TITLE: AN ORDINANCE APPROVING A ZONE CHANGE FROM C-2 (COMMERCIAL MEDIUM INTENSITY) TO C-3/R-4 (COMMERCIAL HIGH INTENSITY/MULTI-DWELLING HIGH DENSITY & LIMITED RETAIL AND OFFICE) ON 5.95 ± ACRES OF LAND LOCATED AT 299 E. MONTANA AVENUE. SUBMITTED BY MICHAEL JOHNSON, P.E. ON BEHALF OF MESILLA VALLEY HOSPICE, INC., PROPERTY OWNER (Z2867).

PURPOSE(S) OF ACTION:

Zone change.

COUNCIL DISTRICT: 3		
<u>Drafter/Staff Contact:</u> Adam Ochoa	<u>Department/Section:</u> Community Development/Building & Development Services	<u>Phone:</u> 528-3204
<u>City Manager Signature:</u>		

BACKGROUND / KEY ISSUES / CONTRIBUTING FACTORS:

The proposed zone change is for a property located on the north side of Montana Avenue and south side of Foster Road approximately 745 ± feet west of El Paseo Road. The subject property currently consists of the Mesilla Valley Hospice facility. The applicant is seeking to convert a portion of the units within the hospice facility into assisted living units. The assisted living units are being proposed to help generate income in order to help sustain the existing hospice care on the subject property. The proposed R-4 zoning designation would permit the use of the existing building for assisted living.

The applicant is also seeking to keep the commercial zoning designation on the subject property. The property currently exceeds the one (1) acre maximum lot size permitted in the existing C-2 zoning district. The proposed zone change to C-3 would facilitate compliance with the 2001 Zoning Code, as amended, for the lot size requirement. The subject property is located in very close proximity to El Paseo Road and Idaho Avenue, two existing Minor Arterial roadways as classified by the Mesilla Valley Metropolitan Planning Organization (MPO), where high intensity commercial zoning and high density residential zoning such as the proposed C-3

and R-4 zoning designations are encouraged. The subject property is also located adjacent to and in close proximity to other properties with R-4 and C-3 zoning designations.

On January 28, 2014, the Planning and Zoning Commission (P&Z) recommended approval of the proposed zone change request by a vote of 5-0-0, (one Commissioner absent, one Commissioner position vacant). The proposed zone change was approved on the consent agenda at the meeting and no discussion took place for the proposed zone change. There was no public input received by staff for the proposed zone change.

OPTIONS / ALTERNATIVES:

1. Vote "Yes"; this will affirm the Planning and Zoning Commission recommendation for approval. The subject property encompassing 5.95 ± acres will be rezoned from C-2 (Commercial Medium Intensity) to C-3/R-4 (Commercial High Intensity/Multi-Dwelling High Density & Limited Retail and Office).
2. Vote "No"; this will reject the recommendation made by the Planning and Zoning Commission. The current zoning designation of C-2 (Commercial Medium Intensity) will remain on the subject property and the property will remain non-conforming. Denial of the zone change will require new information or facts not identified or presented during staff review or the Planning and Zoning Commission meeting.
3. Vote to "Amend"; this could allow Council to modify the Ordinance by adding conditions as determined appropriate.
4. Vote to "Table"; this could allow Council to table/postpone the Ordinance and direct staff accordingly.

ORDINANCE NO. 2705

AN ORDINANCE APPROVING A ZONE CHANGE FROM C-2 (COMMERCIAL MEDIUM INTENSITY) TO C-3/R-4 (COMMERCIAL HIGH INTENSITY/MULTI-DWELLING HIGH DENSITY & LIMITED RETAIL AND OFFICE) ON 5.95 ± ACRES OF LAND LOCATED AT 299 E. MONTANA AVENUE. SUBMITTED BY MICHAEL JOHNSON, P.E. ON BEHALF OF MESILLA VALLEY HOSPICE, INC., PROPERTY OWNER (Z2867).

The City Council is informed that:

WHEREAS, Mesilla Valley Hospice, Inc., the property owner, has submitted a request for a zone change from C-2 (Commercial Medium Intensity) to C-3/R-4 (Commercial High Intensity/Multi-Dwelling High Density & Limited Retail and Office) for the property located at 299 E. Montana Avenue; and

WHEREAS, the Planning and Zoning Commission, after conducting a public hearing on January 28, 2014, recommended that said zone change request be approved by a vote of 5-0-0 (one Commissioner absent, one Commissioner position vacant).

NOW, THEREFORE, Be it ordained by the governing body of the City of Las Cruces:

(I)

THAT the land more particularly described in Exhibit "A," attached hereto and made part of this Ordinance, is hereby zoned C-3/R-4 (Commercial High Intensity/Multi-Dwelling High Density & Limited Retail and Office) for property located at 299 E. Montana Avenue.

(II)

THAT the zoning is based on the findings contained in Exhibit "B" (Findings), attached hereto and made part of this Ordinance.

(III)

THAT the zoning of said property be shown accordingly on the City Zoning Atlas.

(IV)

THAT City staff is hereby authorized to do all deeds necessary in the accomplishment of the herein above.

