TITLE: A RESOLUTION AUTHORIZING THE LAS CRUCES FIRE DEPARTMENT TO ACCEPT VARIOUS EMERGENCY PREPAREDNESS EQUIPMENT VALUED AT \$6,203.23 AND FUNDED BY THE NEW MEXICO DEPARTMENT OF HOMELAND SECURITY OFFICE OF EMERGENCY MANAGEMENT PURSUANT TO A GRANT FUNDED BY THE UNITED STATES DEPARTMENT OF HOMELAND SECURITY OFFICE HOMELAND SECURITY GRANT PROGRAM FOR FY 2014.

To accept emergency preparedness equipment.

COUNCIL DISTRICT: N/A		
<u>Drafter/Staff Contact:</u> James Williams	<u>Department/Section:</u> Fire Department/ Administration	<u>Phone:</u> 528-4051
<u>City Manager Signature:</u>		

BACKGROUND / KEY ISSUES / CONTRIBUTING FACTORS:

The United States Department of Homeland Security (USDHS), Domestic Preparedness Equipment Program provides opportunities for state and tribal governments to apply for grant funding under nine separate initiatives. In order for the New Mexico Department of Homeland Security (NMDHS) to submit an application for the above mentioned program, NMDHS provides Homeland Security Guidance documents and grant application kits to local jurisdictions. NMDHS requires each county to collect and prioritize local jurisdiction NMDHS sub-grant applications requesting funds.

Upon collection and prioritization of the sub-grant applications, a Department of Homeland Security Planning Team reviews the qualified NMDHS prioritized application lists and submits a grant request to the USDHS for program funding. Upon approval of NMDHS grant application, the USDHS awards grant funds to NMDHS, who then disburses grant funds to local jurisdictions to purchase emergency preparedness equipment as prioritized in collected and approved local jurisdiction sub-grant applications. Purchased equipment is then awarded to the local units of

(Continue on additional sheets as required)

government according to the approved sub-grant application. City Council is then required per Section 13-6-2 NMSA 1978 to give approval to accept equipment.

The equipment will be used for rescue training in which emergency medical and law enforcement personnel work together to engage in life saving activities as well as support activities essential to the ability of law enforcement and first responders to prepare for, prevent and respond to terrorist attacks and other all-hazard or mass attack events.

For the past two years the Las Cruces Fire Department (LCFD) and the Las Cruces Police Department have collaborated on modifying our response model to hostile incidents such as active shooter events. The new response model along with the equipment awarded will allow the LCFD working with the Las Cruces Police Department to gain access to victims in a quicker manner which in turn will improve the survivability rate of victims during hostile incidents.

The NMDHS through Dona Ana County Office of Emergency Management (OEM) has awarded the City of Las Cruces, the following equipment through the Domestic Equipment Program FY 2014:

- Point Blank GNXIIIA Level IIIA 2-Ballistic Panels 1-R20D Standard Carrier with 8x10 Rifle Plate Pockets Black (2-Black ID panels "FIRE" in white, 4 each at \$623.00 - \$2,492.00
