BACKGROUND / KEY ISSUES / CONTRIBUTING FACTORS:

Blazin' Brewfest will be held on Main Street, which is City property, on Saturday, May 7, 2016. The New Mexico Brewers Guild is the sponsor of its annual Blazin' Brewfest and would like to make available for consumption award winning ales and lagers from craft breweries throughout New Mexico. Consumption of the alcoholic beverages would be allowed between the hours of 4:00 p.m. and 9:00 p.m. within a restricted and secured area on Main Street. Santa Fe Brewing Co., New Mexico Small Brewer's License No. 6785, has submitted a Public Celebration Permit Application ("Permit Application") to serve beer during the event.

The Alcohol and Gaming Division of the New Mexico Regulation and Licensing Department (Alcohol and Gaming) allows an alcoholic beverage license holder, in this case Santa Fe Brewing Co., to submit a Permit Application to use its Small Brewer's license at a place other than its regular approved licensed premises. The Las Cruces City Council must grant approval for the issuance of the Permit Application before Santa Fe Brewing Co. sends the Permit Application to Alcohol and Gaming for review and final approval.

In addition to the Permit Application, Alcohol and Gaming requires a detailed floor plan showing the restricted and secured location of alcoholic beverages including the location of bars, security

and the placement of security personnel, serving areas, entrances, exits, and the type and height of the enclosure of the service area which is at least four feet or higher. Finally, Alcohol and Gaming requires a list of employees who are licensed servers for Santa Fe Brewing Co. who may sell and serve the beer.

The authorization of the Public Celebration Permit Application will comply with the requirements of the Las Cruces Municipal Code, Section 5-1, which restricts alcohol consumption in public places only to areas approved by Alcohol and Gaming.