Findings

1. The subject parcel currently encompasses a total of 5.95 ± acres, is zoned C-2 (Commercial Medium Intensity) and consists of a hospice facility.
2. The subject property is located in very close proximity to two Arterial roadways where high intensity commercial and high density multi-family residential uses and zoning such as the proposed C-3 and R-4 zoning designations are encouraged. (Comprehensive Plan 2040 Sustainable Growth Goal 32, Policy 32.3)
3. The proposed zone change to C-3 would bring the subject property into compliance with the 2001 Zoning Code with the maximum lot size requirement of the Code. (2001 Zoning Code, Article 4, Section 38-32D)
4. Based upon staff's analysis of the proposal, the proposed zone change meets the intent of Comprehensive Plan 2040; is compatible with adjacent uses and zoning districts; meets the purpose and intent outlined in Section 38-2 of the 2001 Zoning Code, as amended; and fulfills the purpose of the Las Cruces Municipal Code Section 2-382.

SECTION 1: SYNOPSIS OF PROPOSAL

The applicant is seeking to convert a portion of the existing hospice facility on the subject property into an assisted living facility. The proposed R-4 (Multi-Dwelling High Density & Limited Retail and Office) zoning designation would permit the assisted living facility on the subject property by right. The applicant is also seeking to keep the commercial zoning designation on the subject property. The property currently exceeds the maximum one acre lot size requirement of the existing C-2 (Commercial Medium Intensity) zoning designation. The additional proposed zone change to C-3 (Commercial High Intensity) would bring the subject property into compliance with the 2001 Zoning Code with the maximum lot size requirement.

SECTION 3: STAFF ANALYSIS AND CONCLUSIONSDecision Criteria

The Planning and Zoning Commission shall review each request in relation to the policies of the comprehensive plan, plan elements, other applicable plans, and the purpose and intent of this Code, Section 38-2 and 36-1 of the Sign Code, when appropriate, and determine whether the request is consistent or inconsistent with stated criteria. The Las Cruces Municipal Code Section 2-382 specifies the Planning and Zoning Commission shall determine whether a proposal will:

1. Impair an adequate supply of light and air to adjacent property or otherwise adversely adjoining properties.
2. Unreasonably increase the traffic in public streets.
3. Increase the danger of fire or endanger the public safety.

4. Deter the orderly and phased growth and development of the community.
5. Unreasonably impair established property values within the surrounding area.
6. In any other respect impair the public health, safety or general welfare of the city.
7. Constitute a spot zone and, therefore, adversely affect adjacent property values. The term "spot zoning" means the singling out of a lot or small area for a zoning change which is out of harmony with the comprehensive plan and surrounding land uses to secure special benefits for a particular property owner without regard for the rights of adjacent landowners.
8. Be in harmony with the purpose and intent of the zoning code, sign code, design standards and other companion codes.

As mentioned above, Section 38.2 of the City of Las Cruces 2001 Zoning Code, as amended, identifies the Purposes and Intent of the Zoning regulations and should also be utilized as part of the decision criteria. The relevant purpose and intent statements to the proposed rezoning are:

- A. Ensure that all development is in accordance with this Code and the Las Cruces Comprehensive Plan and its elements;
- B. Encourage innovations in land development and redevelopment;
- L. Ensure that development proposals are sensitive to the character of existing neighborhoods;

In addition to those decision criteria required by the City of Las Cruces Municipal and Zoning Codes, there are also measures based on case law to consider when evaluating rezoning requests which include the following:

1. There was an error when the existing zoning map pattern was created; or
2. Changed neighborhood or community conditions justify the change; or
3. A different use category is more advantageous to the community, as articulated in the Comprehensive Plan or other applicable City master plan(s), even though criterion (1) or (2) above do not apply because
 - a. there is a public need for a change of the kind in question, and
 - b. that need will be best served by changing the classification of the particular piece of property in question as compared with other available property.

Applicable Comprehensive Plan 2040 Goals & Policies

As specified by the decision criteria listed above, the proposal should be in concert with Comprehensive Plan 2040. The following policies from Comprehensive Plan 2040 are relevant to the current proposal:

Sustainable Growth Goal 32 (Vibrant Planning Areas, Neighborhoods & Districts)

1. Policy 32.3

Please refer to Attachment #5 for a detailed description of the Comprehensive Plan 2040 Policies listed above.

Analysis

The proposed zone change from C-2 (Commercial Medium Intensity) to C-3/R-4 (Commercial High Intensity/Multi-Dwelling High Density & Limited Retail and Office) is for a 5.95 ± acre tract located on the north side of Montana Avenue and the south side of Foster Road approximately 745 ± feet west of El Paseo Road. The existing parcel currently consists of a hospice facility. The applicant is seeking to convert some of the units in the existing facility into assisted living units and adding the use of an assisted living facility on the property. The proposed zone change to the R-4 zoning designation shall permit the use of an assisted living facility on the subject property. Additionally, the applicant is seeking to keep the existing commercial zoning designation on the subject property. The existing size of the property exceeds the maximum lot size requirement of the existing C-2 zoning designation and the

proposed zone change to C-3 would bring the property into compliance with the 2001 Zoning Code, as amended.

