 (20) **Resolution No. 10-041**:
 A Resolution Adopting a Biennial Memorandum of
 Understanding (MOU) Between the City of Las Cruces, New Mexico Mainstreet
 Program, and the Downtown Las Cruces Partnership and Authorizing Payment of
 \$ _____ to Fund the MOU for the First Year.

Councillor Connor Moved to Adopt Resolution No. 10-041 and Councillor Jones Seconded the
 motion.

 Christine Logan, Economic Development Administrator gave a presentation and said our previous
 MOU expired last fiscal year and this is to authorize another two year agreement. We need Council
 to select a funding amount and source for this agreement.

Greg Smith, President of Downtown Las Cruces Partnership said we are, as a Mainstreet community,
 required to provide through our City's partnership, a certain amount and in the past, that amount has
 been \$45,000 but it has changed to \$50,000 this year.

Cindy Fargo, Downtown Las Cruces said we provided a package to Council and the last three pages
 of that packet explain the State of New Mexico's intention with regard to the initiatives with the
 communities of New Mexico.

Gary Sandler, Board of Directors said the amount that is required to move forward is returned to the
 City in about \$200,000 worth of services.

Mayor Miyagishima said I think we should approve the \$50,000 with the contingency that we receive
 something from the state by October 31st.

Cindy Fargo said we could work with that suggestion.

Councillor Connor said if the State doesn't come up with something by that time then it will pretty
 much tie your hands and I'm sure you have already set your budget. I would recommend that we just
 allocate the \$50,000 without restricting it.

Fermin Rubio, City Attorney said I don't think we can give them the money without a signed
 agreement from all the parties.

Christine Logan said this is a three way agreement and the State isn't ready to sign it yet which is
 why they wanted a two month extension. It seems problematic to me for us to be able to turn over
 the funds without the State signing the agreement. We can have an agreement with only the
 Downtown Partnership and be able to give them the \$50,000.

1

2 Cindy Fargo said I don't anticipate any changes in the MOU when it comes back from the State.

3

4 Mayor Miyagishima asked would you be OK with the commitment of \$50,000 but for no more than
5 \$25,000 to be expended until the State signs the agreement which would be by October 31st?

6

7 Cindy Fargo said it is very difficult to plan a full year with only half of your funding but I do
8 understand the situation.

9

10 Councillor Small said I agree with allowing the extension until October 31st and even though you
11 have projects that you have to plan; we can't commit the entire funding until the contract is signed.

12

13 Councillor Silva said the services we receive from you is much higher than the amount of money we
14 give you. Is the agreement between the City and Downtown already in place and funded?

15

16 Cindy Fargo said the agreement is an MOU and it expires in 2011. It is for a particular set of tasks
17 that we agreed to accomplish. This is a three way agreement between the City, State and the
18 Downtown Las Cruces Partnership.

19

20 Councillor Silva said I think now is the time that we need to invest in Downtown and I am in support
21 of just doing the \$50,000 and move forward because I'm sure the State won't back out of this
22 agreement.

23

24 Mayor Miyagishima said I am in support of the full \$50,000 but I only want to commit to \$25,000
25 now and the other \$25,000 will be done by October 31st if the State has signed the agreement.

26

27 Councillor Jones said this resolution states that the City is entering in an MOU and the payment is
28 to be authorized for the first year so if we give you the \$50,000 and the State doesn't sign the MOU
29 then you would owe us \$50,000. I would suggest that we move forward and fund the full \$50,000
30 with the understanding that if the MOU isn't signed then that amount would be our receivable.

31

32 Terrence Moore said legally, funds can't be expended unless there is an agreement in place and this
33 is a three party agreement so we can't cut a check until this three party agreement is signed by
34 everyone.

35

36 Cindy Fargo said we are in this position because of an oversight regarding the budgetary process that
37 we weren't aware of until July 6th. In which case, all of our planning, including major events with
38 contracts, have to be executed or cancelled. We spoke with Mr. Moore a few weeks ago regarding
39 this issue and he did explain to us that a funding of \$20,000 may be available instead of the full
40 amount. The funding stream is essential and we were expecting a \$46,000 or \$50,000 lump sum; this
41 puts us in a very difficult position.

42

1 Mayor Miyagishima said we may be able to amend the agreement between the Downtown and the
2 City for an additional \$25,000; then wait on this agreement until it is signed.

3
4 Christine Logan said we can bring that MOU amendment forward at the next meeting.

5
6 Cindy Fargo said we will need some kind of agreement that you are willing to extend this contract
7 so we can move forward with our applications for capital outlay funding which are due by August
8 20th.

9
10 Mayor Miyagishima said I think we should move forward with this resolution because there won't
11 be any funding until it is signed by all parties and then bring back a resolution to amend our other
12 agreement at our next meeting.

17 cost.

18

19 Terrence Moore said we have a meeting scheduled tentatively for August 5th to meet with El Paso
20 Electric and discuss these issues.

