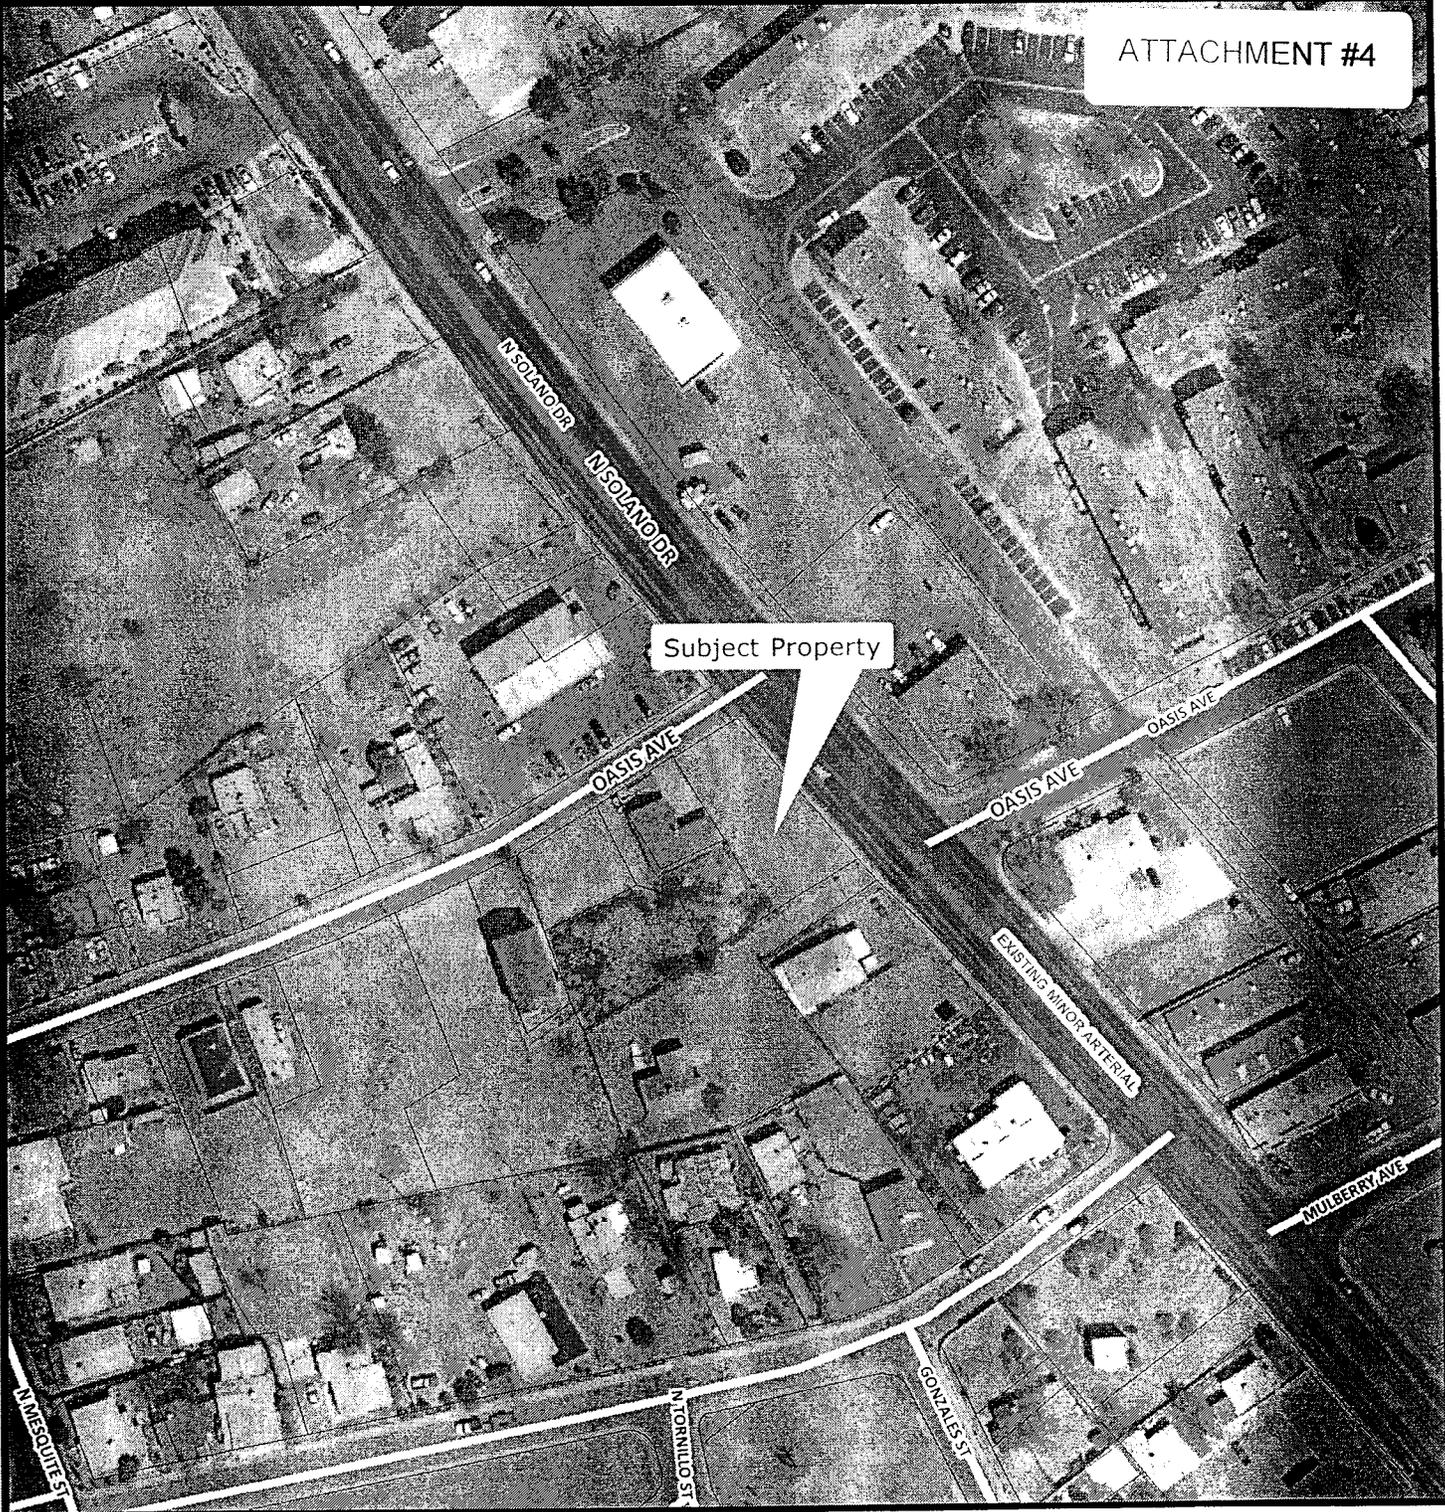

Goal 1 Objective 5:

Policies

- 1.5.2. Medium intensity commercial uses shall be defined as those commercial uses which provide retail and service activities within a neighborhood area. Medium intensity commercial uses shall generally serve a population of 5,000 to 30,000 people and shall be established according to the following criteria:
 - a. Generally 1,500 but not to exceed 5,000 gross square feet shall be permitted for a medium intensity commercial use or center. A business may apply for a special use when said business is greater than 5,000 gross square feet, but may not exceed 6,000 square feet.
 - b. Medium intensity commercial use and centers shall be located on minor collector streets, or at the intersection of streets equal to or greater than collector capacity. Mid-block locations shall be considered on a case-by-case basis: criteria shall include street capacity, distance from an intersection where appropriate, accessibility and shared vehicular access with other uses where appropriate, and consideration of the level of traffic and environmental impacts.
 - c. An unlimited number of low or medium intensity commercial uses may be located adjacent to one another as long as the combined total of the uses does not exceed 5,000 gross square feet.
 - d. With the exception of low intensity commercial businesses, medium intensity commercial uses shall not be located within one-half (½) mile of other commercial areas.
 - e. The City shall pursue multi-modal access standards (auto, bicycle, and pedestrian transit) for medium intensity commercial use and centers.
 - f. Medium intensity commercial development shall address the following urban design criteria: compatibility to adjacent development in terms of architectural design, height/density, a provision of landscaping for site screening, parking and loading areas. Architectural and landscaping design standards for medium intensity commercial use shall be established in the Comprehensive Plan Urban Design Element.
 - g. Adequate space for functional circulation shall be provided for parking and loading areas.
 - h. The City shall encourage the development of medium intensity commercial centers to allow for maximum shopping convenience with minimal traffic and encroachment related conflicts to adjacent uses.

