ADMINISTRATIVE

TITLE: AN ORDINANCE APPROVING A ZONE CHANGE FROM C-2 (COMMERCIAL MEDIUM INTENSITY) TO R-1AM (SINGLE-FAMILY MEDIUM DENSITY MOBILE) ON 0.93+ ACRES LOCATED AT 5365 MORNINGSIDE ROAD. SUBMITTED BY CHRISTINA VALENZUELA ON BEHALF OF RAMIRO AND YOLANDA VALENZUELA, PROPERTY OWNERS (Z2885).

PURPOSE(S) OF ACTION:

Zone change.

COUNCIL DISTRICT: 5		
<u>Drafter/Staff Contact:</u> Adam Ochoa	<u>Department/Section:</u> Community Development/Building & Development Services	<u>Phone:</u> 528-3204
<u>City Manager Signature:</u>		

BACKGROUND / KEY ISSUES / CONTRIBUTING FACTORS:

The proposed zone change is for a property located on the west side of Morningside Road, 490 ± feet north of its intersection with Bataan Memorial West. The subject property at this time is zoned C-2 (Commercial Medium Intensity) and contains a mobile home. The use of the property as a residence is not permitted under the C-2 zoning designation and the proposed zone change to R-1aM (Single-Family Medium Density Mobile) will bring the property's zoning into compliance with the 2001 Zoning Code, as amended. The applicant is also seeking to subdivide the subject property into two new lots where one lot will contain the existing mobile home and the other lot will contain the applicant's new home. The proposed zone change is the initial step required before the subdivision can be done by the applicant.

The subject property is adjacent to and in very close proximity to other properties with the R-1aM zoning designation making the subject property compatible with the surrounding area in terms of zoning and land use. The property is also adjacent to other properties currently zoned C-2, but which are being used in a similar fashion as the subject property. The proposed zone change to

R-1aM is also more appropriate for the subject property considering it fronts Morningside Drive, a designated local roadway, where residential zoning and uses are more fitting.

On March 24, 2015 the Planning and Zoning Commission (P&Z) recommended approval of the proposed zone change request by a vote of 6-0-0, (one Commissioner absent) based upon the findings reflected in Exhibit "B". The proposed zone change was approved on the consent agenda and no public input was received during the meeting. No other public input was received prior to the Planning and Zoning Commission hearing for the proposed zone change.

SECTION 1: SYNOPSIS OF PROPOSAL

The subject property located at 5365 Morningside Road is currently zoned C-2 (Commercial Medium Intensity), encompasses 0.93 ± acres and currently consists of a mobile home. The current use of the subject property as a residence is not permitted under the current C-2 zoning designation and the proposed zone change to R-1aM (Single-Family Medium Density Mobile) will bring the property's zoning into compliance with the current 2001 Zoning Code, as amended. The applicant is also seeking to subdivide the existing tract into two new lots where one lot will consist of the existing mobile home and the other lot will consist of the applicant's new home. The proposed zone change is the initial step required before the subdivision can be done by the applicant. Keeping the character of the surrounding area in mind including the southern adjacent property is the reason for the applicant's request for the R-1aM zoning designation.

SECTION 3: STAFF ANALYSIS AND CONCLUSIONS**Decision Criteria**

The Planning and Zoning Commission shall review each request in relation to the goals, objectives and policies of the comprehensive plan, plan elements, other applicable plans, and the purpose and intent of this Code, Section 38-2 and 36-1 of the Sign Code, when appropriate, and determine whether the request is consistent or inconsistent with stated criteria. The Las Cruces Municipal Code Section 2-382 specifies the Planning and Zoning Commission shall determine whether a proposal will:

1. Impair an adequate supply of light and air to adjacent property or otherwise adversely adjoining properties.
2. Unreasonably increase the traffic in public streets.
3. Increase the danger of fire or endanger the public safety.
4. Deter the orderly and phased growth and development of the community.
5. Unreasonably impair established property values within the surrounding area.
6. In any other respect impair the public health, safety or general welfare of the city.
7. Constitute a spot zone and, therefore, adversely affect adjacent property values. The term "spot zoning" means the singling out of a lot or small area for a zoning change which is out of harmony with the comprehensive plan and surrounding land uses to secure special benefits for a particular property owner without regard for the rights of adjacent landowners.
8. Be in harmony with the purpose and intent of the zoning code, sign code, design standards and other companion codes.

