TITLE: AN ORDINANCE AUTHORIZING A REAL ESTATE PURCHASE AGREEMENT BETWEEN THE CITY OF LAS CRUCES AND UNION AVENUE LLC, FOR THE SALE OF 2.08 ACRES OF MUNICIPALLY OWNED LAND AT 101 E. UNION AVENUE FOR THE PURCHASE PRICE OF EIGHT HUNDRED FIFTY THOUSAND DOLLARS (\$850,000.00), IN ACCORDANCE WITH PROVISIONS OF LCMC 1997, SECTION 2-1312.

PURPOSE(S) OF ACTION:

Sale of City property.

COUNCIL DISTRICT: 2		
Drafter/Staff Contact: Michael Q. Hernandez	Department/Section: Public Works/Real Estate Services	Phone: 528-3124
City Manager Signature:		

BACKGROUND / KEY ISSUES / CONTRIBUTING FACTORS:

In 1994, the City through the United States Marshal's office acquired approximately 2.08 acres of land from the Las Cruces Police Department. The City-owned property is located at 101 E. Union Avenue and is currently zoned C-3. For several years, the building was used as a teen and recreation center, as well as a training facility for City staff. It is currently vacant.

In 2000, the City executed a long-term lease agreement for the placement of a cell tower with Voice Stream PCS II Corporation. The corporation has since transitioned to T-Mobile. The lease with T-Mobile will also be included in the sale and will be transferred to Union Avenue, LLC.

City staff has secured the building and has been maintaining the site to prevent accumulation of excessive weeds or debris. The site was marketed for sale with information distributed through the local commercial real estate community. The City has negotiated a Real Estate Purchase Agreement signed by the City Manager, which requires City Council approval.

The property was appraised by two local appraisers in May 2012. One appraiser concluded a value of Nine Hundred and Five Thousand Dollars (\$905,000.00), while the other appraiser valued the property at Nine Hundred Thousand Dollars (\$900,000.00) as shown on Attachment "A". The proposed sale price is Eight Hundred and Fifty Thousand Dollars (\$850,000.00).

A memo providing further information regarding this sale amount is attached. The Municipal Code allows the City to sell land at below appraised value and doing so does not set a precedent that would interfere with the sale price for any other City-owned land. The average value of the property according to the appraisal is Nine Hundred and Two Thousand, Five Hundred Dollars (\$902,500.00).

No City infrastructure improvements are required as part of this sale. The City would be responsible for paying a six percent (6%) real estate commission as part of this land sale agreement, as authorized by Resolution 02-125. Steinborn TCN represents the buyer and will be responsible for coordinating the sale process. The 6% commission payment will be funded from the proceeds of the land sale. Closing costs will be the full responsibility of the purchaser. The purchase price amount of Eight Hundred and Fifty Thousand Dollars (\$850,000.00) minus the 6% real estate commission of Fifty-One Thousand Dollars (\$51,000.00) results in a final amount of Seven Hundred and Ninety-Nine Thousand Dollars (\$799,000.00) to be deposited into the General Fund account number 1000-590020.

The Ordinance has been prepared in accordance with LCMC 1997, Section 2-1312. The closing date for the sale will not occur until forty-five (45) days after the adoption of the Ordinance and would occur no later than ninety (90) days after adoption between November 1, 2012 and December 16, 2012. This Ordinance has been published prior to its adoption and will be published at least once after its adoption.

Dear Mr. Hamm:

In accordance with your request, Mesilla Valley Appraisal Services, in coordination with the City of Las Cruces, has prepared an appraisal of the market value of the fee simple estate in the above-referenced real property. The intended use of the appraisal is for counseling purposes. The intended user of the appraisal is City of Las Cruces. The effective date of appraisal is May 2, 2012 with the estimate of market value reflecting market conditions as of that date.

Mesilla Valley Appraisal Services analyses, opinions and conclusions were developed, and this report has been prepared, in conformity with the Uniform Standards of Professional Appraisal Practice of the Appraisal Foundation and the requirements of the Code of Professional Ethics and Standards of Professional Appraisal Practice of the Appraisal Institute. In addition, this report conforms to the requirements of the Financial Institution Reform, Recovery and Enforcement Act (FIRREA). The value estimate is based in large part upon the descriptions, data, and analyses on file in my office, as well as the General Assumptions, General Limiting Conditions, and Special Assumptions and Limiting Conditions as found in the Addendum of this report.

Based on research and analysis contained in this report, it is concluded that the market value of the fee simple interest in the subject property, as of May 2, 2012, is:

SEVEN HUNDRED TWENTY-FIVE THOUSAND DOLLARS
\$725,000

I have also been asked to determine the leased fee estate of the land that is leased to T-Mobile and Verizon Wireless at the rear of the property. I have concluded that the market value of the leased fee interest of the cell tower site, as of May 2, 2012, is:

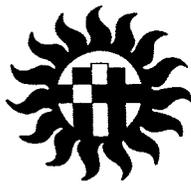

ONE HUNDRED EIGHTY THOUSAND DOLLARS
\$180,000

Respectfully submitted,

DATE: 8/15/2012 **FILE:** 12-383

SUBJECT: Negotiated sale price for the property located at 101 E. Union Avenue known as Club Fusion Teen Center.

City staff evaluated the property and determined that there is no City use for which the facility is suitable and so the property was made available for sale. The property was appraised by two local appraisers in May 2012. One of the appraisers concluded a value of \$900,000.00, while the other appraiser valued the property at \$905,000.00. The appraisals were distributed indicating the value through the local commercial real estate community.

On July 19, 2012, a purchase offer was received from Kary Bulsterbaum who is representing Union Avenue, LLC, with Steinborn TCN in the amount of \$850,000.00.

The building is 20 to 25 years old and does not appear to have been well maintained. The roof covering is in need of replacement as evidenced by missing shingles and water leak damage.

There is a value to selling this property now at \$850,000.00 rather than holding on to it in hopes of getting a higher price soon.

There are expenses associated with the City holding on to the vacant building, the site is near a residential area and requires frequent monitoring and clean up to keep it from becoming a nuisance. A private purchase of the site would bring the property onto the tax rolls and allow the purchaser to locate there to invest in the property, create employment and generate additional tax revenue.

Section 2-1314 of the Las Cruces Municipal Code requires that when real property is sold for a value less than the lowest appraised value, a detailed written explanation of the difference be made available to the public. This memo serves as that public explanation.