- i. Low intensity commercial uses are permitted in medium intensity commercial areas.

I. CALL TO ORDER (6:00 PM)

Scholz: Good evening and welcome to the Planning and Zoning Commission meeting for Tuesday, May 22nd, 2012. I'm Charles Scholz, the Chair. I'm going to introduce the other members of our Commission and then we'll proceed with a couple of announcements and then we'll go on to the business. On my right is Commissioner Crane. He represents District 4. Next to him is Commissioner Stowe who represents Council District 1. Next to him is Commissioner Evans who represents Council District 5 and I am the Mayor's appointee to the Commission. We're expecting at least

1 one other member of the Commission. He has brake problems right now
 2 so I don't know if he'll be here real fast or real slow but we'll find out.
 3

4 II. CONFLICT OF INTEREST

5
 6 Scholz: We always ask at the beginning or after we have called the meeting to
 7 order for a conflict of interest. Gentlemen, after looking at the items on the
 8 agenda today, any conflicts of interest? No? Staff, any conflicts of
 9 interest? Okay. I assume there will be some from the audience but we'll
 10 deal with those in a few minutes.
 11

12 III. APPROVAL OF MINUTES

13 1. April 24, 2012 Regular Meeting

14
 15
 16 Scholz: Okay, the next item is the approval of the minutes. Gentlemen, any
 17 additions or corrections to the minutes of April 24th? Okay, hearing none
 18 I'll ask for an approval of the minutes. Someone's got to approve that.
 19

20 Crane: So moved.

21
 22 Scholz: So Crane moves and...

23
 24 Evans and Stowe: Second.

25
 26 Scholz: ... Evans seconds...well, actually it's a tie with Stowe. All right? All those
 27 in favor say aye.

28
 29 All: Aye.

30
 31 Scholz: Those opposed same sign? And any abstentions? All right, the minutes
 32 are passed as written
 33

34 IV. POSTPONEMENTS – NONE

35
 36 Scholz: All right, Mr. Ochoa, I see you are hiding out there. Are you going to lead
 37 us off today? You don't know. Okay. What I wanted to ask Mr. Ochoa
 38 was if there were any postponements. It says "None" on the agenda but
 39 you always have the inside track there.
 40

41 Ochoa: I apologize about that, sir. No, sir. No postponements tonight.

42
 43 Scholz: No postponements. Okay.
 44

45 V. CONSENT AGENDA

46

1 Scholz: The next item is the Consent Agenda and here's how the Consent Agenda
 2 works: these would be voted on by one motion by the Commission but if
 3 there's anyone on the Planning and Zoning Commission, a staff or a
 4 member of the public that wants to remove an item from the Consent
 5 Agenda then we'll make that the first item or the next item on the New
 6 Business agenda. So, gentlemen, any concerns about the Consent
 7 Agenda? Okay. I have one and that's the case number 5. That's
 8 rezoning of a piece on the corner of Solano and Oasis. So I re-elect to
 9 move that to that to the first item of New Business.

 44 items on the Consent Agenda? Yes, ma'am? Okay.

45
 46 P. Crawley: *(Speaking from audience – inaudible)*
 47

1 Scholz: Pardon me?
2

3 P. Crawley: *(Speaking from audience – inaudible)*
4

5 Scholz: Okay, so you want to speak to that. All right. How about anyone who
6 wants to speak, well, let's see... the Sonoma Ranch issues? No one?
7 Okay, then they remain on the Consent Agenda then and I think that's it.
8 Okay, I'll entertain a motion to accept Items 1, 2, 3 and 4 on the Consent
9 Agenda.