The property is adjacent to and in very close proximity to other properties with R-4 and C-3 zoning designations. The property is also adjacent to other properties used for senior-citizen living, making it compatible with adjacent and surrounding properties in terms of use and zoning. The proposed zone change will also allow the property to innovatively redevelop to allow an additional related use for the existing facility. The subject property is also in very close proximity to El Paseo Road and Idaho Avenue, two existing Minor Arterial roadways, where high intensity commercial and high density multi-family residential uses and zoning are encouraged.

Conclusion

The proposed zone change is supported by the Development Services Staff and all reviewing departments in the City of Las Cruces. Based upon review of the proposal by staff and other relevant agencies, the proposed zone change is justified based upon the following:

- No known adverse offsite impacts or potential risks to the public's safety, health, and welfare are known;
- The proposal is consistent with the policies of the Comprehensive Plan, the Transportation Plan, and the intent of the 2001 Zoning Code; and
- The proposed C-3 and R-4 Zoning Districts are harmonious with and not out of character with the uses and zoning districts of the surrounding area.

DRC RECOMMENDATION

The proposal did not require review and recommendation by the Development Review Committee.

STAFF RECOMMENDATION

Staff recommends **APPROVAL** of the proposed zone change based on the findings listed below:

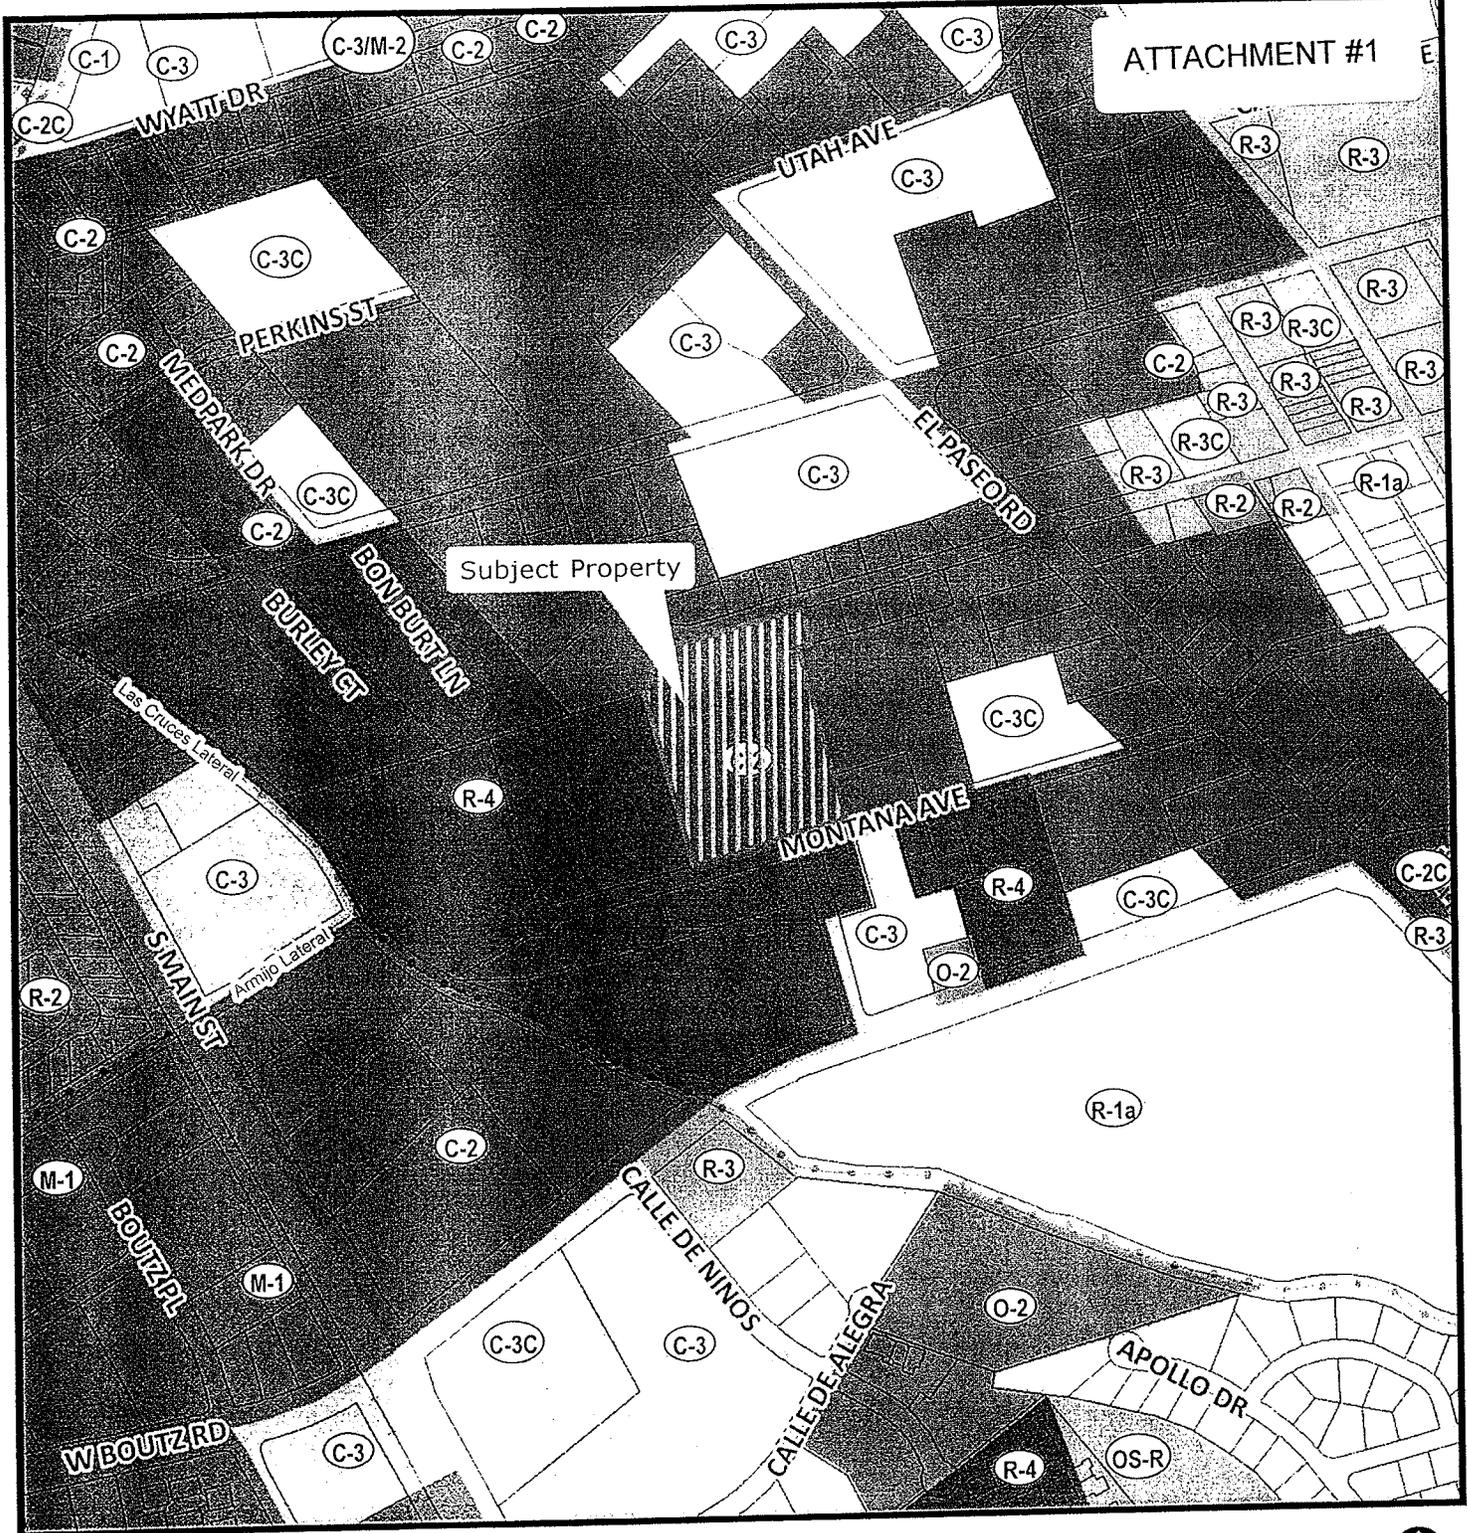

FINDINGS FOR APPROVAL

1. The subject parcel currently encompasses a total of 5.95 ± acres, is zoned C-2 (Commercial Medium Intensity) and consists of a hospice facility.
