

Council Work Session Summary

Meeting Date: September 12, 2016

TITLE: SAFE APPLICATIONS OF PESTICIDES AND HERBICIDES.

PURPOSE(S) OF DISCUSSION:

- Inform/Update
- Direction/Guidance
- Legislative Development/Policy

BACKGROUND / KEY ISSUES / CONTRIBUTING FACTORS:

The hazards of the pesticides the City of Las Cruces (City) now uses, and how they can employ the Pesticide Precautionary Principle to make the City a lot safer both in public areas and inside of public City buildings. I will be detailing the methods and products that can be used in pest management that are absolutely safe for everyone.
