

Regional Planning Efforts

Regional Planning Coordination

October 30, 2014

Purpose

- Coordination of Public Policy and Planning
- Collaborative Resource Use Evaluation
- Potential Cooperative Efforts
 - Public Safety
 - Joint Public Facilities
 - Utilities
 - Accessibility
 - Recreation Programs and Activities
 - After-School Programs
 - Economic Development

Potential Structure

■ Policy Committee

- Serve as a forum for collaborative policy discussion related to community growth issues impacting the City of Las Cruces and Las Cruces Public Schools
- Serve as an opportunity to share information related to municipal and educational services
- Provide general policy direction and guidance to the Technical Committee

■ Technical Committee

- Provide technical expertise and analysis to the Policy Committee
- Identify issues affecting operations and management for both organizations
- Propose strategies to address growth related issues for Policy Committee consideration

Potential Membership

- Policy Committee Membership
 - City of Las Cruces City Council Members
 - Las Cruces Public School Board Members
 - City Manager (or designee)
 - School Superintendent (or designee)
- Technical Committee Membership
 - CLC Staff
 - LCPS Staff
 - Other Local Representatives for specific matters