10
11 Stowe: So moved.

12
13 Scholz: Commissioner Stowe moves. Is there a second?

14
15 Evans: I second.

16
17 Scholz: And Evans seconds. All those in favor say aye.

18
19 All: Aye.

20
21 Scholz: And those opposed same sign? All right, Items 1 through 4 on the
22 Consent Agenda are approved.
23

24 VI. OLD BUSINESS – NONE

25
26 Scholz: There's no Old Business, I assume, Mr. Ochoa?

27
28 Ochoa: No, sir. No old business.
29

30 VII. NEW BUSINESS

31
32 Scholz: Okay, fine. Our first item under New Business then is going to be case
33 Z2852 and you're going to present. I see we're having a problem with the
34 computer.
35

36 Ochoa: Mr. Chairman, seeing that we have a problem with the computer right now
37 was it just a specific question that you had with staff or the property owner
38 about this or would you like a full presentation on that, sir?
39

40 Scholz: Well, actually, if the property owner is here, yes, I would like to question
41 him or her.
42

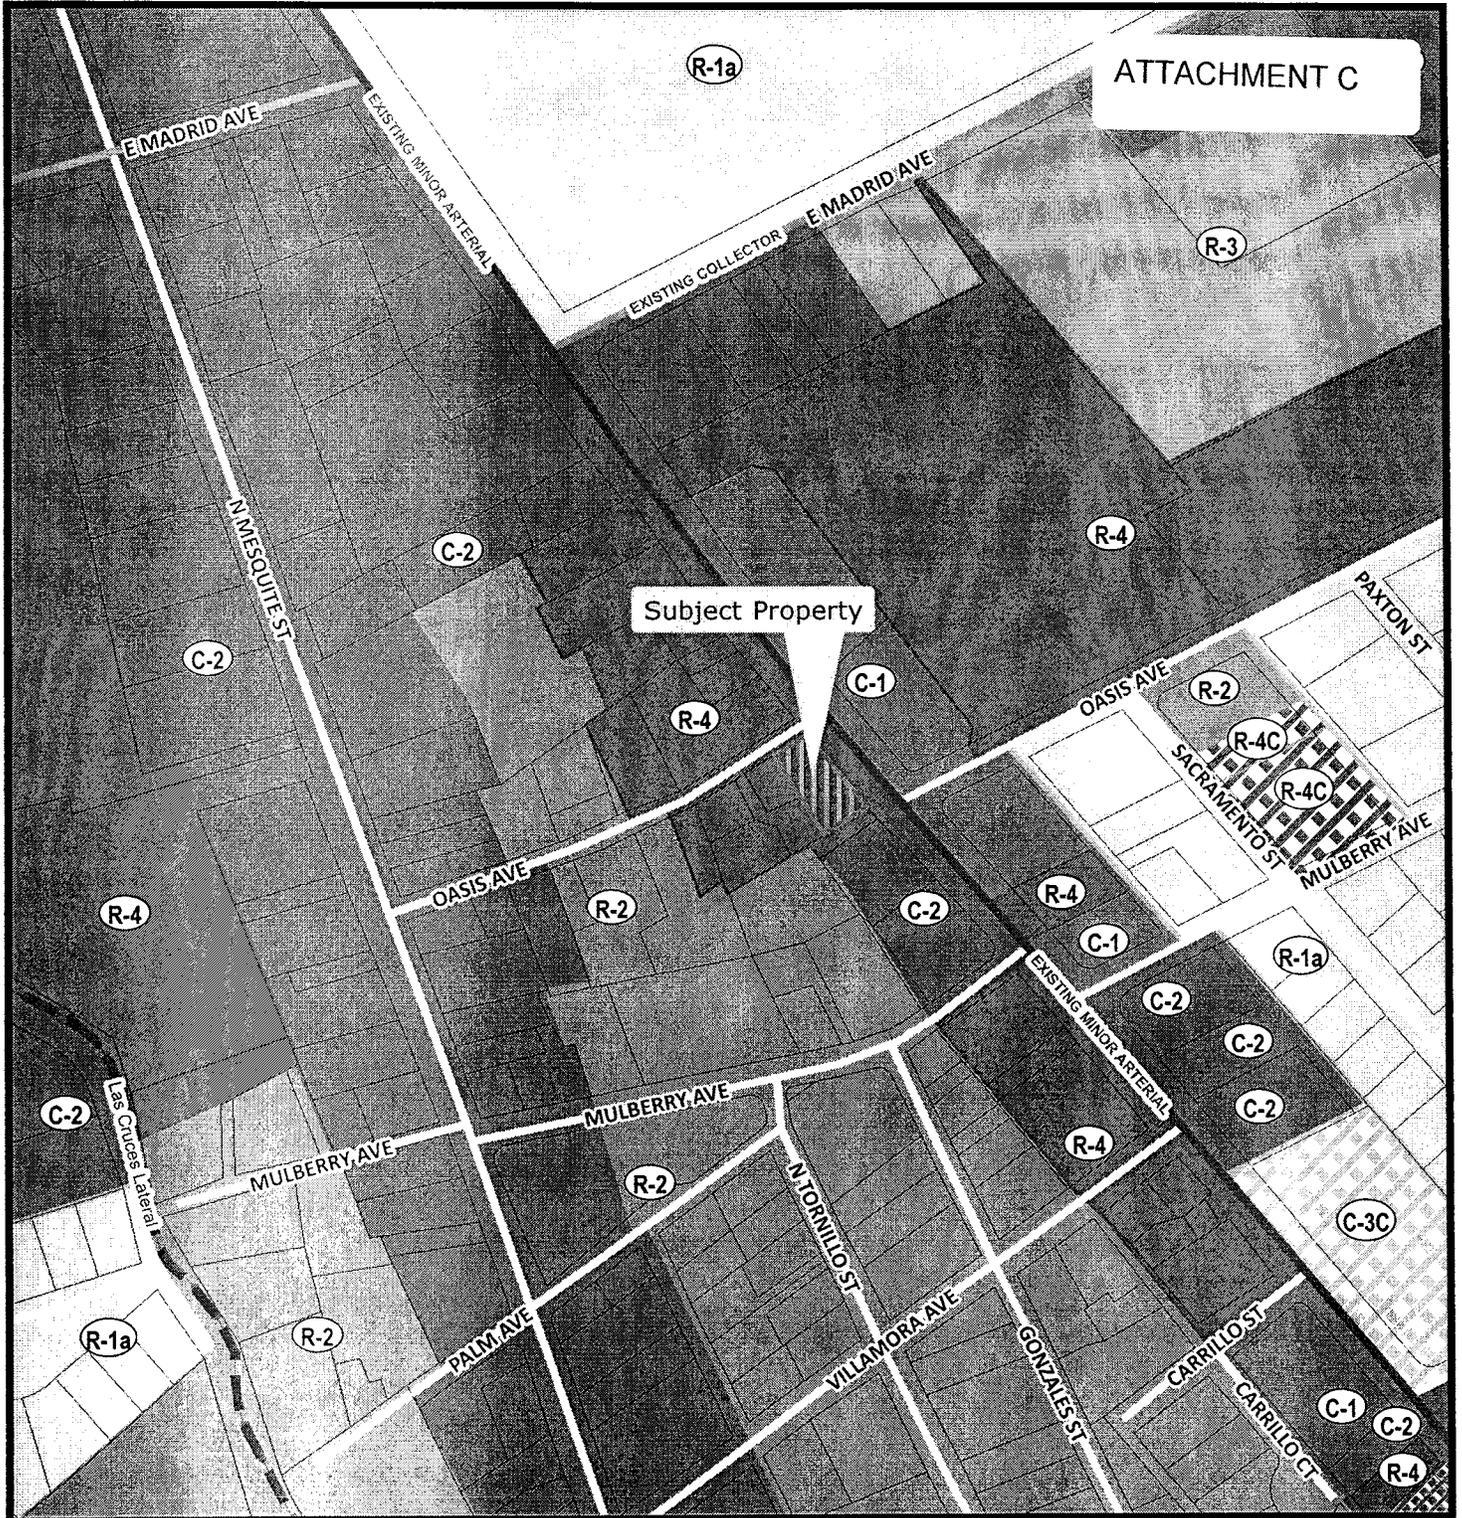

43 W. Crawley: Mr. Commissioner Scholz, this is William Crawley.
44

45 Scholz: Okay. My concern, sir, was with the neighborhood. Did you notify the
46 neighbors? Because I noticed there's a house right behind that property.

1
2 W. Crawley: Yes, sir.
3
4 Scholz: Was that person notified that you were planning to change the zoning?
5
6 W. Crawley: Yes, sir.
7
8 Scholz: And what was their response.