As mentioned above, Section 38.2 of the City of Las Cruces 2001 Zoning Code, as amended, identifies the Purposes and Intent of the Zoning regulations and should also be utilized as part of the decision criteria. The relevant purpose and intent statements to the proposed rezoning are:

- A. Ensure that all development is in accordance with this Code and the Las Cruces Comprehensive Plan and its elements;
- C. Give reasonable consideration to the character of each zoning district and its peculiar suitability to particular uses;
- L. Ensure the development proposals are sensitive to the character of existing neighborhoods;

Q. Mitigate conflicts among neighbors.

In addition to those decision criteria required by the City of Las Cruces Municipal and Zoning Codes, there are also measures based on case law to consider when evaluating rezoning requests which include the following:

1. There was an error when the existing zoning map pattern was created; or
2. Changed neighborhood or community conditions justify the change; or
3. A different use category is more advantageous to the community, as articulated in the Comprehensive Plan or other applicable City master plan(s), even though criterion (1) or (2) above do not apply because
 - a. there is a public need for a change of the kind in question, and
 - b. that need will be best served by changing the classification of the particular piece of property in question as compared with other available property.

Applicable Comprehensive Plan Elements & Policies

As specified by the decision criteria listed above, the proposal should be in concert with Comprehensive Plan 2040. The following polices from Comprehensive Plan 2040 are relevant to the current proposal:

Chapter 5 Community Character (Flexible Design & Positive Image)

1. Goal 19, Policy 19.11

Please refer to Attachment #4 for a detailed description of the Comprehensive Plan Policies listed above.

Analysis

The subject property is currently zoned C-2 (Commercial Medium Intensity), and has had this zoning designation ever since the 1981 Zoning Code was in effect. At that time and under the 1981 Zoning Code the C-2 zoning designation permitted the residential use of the subject property allowing a mobile home. The current C-2 zoning designation under the current 2001 Zoning Code no longer permits the use of the property as it exists, making the subject property non-conforming. The proposed zone change to R-1aM (Single-Family Medium Density Mobile) would bring the property into compliance with the 2001 Zoning Code, as amended. The subject property is also adjacent to and in very close proximity to other properties with the R-1aM zoning designation making the subject property compatible with the surrounding area in terms of zoning and land use. The property is also adjacent to other properties currently zoned C-2, but that are currently being used in a similar fashion as the subject property. The proposed zone change to R-1aM is also more appropriate for the subject property considering it fronts Morningside Drive, a designated local roadway, where residential zoning and uses are more appropriate. The proposed zone change would ensure that the property will remain sensitive to the character of the surrounding existing neighborhood.

Conclusion

The proposed zone change is supported by the Development Services Staff and all other reviewing departments in the City of Las Cruces. Based upon review of the proposal by staff and other relevant agencies, the proposed zone change is justified based upon the following:

- The proposal is consistent with the goals and objectives of the Comprehensive Plan, the Transportation Plan, and the intent of the 2001 Zoning Code; and
- The proposed R-1aM zoning district is harmonious with the character, uses, and zoning districts of the surrounding and nearby area.

DRC RECOMMENDATION

The proposal did not require review and recommendation by the Development Review Committee.

STAFF RECOMMENDATION

Staff recommends **APPROVAL** of the proposed zone change based on the findings listed below.

I. CALL TO ORDER (6:00)

Crane: Good evening ladies and gentlemen. Welcome to the Planning and Zoning Commission meeting for Tuesday, March 24th. Let me start as we usually do by introducing the Commissioners present. On my far right is Commissioner Clifton who represents District 6, Council District 6. Then Mr. Gordon, Council District, pardon me, he is the Mayor's Appointee. Commissioner Stowe who is also our Vice-Chairman, he represents District 1. Commissioner Ferrary, District 3. Commissioner Beard who is also our Secretary, District 2. And I'm Godfrey Crane the Chairman and I represent District 4.

II. CONFLICT OF INTEREST

At the opening of each meeting, the chairperson shall ask if any member on the Commission or City staff has any known conflict of interest with any item on the agenda.