2. The subject property is located in very close proximity to two Arterial roadways where high intensity commercial and high density multi-family residential uses and zoning such as the proposed C-3 and R-4 zoning designations are encouraged. (Comprehensive Plan 2040 Sustainable Growth Goal 32, Policy 32.3)
3. The proposed zone change to C-3 would bring the subject property into compliance with the 2001 Zoning Code with the maximum lot size requirement of the Code. (2001 Zoning Code, Article 4, Section 38-32D)
4. Based upon staff's analysis of the proposal, the proposed zone change meets the intent of Comprehensive Plan 2040; is compatible with adjacent uses and zoning districts; meets the purpose and intent outlined in Section 38-2 of the 2001 Zoning Code, as amended; and fulfills the purpose of the Las Cruces Municipal Code Section 2-382.

Re: Requested Zone Change – Mesilla Valley Hospice Inc.

Dear Ms. Harrison-Rogers:

Mesilla Valley Hospice, located at 299 East Montana, would like to convert eight beds (of the 31 beds currently in use) to an assisted living facility. The property located at 299 East Montana Avenue is currently zoned C-2 "Commercial Medium Intensity" (non-conforming). An assisted living facility is not a permitted use under the C-2 zoning.

Therefore, on behalf of Mesilla Valley Hospice, Inc., I would like to submit a formal request to change the zoning from C-2 "Commercial Medium Intensity" (non-conforming) to a multiple zoning district of C-3 "Commercial High Intensity" and R-4 "Multi-Dwelling High Density and Limited Retail Office". The C-3 zoning designation will bring the property use into conformance with the current City of Las Cruces Zoning Code and the R-4 zoning designation will allow for the proposed use as an assisted living facility.

