BACKGROUND / KEY ISSUES / CONTRIBUTING FACTORS:

Over the past few years, staff has consolidated several different policies into one Parks and Recreation Fees and Charges/Facility Use Policy. The proposed policy addresses further consolidation, identifies new programs that are being offered and eliminates the collection of ten percent for fund raising activities. The policy is intended to establish a standardized approach to assessing fees for the use of City facilities, parks, participation in recreation programs; for determining which users or groups should pay at what percentage; to keep all fees at a fair market level in order to encourage participation; to strive for a degree of cost recovery; and to lessen the burden on the City and the General Fund.

City Council established a target for cost recovery for recreation programs at 85-100 percent of direct costs, 33 percent for aquatics, 85 percent for youth (not to go below 75 percent) and 100 percent recovery for adult programs and special recreation programs. The policy and fees structure is developed with a goal of achieving the set cost recovery.

The Parks and Recreation Advisory Board reviewed the proposed policy at their regular meetings on October 17, 2013 and November 21, 2013 and sent forward a recommendation to City Council for approval.

The City of Las Cruces recognizes that some youth leagues/organizations utilize concession space to help off-set program costs. In this instance, insurance is required as well as financial records. All concession/vendors, to include mobile vendors, must be in good standing at all times. Good standing will be defined as no complaints, regular payment of required fees, and all appropriate documentation on file. The Parks and Recreation Department staff has the right to deny concession/vending permits based on non-compliance. The City may develop a request for proposal to operate all City concession stands on park property.

SPECIAL USE PERMITS (TO INCLUDE, BUT NOT LIMITED TO, MODEL AIRPLANES/MODEL ROCKETS/METAL DETECTING), AND REMOTE CONTROL CARS

Model Airplanes/rockets, metal detecting, and remote control cars are recognized as legitimate recreation activities when they are conducted in ways that do not damage the natural and cultural resources of City of Las Cruces park facilities.

A Facility Use Permit is required to use any city park for these activities. Use of metal detectors is limited to park areas only and not in ball field areas. To obtain a Facility use Permit visit the Parks and Recreation Administrative Office at 1501 E. Hadley.

The amount of the insurance shall coincide with the limitations of the New Mexico Tort Claims Act, NMSA 1978, Section 41-4-1. This proof of insurance must be forwarded to the Parks and Recreation Department for record keeping. Uninsured businesses may be held personally responsible for injury or damages caused by any uninsured or unauthorized inflatable or portable play equipment.

VEHICLES AND DRIVING IN CITY PARKS

Driving or parking vehicles on the grass or landscaping located in a City park or on City property is prohibited except during events for which a permit has been granted. Items should be hand carried from the street or parking lot to the interior of a park. This is also true for local businesses that offer tents or other large items for party rentals or other activities. In addition, no parking is allowed on the grass surrounding soccer fields and softball/baseball fields. This section does not apply to City vehicles, emergency vehicles or public utility service vehicles.

SPECIAL USE PERMITS (TO INCLUDE, BUT NOT LIMITED TO, MODEL AIRPLANES/MODEL ROCKETS/METAL DETECTING), AND REMOTE CONTROL CARS

Model Airplanes/rockets, metal detecting, and remote control cars are recognized as legitimate recreation activities when they are conducted in ways that do not damage the natural and cultural resources of City of Las Cruces park facilities.

A Facility Use Permit is required to use any city park for these activities. Use of metal detectors is limited to park areas only and not in ball field areas. To obtain a Facility use Permit visit the Parks and Recreation Administrative Office at 1501 E. Hadley.

INFLATABLE/PORTABLE PLAY EQUIPMENT

The City of Las Cruces allows inflatable play equipment at designated sites in certain parks. Some parks do not allow inflatable play equipment at all. Any business that operates/leases party and or event equipment, i.e. jumping balloons, dunk tanks, sporting equipment, etc., in a City park/facility is required to provide proof of general liability insurance in the amount of one million dollars (\$1,000,000) per occurrence, with the City of Las Cruces named as an additional insured.

The amount of the insurance shall coincide with the limitations of the New Mexico Tort Claims Act, NMSA 1978, Section 41-4-1. This proof of insurance must be forwarded to the Parks and Recreation Department for record keeping. Uninsured businesses may be held personally responsible for injury or damages caused by any uninsured or unauthorized inflatable or portable play equipment.

VEHICLES AND DRIVING IN CITY PARKS

Driving or parking vehicles on the grass or landscaping located in a City park or on City property is prohibited except during events for which a permit has been granted. Driving on

park property results in damage to both turf and irrigation sprinkler systems and can result in costly repairs. Items should be hand carried from the street or parking lot to the interior of a park. This is also true for local businesses that offer tents or other large items for party rentals or other activities. In addition, no parking is allowed on the grass surrounding soccer fields and softball/baseball fields. This section does not apply to City vehicles, emergency vehicles or public utility service vehicles.