2 **III. APPROVAL OF MINUTES**

3 1. February 24, 2014 - Regular Meeting
4

5 Crane: So we will proceed to approval of minutes for the last meeting.
6 Commissioners, does anybody have any notes apart from me? You all
7 get to go first. Commissioner Stowe.
8

9 Stowe: I have, I have on page 44, line 14 second to last word is misspelled, it
10 should be "hear" h-e-a-r, instead of hare, h-a-r-e.
11

12 Crane: Okay.
13

14 Stowe: And page ...
15

16 Crane: Do you have that ma'am?
17

18 Stowe: One more, page 56, line 14, it's "Ms." Ferrary.
19

20 Crane: Oh yeah.
21

22 Stowe: Or Ms.
23

24 Crane: Sorry ma'am. We, we do strive for gender equity. Anything else Mr.
25 Stowe? Okay. Any other Commissioner? Commissioner Beard.
26

27 Beard: Page 3, 29, I tired to make sense of that and I could not, so I, I put down
28 "opposed, abstentions" so it's "five to zero to accept the minutes, one
29 abstention."
30

31 Crane: What page?
32

33 Beard: Page 3.
34

35 Crane: Oh page 3.
36

37 Beard: Page 3, 29.
38

39 Crane: Page 3, 29. Yes I should've said "opposed, none" and Mr. Alvarado
40 abstains. So we had six people present, one abstained, and nobody
41 voted against, and five voted for. So if you, we can ask our secretary to
42 put in "opposed none." Will that fix it for you?
43

44 Beard: No. Oh page, for me, yeah. Page 15, line 11, I added the word "This is,
45 this is an example of the kind of your consolidated development and
46 builders use." So I added "the" and "use."

1
2 Crane: Okay, after, after builders, right?
3
4 Beard: Right.
5
6 Crane: Use, okay.
7
8 Beard: Page 17, line 16, Ms. Ferrary, I, I don't, I didn't make any sense of that. I
9 didn't know how to correct it. Maybe you can.
10
11 Ferrary: *(inaudible, speaking without the microphone on).*
12
13 Beard: I'm on page 17, line 16.
14
15 Ferrary: *(inaudible, speaking without the microphone on).*
16
17 Ochoa: Ms. Ferrary. Ms. Ferrary can you turn your microphone on please?
18
19 Ferrary: I was trying to say if the two "nots" probably, "builders cannot individually."
20
21 Beard: Yes, but right there individually unless.
22
23 Ferrary: Post.
24
25 Beard: I don't know.
26
27 Ferrary: Unless they have more than 10 acres. "Cannot individually," I was
28 referring to posting the signs I believe.
29
30 Beard: Okay.
31
32 Ferrary: So just strike out the one extra "not."
33
34 Beard: Page 22, line 9, I inserted, I inserted a comma between "isn't" and "don't"
35 and I took out one of the "don'ts."
36
37 Crane: So it's "though isn't," "this is a significant improvement though isn't it."
38
39 Beard: "Don't you believe?" Yes.
40
41 Crane: Put the word "it" in there.
42
43 Beard: Improve, yeah, yeah, "this is a significant improvement."
44
45 Crane: "Don't you believe?"
46

1 Beard: "Don't you believe?" Yeah.

2
3 Crane: Okay.

4
5 Beard: That was page 23. Page, page 37, line 37, I think "Church" should be
6 "Crane." (Mr. Crane did not say "The appraisal." This was definitely
7 stated by Mr. Church seated in the audience, not on microphone.) Page
8 44, line 14, "we hear this all the time." "Hear." And that's it.

9
10 Crane: Any other Commissioner? I have a few, page 1, line 32, "Planning and
11 Zoning Commission." Page 18, line 41, I hope I didn't say "cause" I'd like
12 it to be "because" in that. Page 24, line 25 "Commissioners." Correction,
13 Line 24 is "Which I'm going to ask somebody to move for in a moment."
14 The word "movement" should be "moment." And then line 27,
15 "Commissioners." Page 32, line 23 and 24, we need a couple of commas
16 to make that read more clearly. Line 23 "lots in the surrounding
17 developments and implies, and I don't know if this is true, that the City is
18 going to have to lay out money." And finally page 43, line 26, there's an
19 apostrophe needed in "let's," l-e-t's "say from an excess of enthusiasm."
20 Any other comments Commissioners? Then I'll entertain a motion that the
21 minutes of the last meeting be accepted as amended.

22
23 Stowe: So moved.

24
25 Beard: Second.

26
27 Crane: Moved by Mr. Gordon was it?

28