The property is approximately 5.95 acres in area and is located in the Three Crosses Medical Center Plat #1 Replat #2. The property is further identified as Parcel ID # 02-41146 and Map Code #4-007-136-405-218 in the records of the Dona Ana County Assessor's Office.

I have attached a completed Development Statement for Zoning Application with Affidavit, property information from the County Assessor's office, a Vicinity Map, a Current Zoning Map and a Proposed Zoning Map as part of this requested Zone Change Submittal.

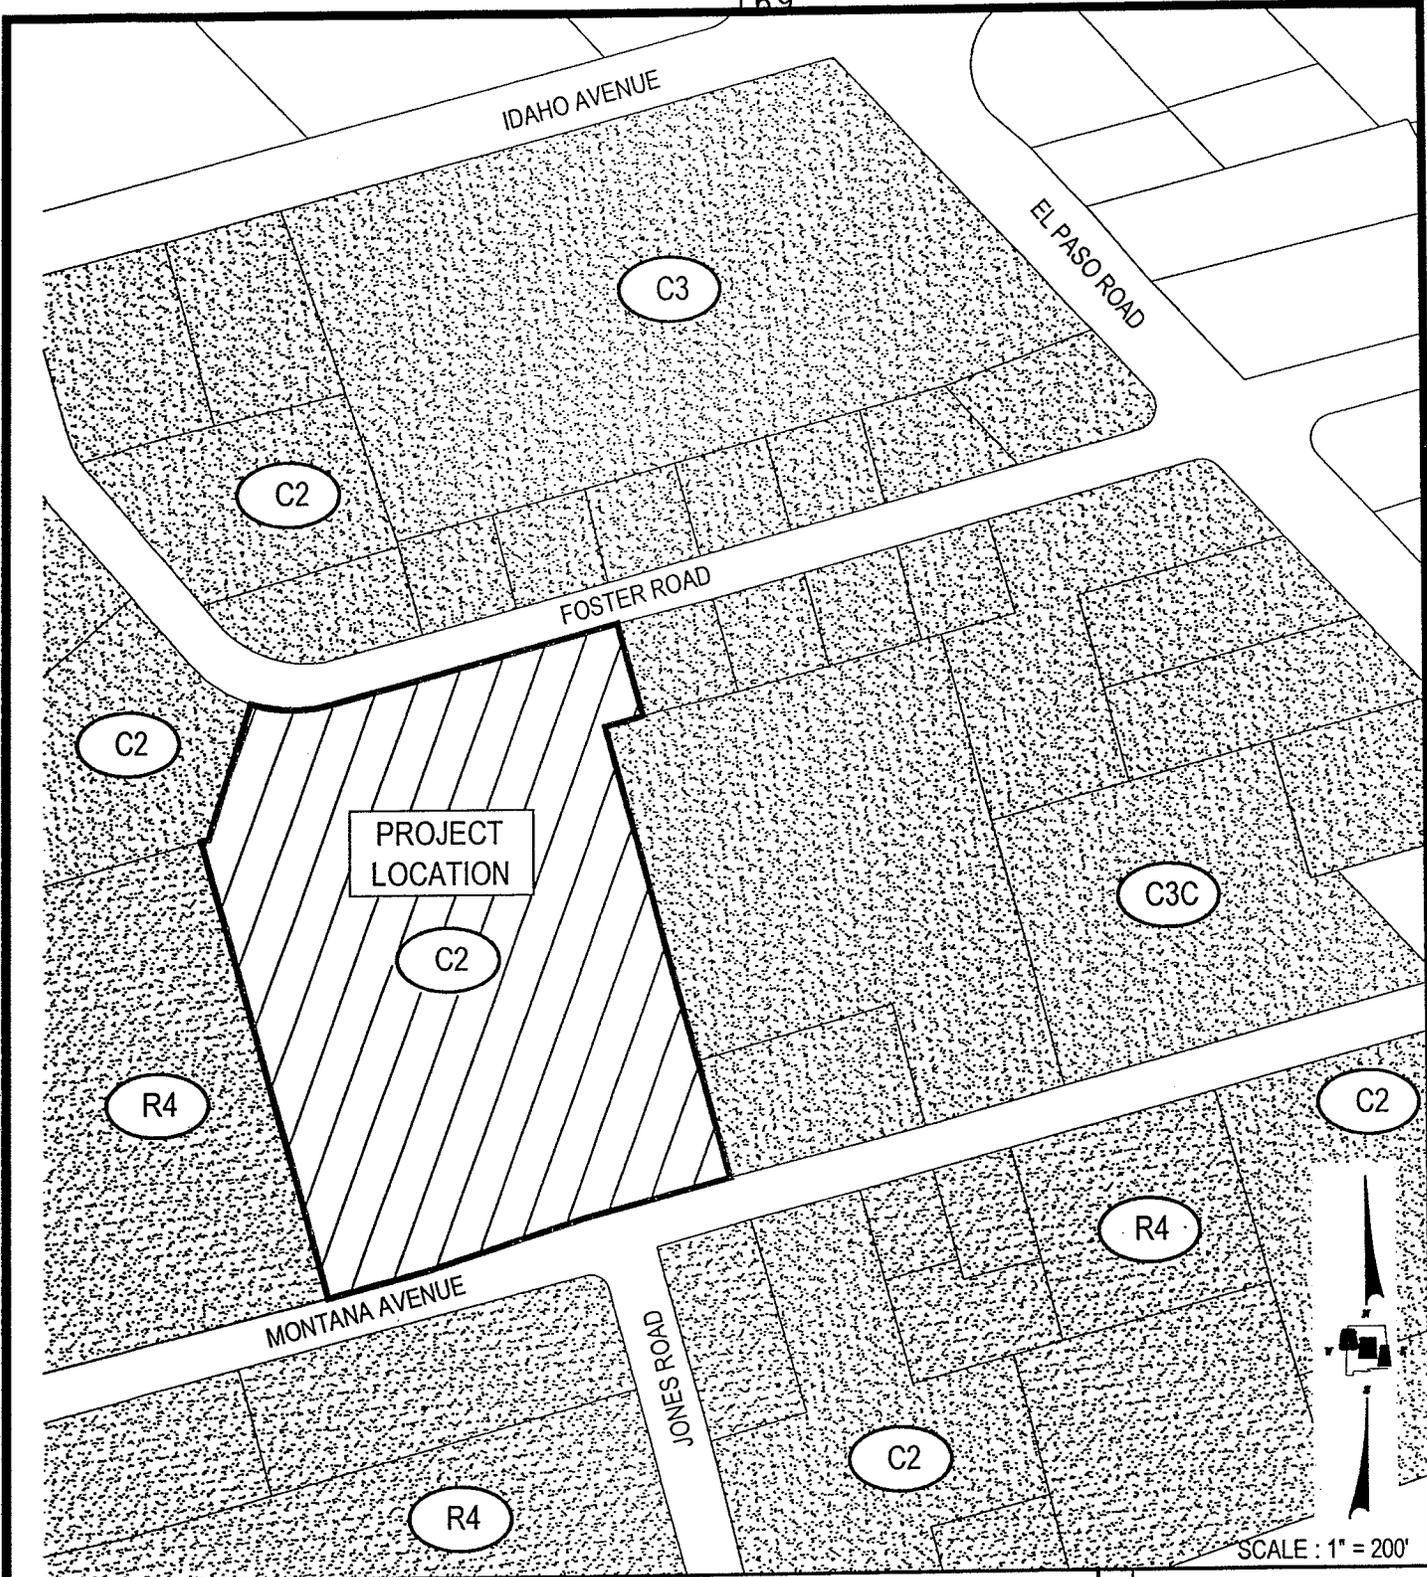

Should you have any questions or need additional information please feel free to contact me. Your time and consideration is greatly appreciated.

