

# **Update on Mesilla Valley Regional Dispatch Authority Facility**

## UPDATE ON MESILLA VALLEY REGIONAL DISPATCH AUTHORITY FACILITY

**Mesilla Valley Regional Dispatch Authority (MVRDA) Facility Update** – Doña Ana County Facility Management personnel will provide an update on the project development activity for the construction of this new county facility. With recent legislative appropriations coupled with the successful bond election passage for this project, Doña Ana County is in a positive position to proceed with final plans to enable construction activity in 2014.