9
10 W. Crawley: There was no response.
11
12 Scholz: I'm sorry.
13
14 W. Crawley: It didn't seem to bother them. I mean, there's commercial on both sides of
15 them.
16
17 Scholz: Okay. All right, that was my concern.
18
19 W. Crawley: Their only concern was if they were going to get in and to the trash, which
20 we solved that in '08 with the fence.
21
22 Scholz: I was going to say this is a separate property, isn't it
23
24 W. Crawley: Yeah, it's a separate property and it's all fenced off, all four corners.
25
26 Scholz: All right, any questions for this gentleman? All right, thank you very much,
27 sir. Anyone from the public wish to speak to this?
28
29 P. Crawley: *(Speaking from audience – inaudible)*
30
31 Scholz: I'm sorry, you'll have to come up to the microphone to speak, ma'am, and
32 please identify yourself.
33
34 P. Crawley: I am Patricia Crawley. I am the beneficiary of that property.
35
36 Scholz: Oh, I see. Okay.
37
38 P. Crawley: I just wanted it noted.
39
40 Scholz: Right.
41
42 P. Crawley: Thank you very much.
43
44 Scholz: Okay, thank you very much. All right, anybody else from the public wishes
45 to speak to this? Okay, I am going to close it for public discussion.

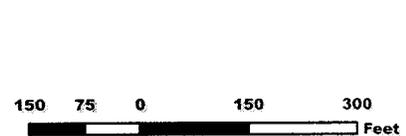

- 1 Gentlemen, any concerns? All right, I'll entertain a motion to approve
2 case Z2852.
3
- 4 Evans: Mr. Chairman, I move that we approve case Z2852.
5