Sincerely,

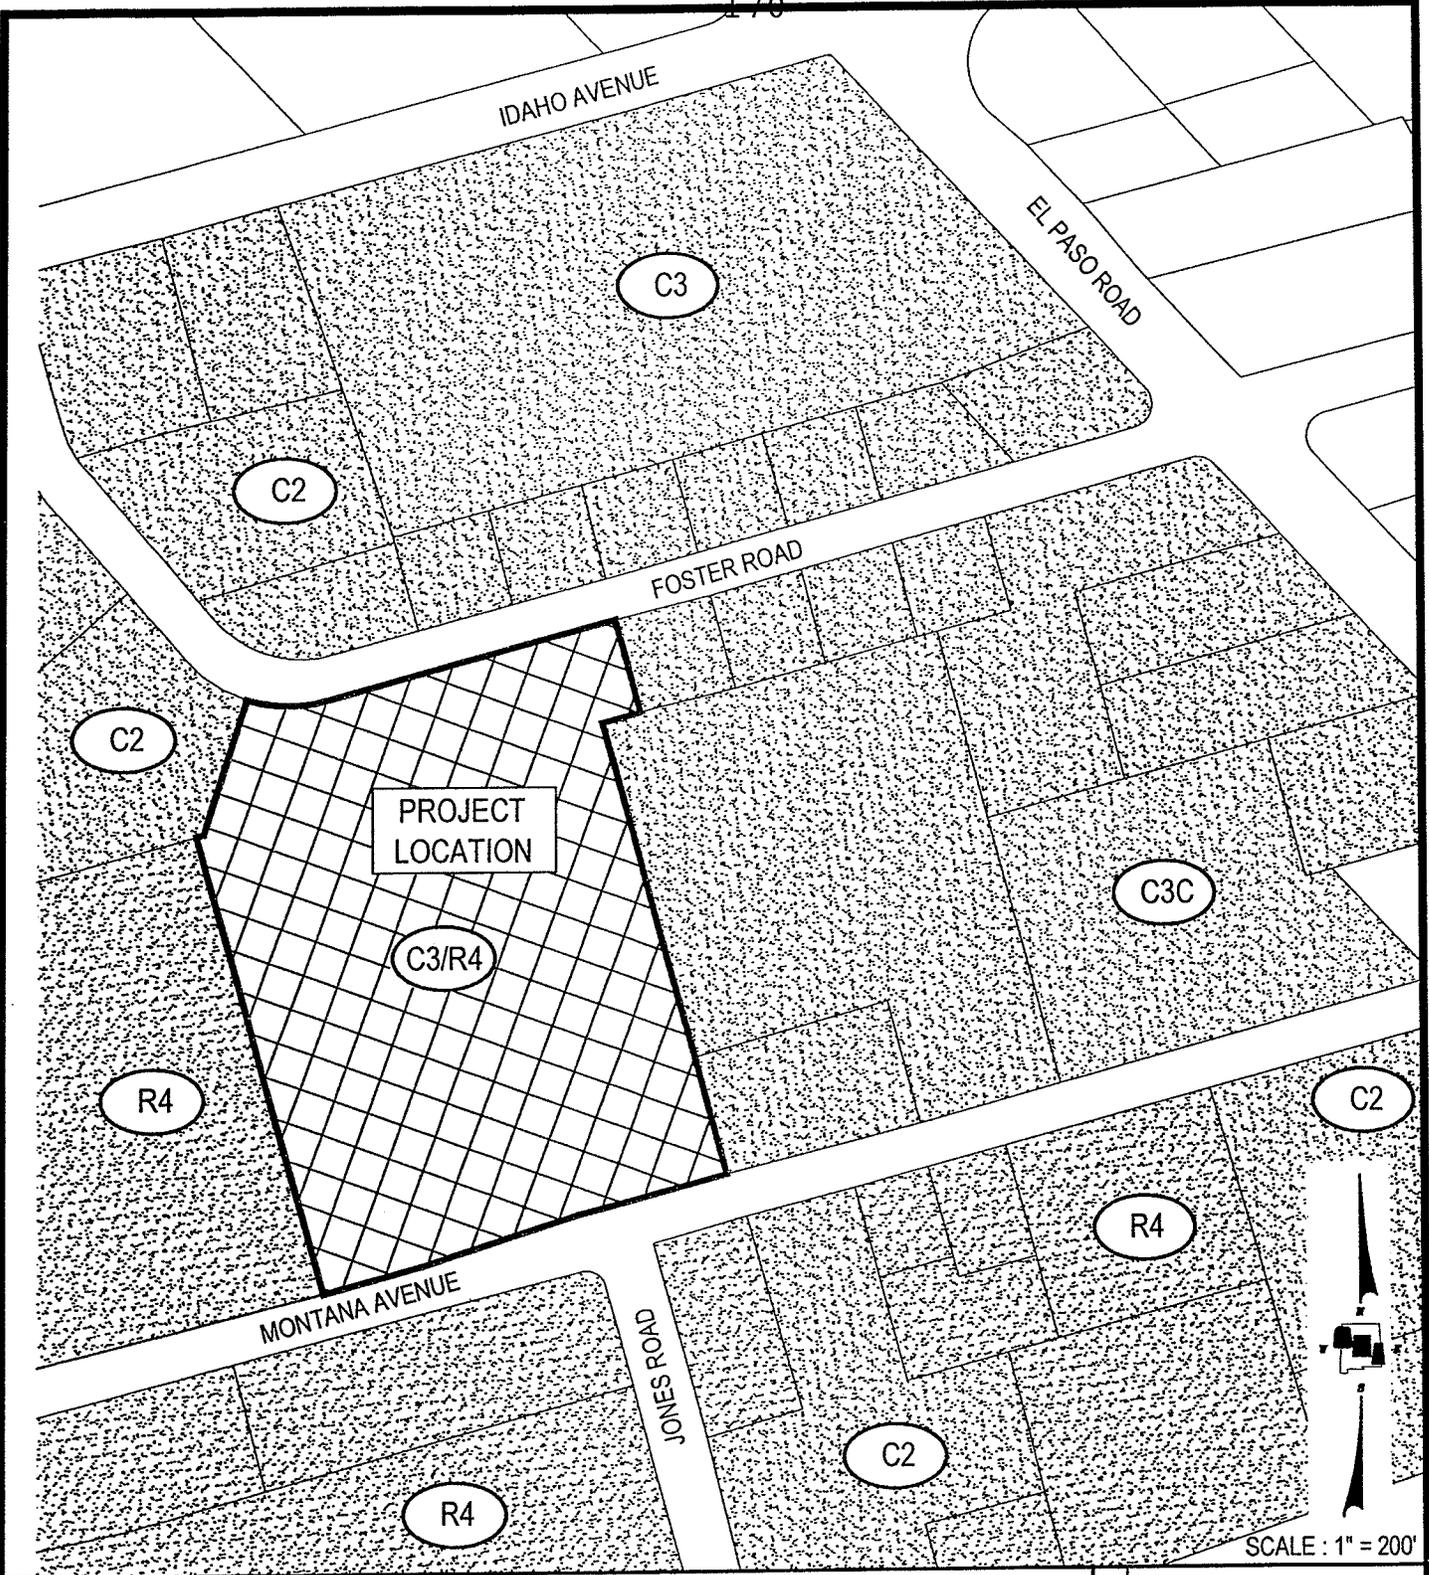

Michael D. Johnson, P.E.