21

22 Councillor Small passed.

23

24 Councillor Connor said last year, Woodman of the World donated a flag pole for Club Fusion and
25 they met with me last week to present us with a new flag. They offered to donate new flag poles for
26 the new City Hall and I suggest that we take them up on their offer.

27

28 We were contacted last week by Playful Cities to inform us that the City of Las Cruces has been
29 chosen to be a playful city which is the first one for the State of New Mexico. There will be an event
30 in September and a proclamation will be given to us.

31

32 We were contacted about resolutions regarding the operation of bicycles and apparently you need
33 a license but the LCPD only has about thirty registered bicycles in their database. We need to get this
34 information out to the public and we need to start enforcing it.

35

36 I would suggest that we go back to having City leagues for children twelve years old and younger
37 because it would be good for the City and it would be more economical for parents.

38

39 Mayor Miyagishima said I would suggest that we have flag poles and fly the flags for our military
40 branches.

41

42 Councillor Silva asked what is the status of the police report from SSI?

43

1 Terrence Moore said we are in the process of wrapping that up and we will have an update at the
2 August 10th work session.

3

4 Councillor Silva said it was reported in the newspaper that there was a recent settlement between the
5 Detention Center and the City.

6

7 Fermin Rubio said the settlement doesn't involve the Detention Center; it was between the City and
8 the plaintiffs.

9

10 Councillor Silva said there have been emails going around concerning the Sierra Norte area and the
11 new Golf Club; I was wondering if we could get an update from the DRC on these issues?

12

13 Terrence Moore said I would be happy to provide some updates on those issues in this week's
14 information letter.

15

16 Councillor Silva said I want to thank all the City staff for their help with the Home Builders
17 anniversary celebration at Klein's Park.

18

19 The Peace Lutheran organization is having a community clean up event on July 31st and August 1st
20 and if anyone would like their house cleaned or yard cleaned up, you call David Chavez at 526-9458
21 or call me at 640-5934 to schedule a time to have your house or yard cleaned up.

22

23 At 5:30 p.m. tomorrow at the Eastside Center, the City will be hosting a design review meeting
24 regarding the Hadley Manzanita Gateway.

28 D. Americans with Disability Act Advisory Board Update.

29

30 Andre Moquin, HR Director gave a presentation and said this board is intended to represent the
31 diversity of individuals with disabilities within our community. The board will be made up with a
32 majority of its members as individuals with disabilities but we haven't had that much interest in it.

33

34 Councillor Connor said I had two individuals who applied for this board in January and they are still
35 available for appointment to this board.

36

37

38 F. Progress Regarding Strategic Plan Update.

39

40 Andre Moquin, HR Director gave a presentation and said there is a meeting scheduled for this
41 Thursday at 9:00 a.m. at the Farm and Ranch Museum to go over the draft goals and objectives from
42 our consultant.

43

1 A. Update Regarding Development and Construction of New City Hall.
2

3 Eric Martin, Project Management Administrator gave a presentation and said we are currently
4 moving forward with the parking deck and finishing work on the building.
5

6
7 B. Update Regarding Development and Construction of New Las Cruces
8 Convention Center.
9

10 Eric Martin, Project Management Administrator gave a presentation and said the contractor is on site
11 and working with the various utilities to get those marked and installed and continuing to work on
12 the general site preparation.
13

14 Ken Mompellier, Director of the Convention and Visitors Bureau gave a presentation and said
15 Global Spectrum has been on board for several months and they are still working on the FFE for the
16 building.
17

18
19 E. Sister Cities Board Recruitment Process.
20

21 Lori Grumet, Public Services Director gave a presentation and said the last time this board met was
22 in 1995 and we have been advertising for applicants to serve on this board but there hasn't been
23 much interest expressed for this board so far. We would like to give the Council two options
24 concerning this issue; one is to revise the ordinance and eliminate this board or continuing trying to
25 recreate this board and appoint a staff member as a board liaison to give us annual updates for the
26 Sister City Foundation.
27

28 Councillor Archuleta said I don't think this advisory board is working and I would recommend that
29 we eliminate it.
30

31 Councillor Connor said the CVB provides \$10,000 to the foundation and if we don't restructure the
32 board then they wouldn't be able to receive that funding. I would agree with eliminating the advisory
33 board and reorganizing the foundation board with those that are there.
34

35 Lori Grumet said the agreement with the foundation isn't necessarily ran through our advisory board
36 so any funding that goes to them is a separate issue. I would recommend that there is a staff member
37 or a member of Council that is appointed to be the liaison for that board and help align it back up
38 with the foundation.
39

40 Councillor Connor said I would like to see more participation from the community.
41

42 Mayor Miyagishima said I agree with what has been said and I think whatever we need to do to get
43 it motivated and reorganized is what we should do.

5 and the GRT came in at 2.6% better than anticipated for the past seven months. There are still a lot
6 of uncertainties out there but hopefully FY10 will be a recovering period.

7

8 Councillor Silva asked would it be possible to get us a monthly report of expenditures?

9

10 Dick Gebhart said we can look into generating a monthly report of expenditures.