- 6 Scholz: Is there a second?
7
- 8 Stowe: I second.
9
- 10 Scholz: Okay, Evans moves and Stowe seconds. I'll call the role. Commissioner
11 Crane?
12
- 13 Crane: Aye, findings and discussion.
14
- 15 Scholz: Commissioner Stowe.
16
- 17 Stowe: Aye, findings, discussion and site visit.
18
- 19 Scholz: Commissioner Evans.
20
- 21 Evans: Aye, findings, discussion.
22
- 23 Scholz: And the Chair votes aye for findings, discussion and site visit.
24
- 25 1. **Case CPB-12-01:** A recommendation to City Council regarding the adoption
26 of the El Paseo Corridor Community Blueprint. Council Districts 2, 3, & 4.
27
- 28 Scholz: Okay, that brings us to our next piece of New Business, which is case
29 CPB-12-01: a recommendation to City Council regarding the adoption of
30 the El Paseo Corridor Community Blueprint. And who's going to present
31 on this today?
32
- 33 Kyle: Mr. Chairman?
34
- 35 Scholz: Yes, Mr. Kyle.
36
- 37 Kyle: Staff has a presentation prepared for this, as well as the other cases on
38 the agenda. I don't know if the Commission would want to consider taking
39 a recess and see if we can get our technical issues resolved so that we
40 can actually present those; or would the Commission prefer we just move
41 forward with verbal presentation.
42
- 43 Scholz: Does anybody have any idea how long it will take to correct those?
44
- 45 Kyle: Not at the moment but they are working on them.