Comprehensive Plan 2040 Policies

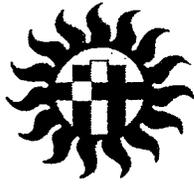

The following policies from Comprehensive Plan 2040 are relevant to the current proposals:

Sustainable Growth Goal 32 (Vibrant Planning Areas, Neighborhoods & Districts)

Policies:

32.3 Regional commercial uses shall be defined as those high intensity commercial uses which generate considerable auto-oriented traffic. Such uses conduct retail, service, and wholesale activities on a large volume basis and generally have at least one anchor tenant. These uses are intended to serve the needs of those within a four-plus mile radius. Regional commercial uses (single) and centers generally serve a population greater than 50,000 people and should be established according to the following criteria:

- a. Single uses are generally greater than 75,000 gross square feet commercial use. A regional commercial center becomes a regional commercial use when the center contains one anchor store greater than 75,000 gross square feet.
- b. Regional commercial uses and centers shall be located at the intersection of major arterial streets and limited access highways. Location at intersections with a major arterial streets and mid-block locations shall be considered on a case-by-case basis using context criteria and assessment of impacts to the area. Multiple access points serving this use is typical and should not have any secondary egress/ingress from any roadway designated below collector status.
- c. The City shall pursue multi-modal access standards of auto, bicycle, pedestrian, and transit for regional commercial uses and centers.
- d. Regional commercial development shall address the following urban design criteria of compatibility to adjacent development in terms of architectural design, height/density, and the provision of landscaping for site screening, parking, and loading areas.
- e. Adequate space for functional circulation shall be provided for parking and service areas.
- f. Encourage regional commercial centers to allow for maximum shopping convenience with minimal traffic and encroachment-related conflicts to adjacent uses.
- g. Regional commercial uses and centers should not locate adjacent to rural or low density residential uses.

Advanced Planning Comments (Carol McCall)

Conclusions

This is a proposal for a zoning change from C-2 to C-3/R-4. The property owner, Mesilla Valley Hospice Inc., wishes to convert eight of their 31 beds to an assisted living facility. Assisted living is not allowed in C-3 zones, but is allowed in R-4. The conversion would also bring the 6-acre lot into compliance with the 2001 Zoning Code which does not allow C-2 zoned lots to exceed 1 acre in size. The use would be a conversion of existing facilities, an additional structure will not be built.

The property is surrounded by a variety of R-4, C-2 and C-3 uses, so the conversion to C-3 would not be out of place. Although located between two local roadways, the facility has existed at this location for a number of years and is not expected to increase vehicular traffic to any large extent (policy 32.3.b., below). It is also in close proximity to Idaho and El Paseo, more heavily trafficked streets.

All in all, the proposal appears to be sound, and advance planning staff has no objections.

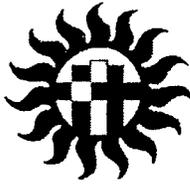

The following policies from Comprehensive Plan 2040 are relevant to the current proposals:

Sustainable Growth Goal 32 (Vibrant Planning Areas, Neighborhoods & Districts)**Policies:**

These uses are intended to serve the needs of those within a four-plus mile radius. Regional commercial uses (single) and centers generally serve a population greater than 50,000 people and should be established according to the following criteria:
- a. Single uses are generally greater than 75,000 gross square feet commercial use. A regional commercial center becomes a regional commercial use when the center contains one anchor store greater than 75,000 gross square feet.
 - b. Regional commercial uses and centers shall be located at the intersection of major arterial streets and limited access highways. Location at intersections with a major arterial streets and mid-block locations shall be considered on a case-by-case basis using context criteria and assessment of impacts to the area. Multiple access points serving this use is typical and should not have any secondary egress/ingress from any roadway designated below collector status.
 - c. The City shall pursue multi-modal access standards of auto, bicycle, pedestrian, and transit for regional commercial uses and centers.
 - d. Regional commercial development shall address the following urban design criteria of compatibility to adjacent development in terms of architectural design, height/density, and the provision of landscaping for site screening, parking, and loading areas.
 - e. Adequate space for functional circulation shall be provided for parking and service areas.
 - f. Encourage regional commercial centers to allow for maximum shopping convenience with minimal traffic and encroachment-related conflicts to adjacent uses.
 - g. Regional commercial uses and centers should not locate adjacent to rural or low density residential uses.

Residential Land Use:

Residential Land Use is not specifically addressed in Comprehensive Plan 2040, except to define "urban residential use:" Residential units which occur at a density of greater than two dwelling units per acre.

*In the application, clarify if the conversion of the 8 beds increases any of the existing building footprints or if a new structure will be erected.
Based on the recorded plat, this lot is in a SFHA - thus needed to comply with FEMA & CLC requirements. Any development or substantial improvements require the property owner to meet flood plain compliance. Was a LOMR completed? Please discuss w/ CLC Floodplain Manager JD Padilla @ 528-3131.*

Hey Natasha,

I just spoke with Mike Johnson in regards to development at 299 Montana Avenue. He stated they are just renaming rooms and adding 1 tub.

This is in compliance with development in the SFHA.

Please let me know if you have any questions.

Thanks.
