## Council Work Session Summary

**Meeting Date:** December 8, 2014

**TITLE:** AQUATICS CENTER PHASE 2 / POOLS

**PURPOSE(S) OF DISCUSSION:**

- Inform/Update
- Direction/Guidance
- Legislative Development/Policy

**BACKGROUND / KEY ISSUES / CONTRIBUTING FACTORS:**

Staff provided an overview of options and preliminary costs for the construction of the phase II component of the Regional Aquatic Center to City Council and the Las Cruces School Board at the October 30, 2014 joint work session. Consensus was reached by both governing bodies that pursuing funding for the construction of phase II would serve the interests of the Las Cruces Public Schools as well as the citizens of Las Cruces.

Staff will be presenting an overview of how the phase II pool construction could be completed in stages using a phased approach or complete build out and preliminary cost projections. Staff is requesting further Council direction concerning the overall scope of the project and possible funding priority for the upcoming Legislative session.
