**TITLE:** ICMA National Citizen Survey

**PURPOSE(S) OF DISCUSSION:**

- Inform/Update
- Direction/Guidance
- Legislative Development/Policy

**BACKGROUND / KEY ISSUES / CONTRIBUTING FACTORS:**

The purpose of this item is to obtain input from the City Council for developing appropriate custom questions for the 2014-2015 Citizen Survey. The National Citizen Survey is administered by ICMA and is used by local governments. The survey covers a wide array of topics and can include a limited number of custom questions. We have polled departments and staff across the organization for potential questions and Administration is presenting its suggested recommendations for City Council input. Once input is obtained from the City Council through this work session, those custom questions identified will be sent to the ICMA office, which will appropriately word those questions for the survey instrument.
