BACKGROUND / KEY ISSUES / CONTRIBUTING FACTORS:

The New Mexico Department of Transportation (NMDOT) accepts applications for Municipal Arterial Program Fund (MAP) on an annual basis. To qualify for this year's funding, applications need to be submitted to the NMDOT (District One Office) no later than March 15, 2015.

The MAP purpose is to assist municipalities in project development, construction, improvement, maintenance, repair, acquisition of right-of-way and material, for roadways which are principal extensions of rural state highways, as well as other streets not on the highway system, but determined to qualify under designated criteria.

The NMDOT requires a Resolution of Support from City Council to complete the MAP application. Funds for the selected project will require a twenty-five (25) percent match from the City. The match and excess amount of the State funding limit will have to be included in the Fiscal Year 2015/2016 Budget: Street Maintenance and Flood Control Funds.

At this time, staff recommends submitting the _____
